A FEW DAYS LATER

These past few weeks of my life have been so strange

I'm so glad you called

No, nothing's wrong... its just that...

We've been best friends from years. She will be the best person to talk to about this

Ok Vela, I'll see you tomorrow. You take care

Savita's been my best friend from years. She will be the best person to talk to about this

"Ding Dong"

That must be her

Hi Vela, I'm here!

Oh Savvi, it's so nice to see you

SOME TIME LATER

... and so their papa took both Vijay and Veena went out for a movie. They all will be back only in the evening

Vela, you said you wanted to talk to me about something, what is it?

I.. I'm not sure how to put it

Cmon Vela, we've been friends from years, there is nothing you cannot share with me

It all started when Vijay's friend Prakash came to stay with us for a few days...

I think he was having a shower when he slipped and fell

I got him out of the shower...

...and dried him off, which in retrospect wasn't such a good idea

My touching him had made his penis very big

Later when I was giving him a bath, he said he was in pain and made me massage him down there

I don't know how it happened, but it ended up with him spurting his juices all over my face

OH, what...
what happened
then?

Later in the kitchen he
said his penis was hurting again
and asked me to massage it
one last time

Well, one
thing led to another
and soon he was
kissing me

Soon he had me
on the ground and
completely naked

He was licking me
down there and even
put his penis inside
my pussy

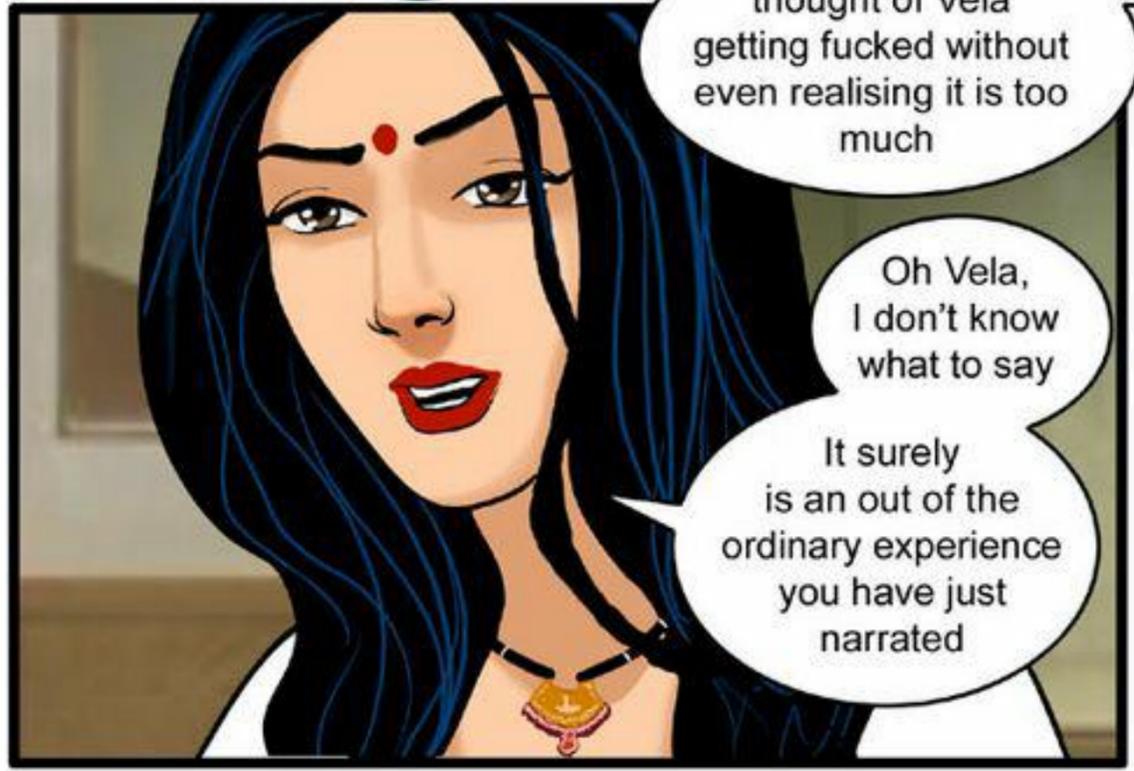

Savita, the next few days I was massaging his cock in different ways. Sometimes with my mouth, sometimes with my pussy...

...and that continued till he finally left

This is so wrong, but that story actually made me horny

The thought of Vela getting fucked without even realising it is too much

Oh Vela, I don't know what to say

It surely is an out of the ordinary experience you have just narrated

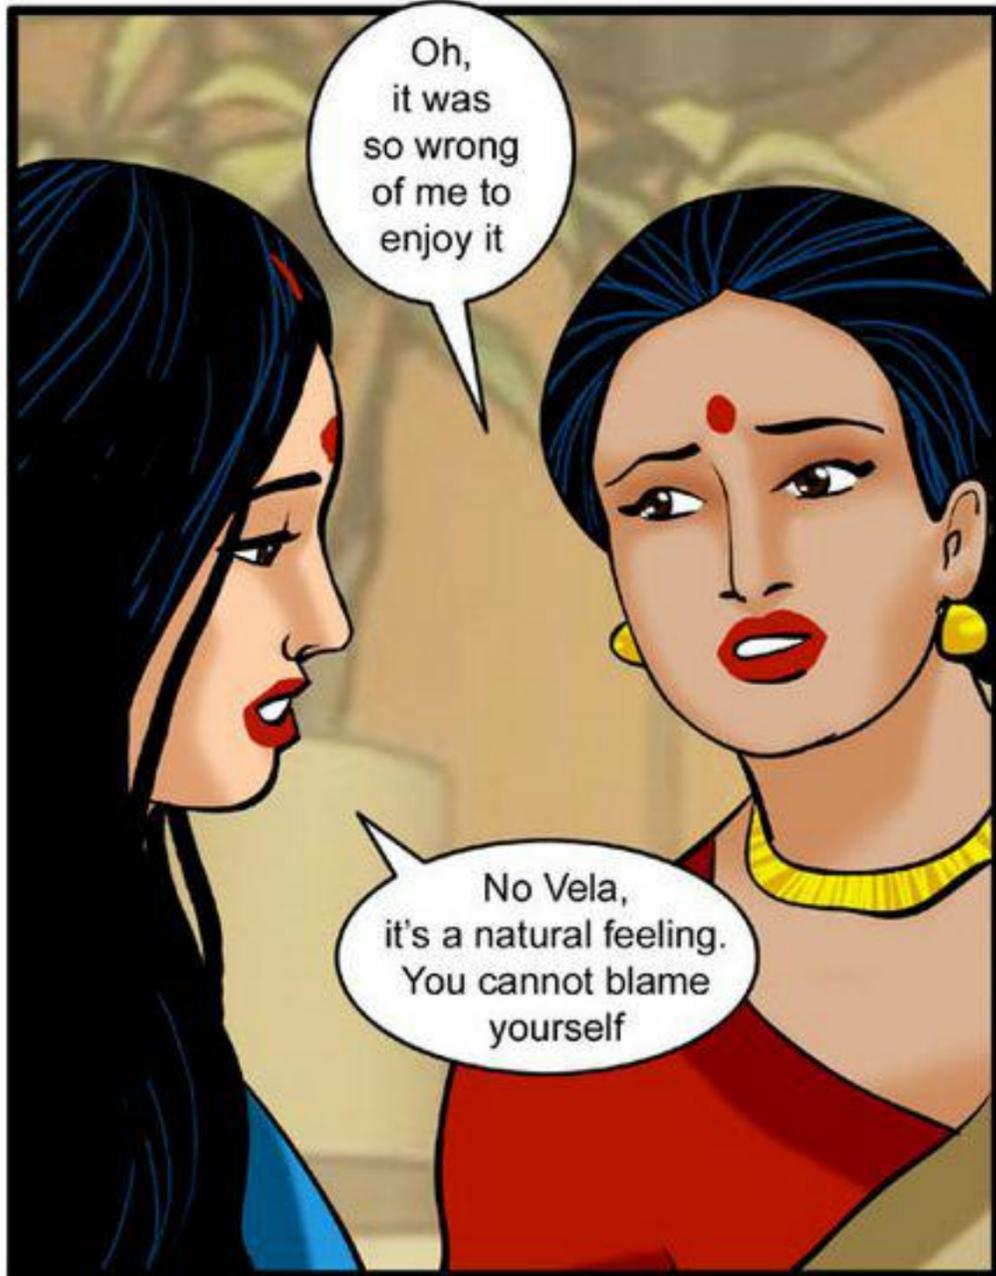

Oh no, never...

Apart from... maybe when he licked me down there

Tell me, did you enjoy it, any of it?

Oh, it was so wrong of me to enjoy it

No Vela, it's a natural feeling. You cannot blame yourself

Let me show you something

I want you to tell me in detail exactly what you and Prakash did and don't stop me from doing whatever I do

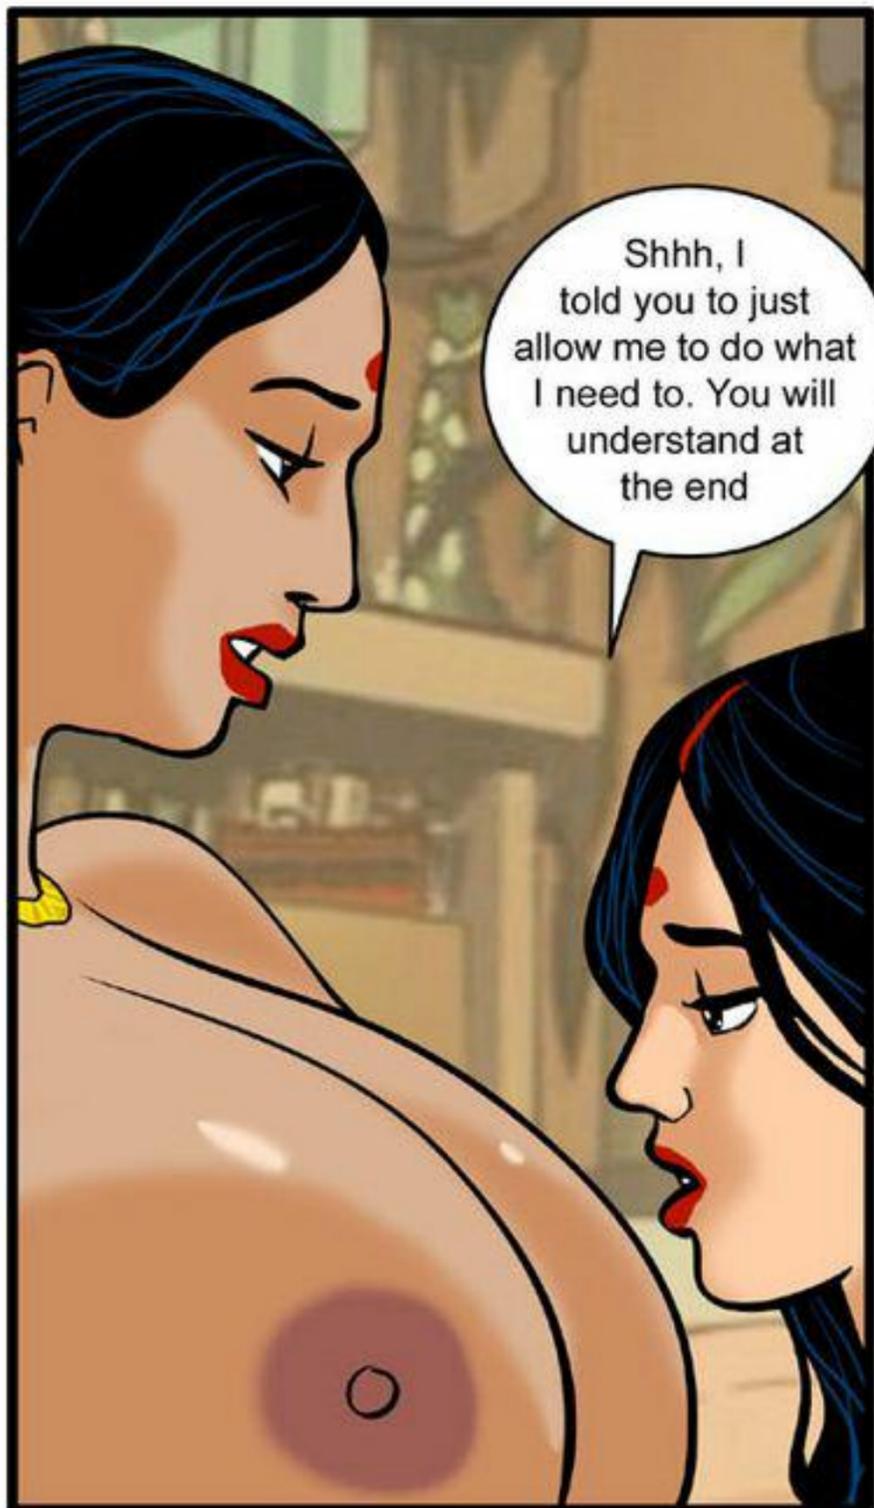

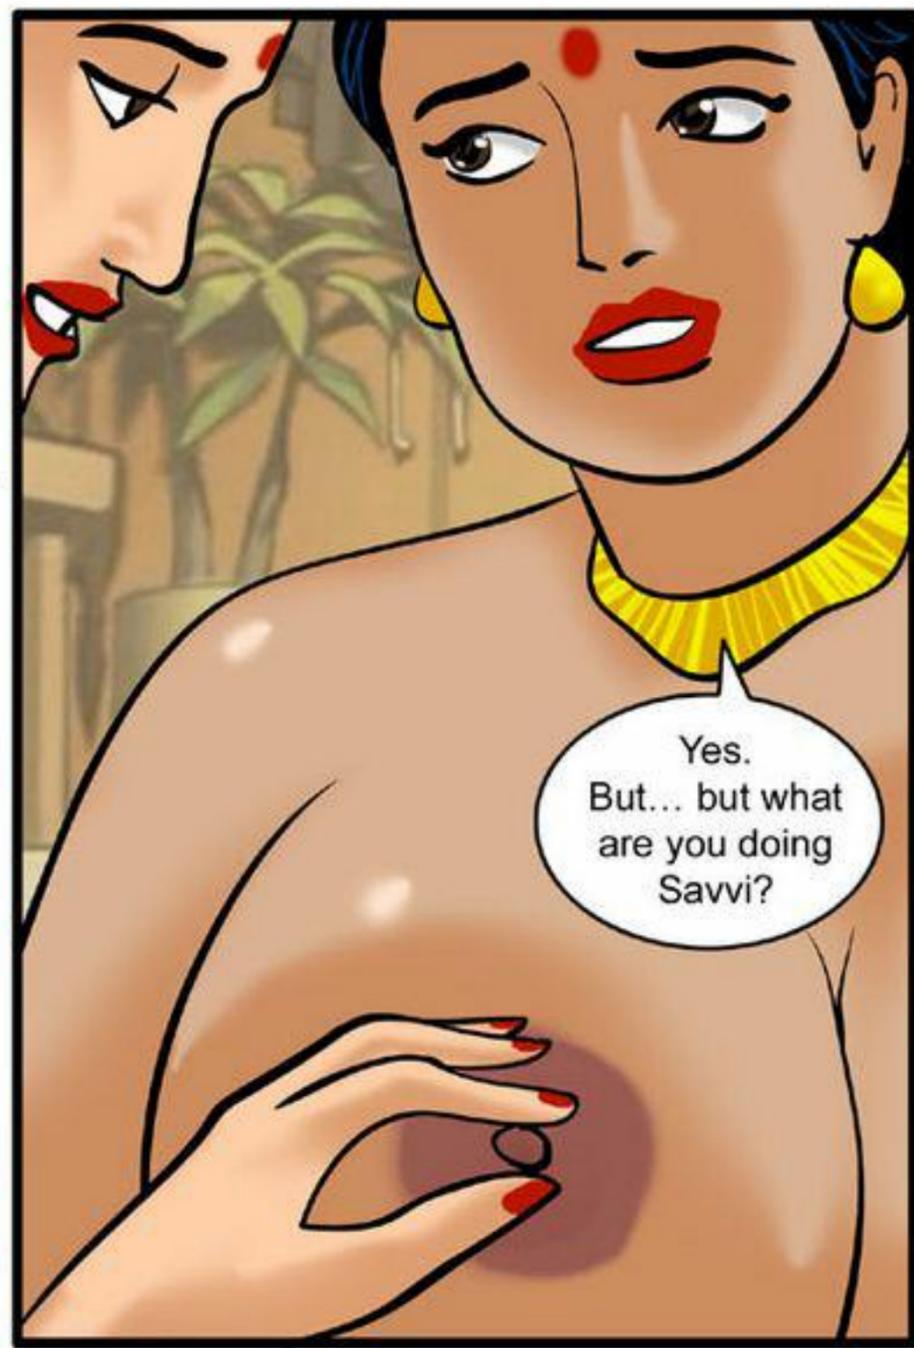

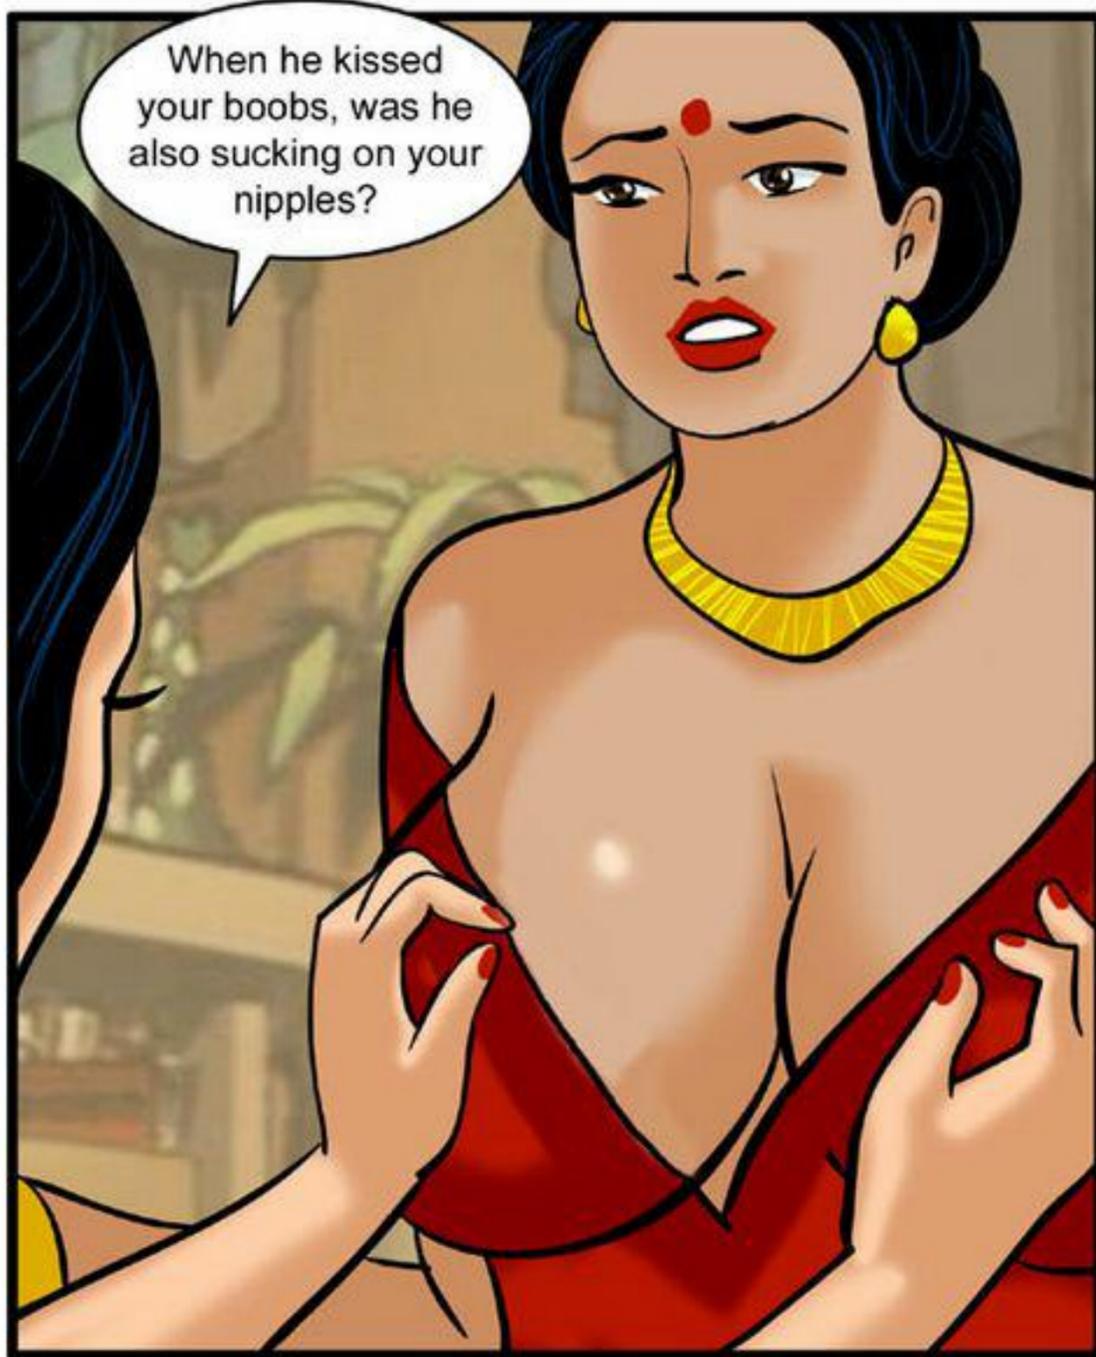

Ok, this one time when I was in the kitchen, he came from behind and was pressing my boobs

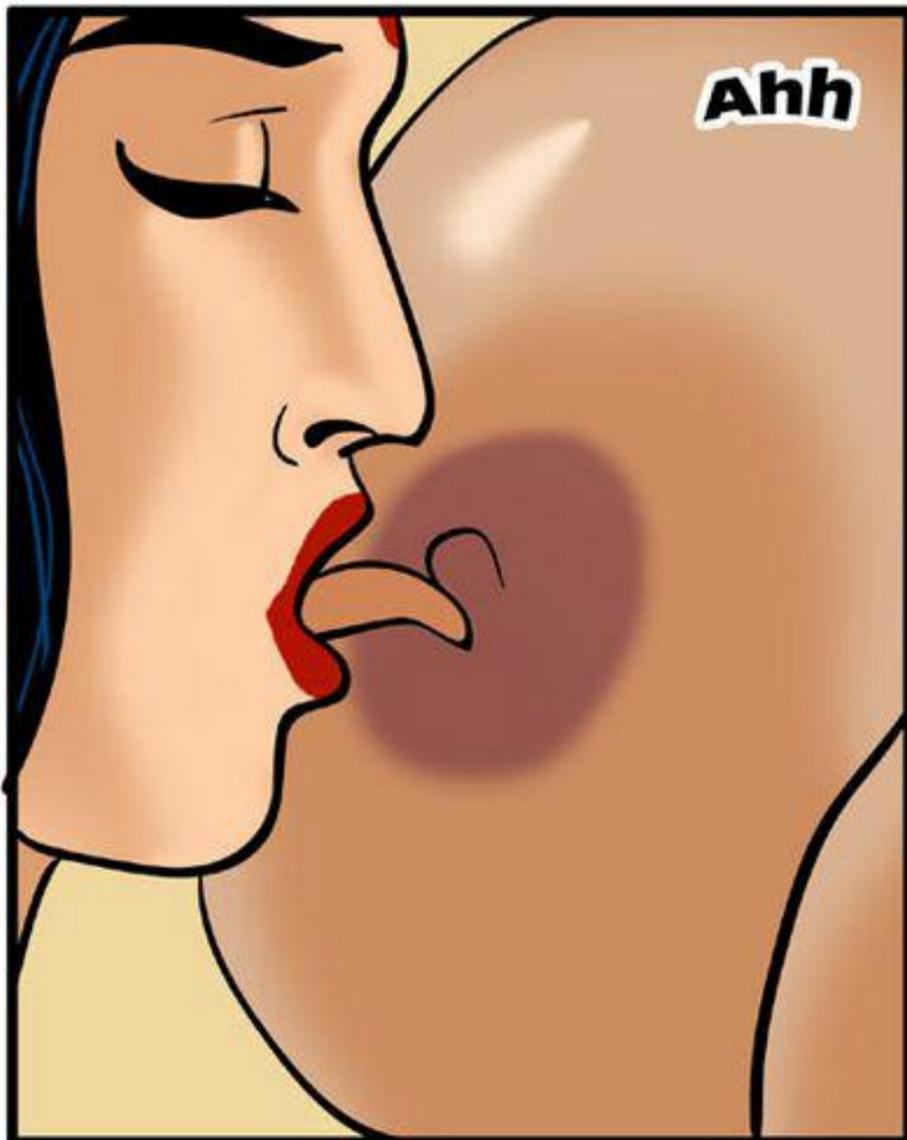

Was he pressing your boobs like this?

Yes. He then took off my blouse and was kissing them

Ahh

Was he groping your boobs like this? Was he gentle?

Y... y... yes... he did feel them, but...

But...?

...he was very rough and hard while pressing them...

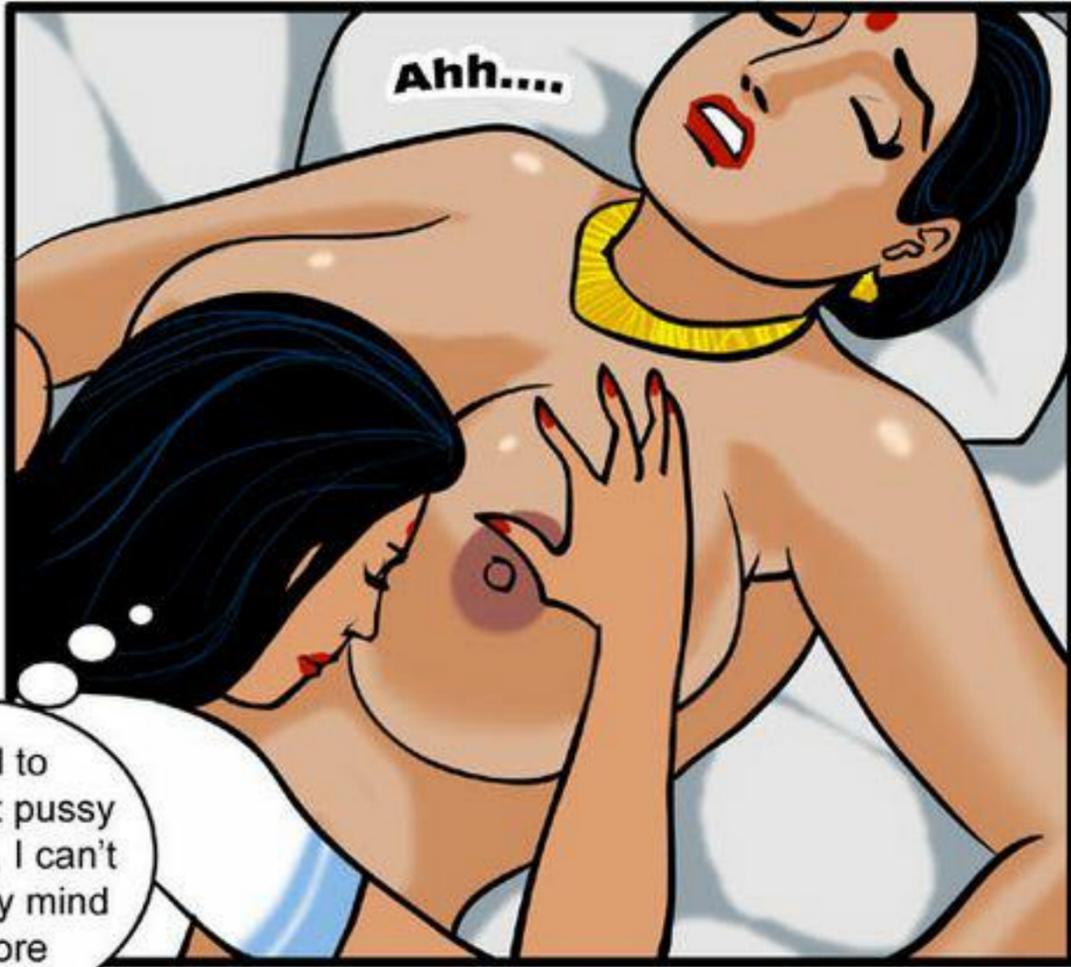

Like this...?

Ouch! That hurts...

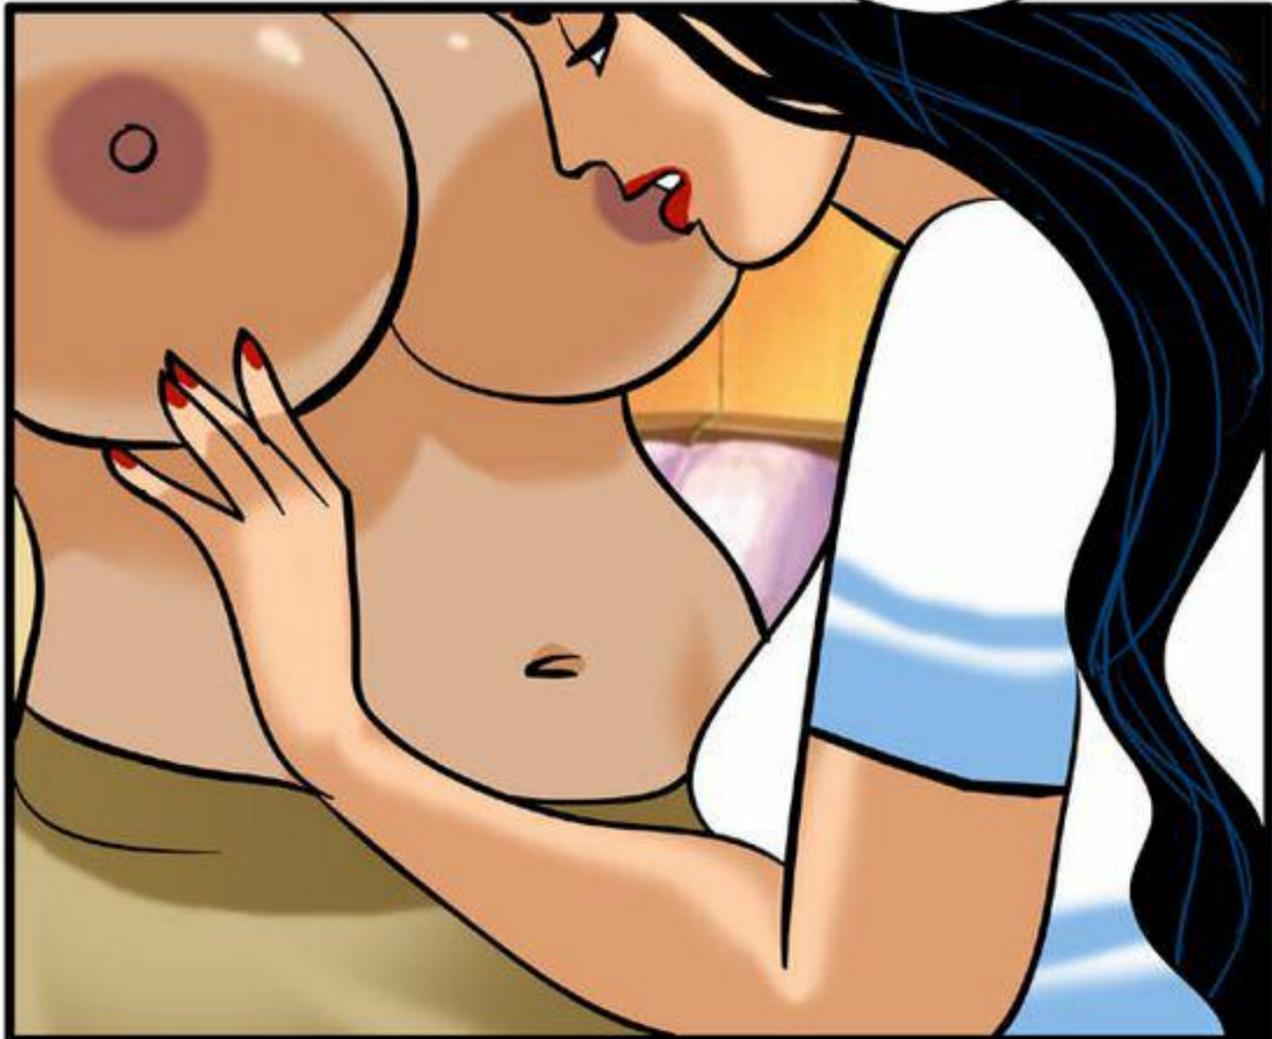

Again you go! Let me do my thing first

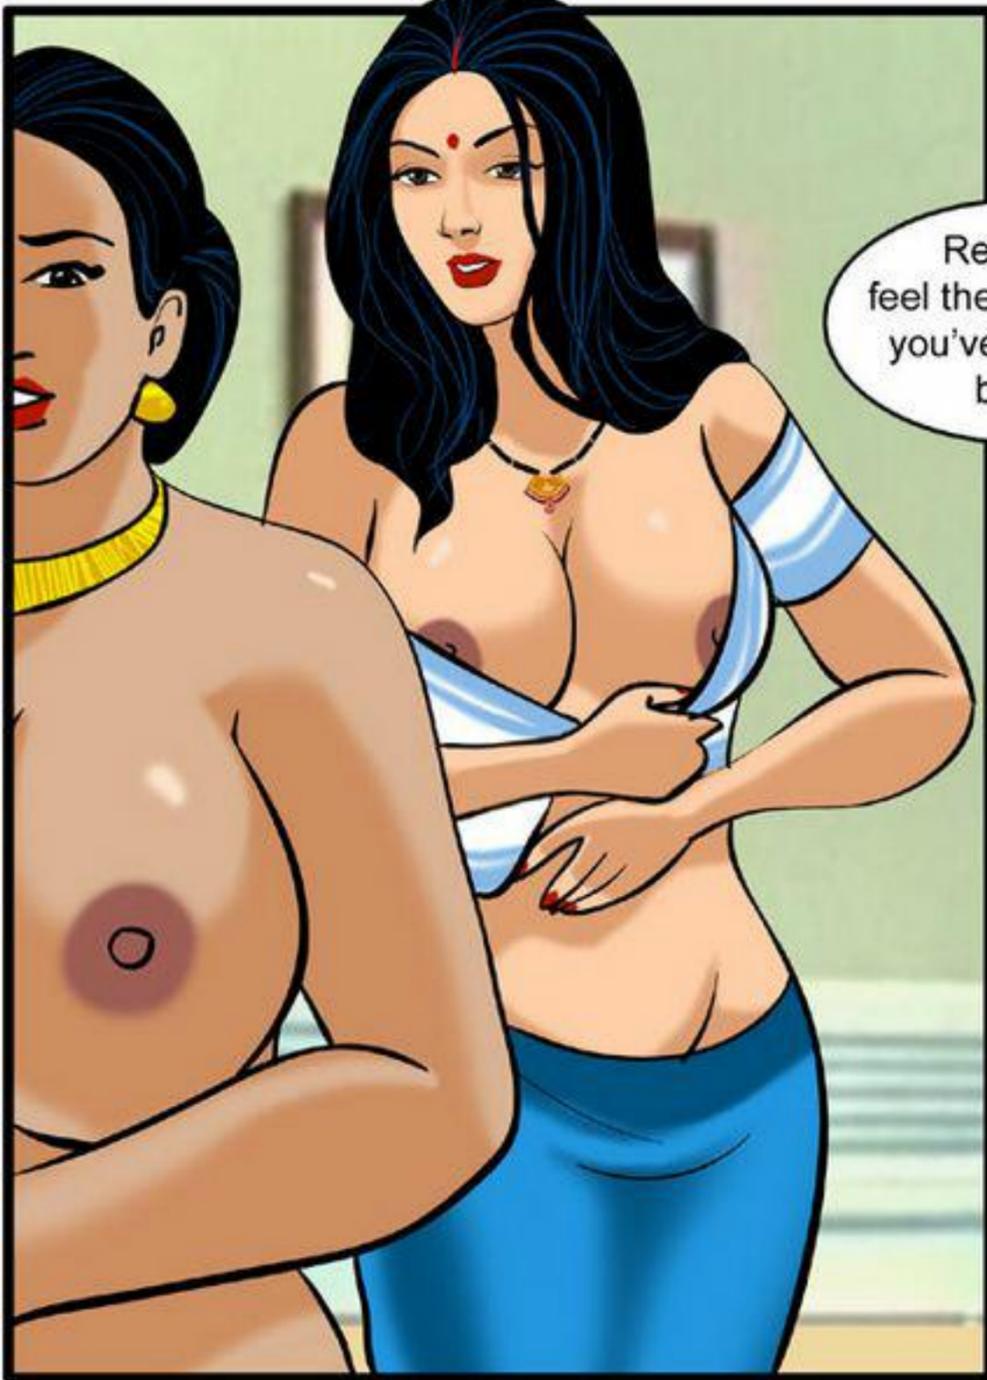

Just relax Vela, I'm just trying to understand what happened that day

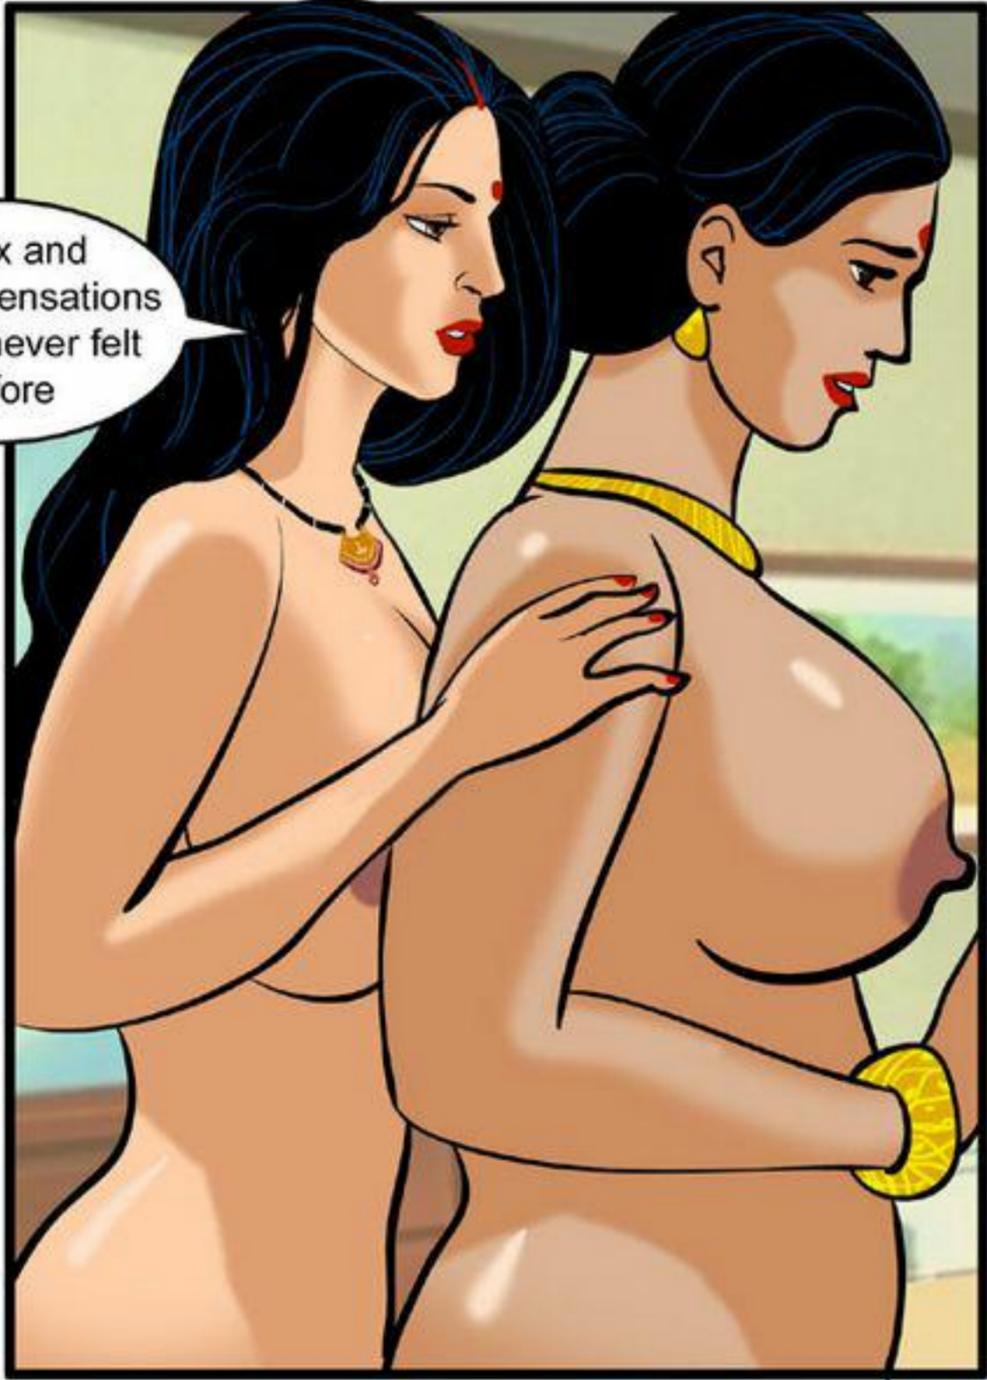

I need to get to that pussy somehow, I can't control my mind anymore

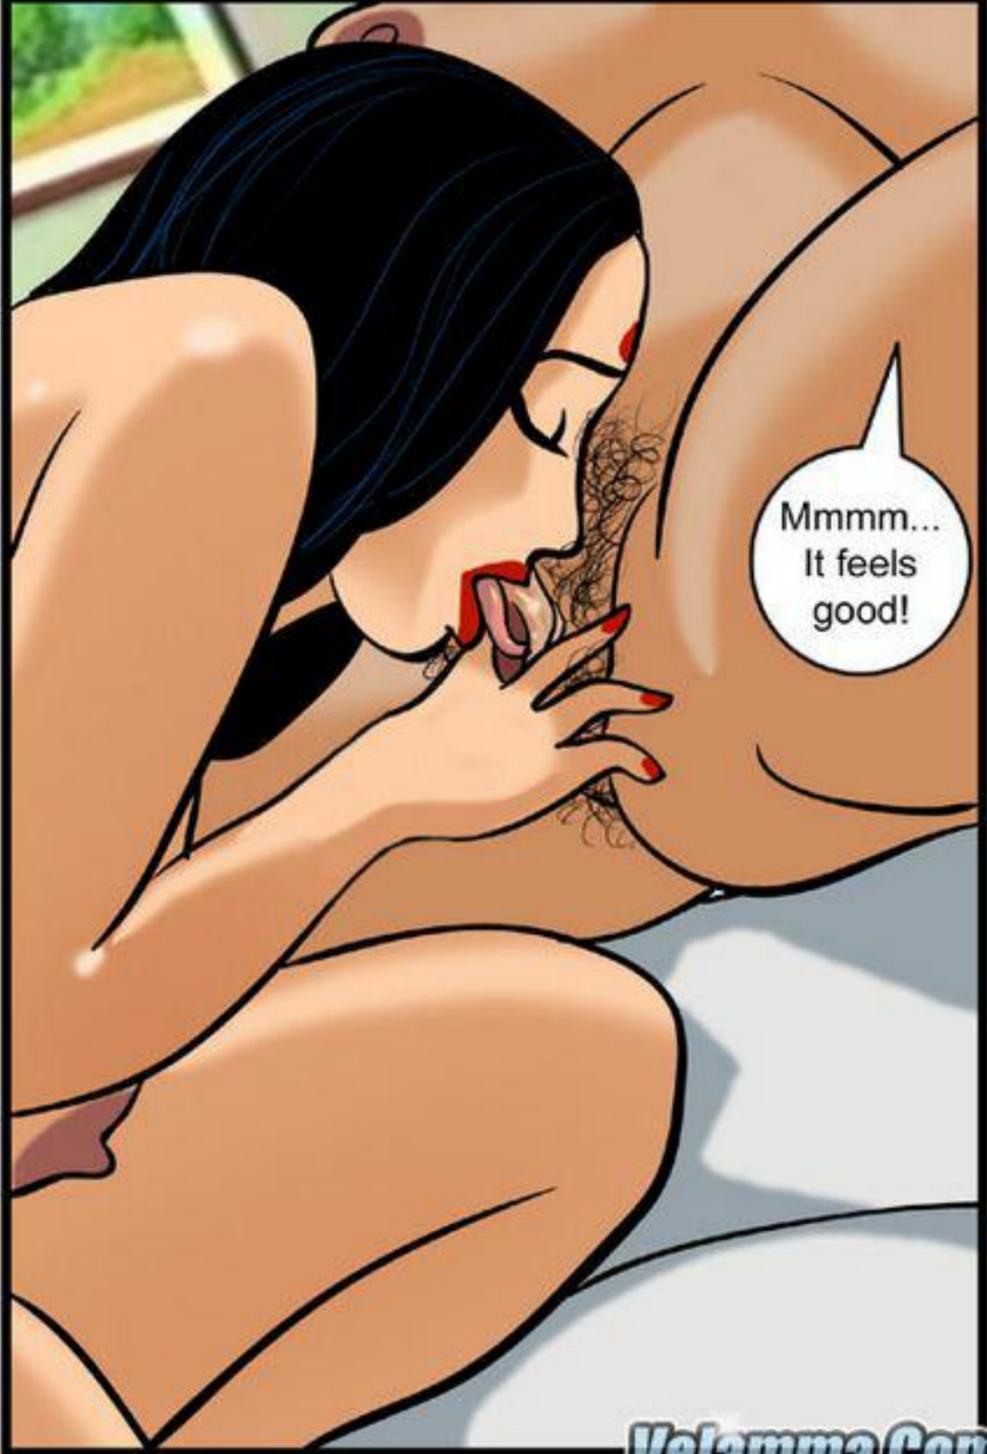

Relax and feel the sensations you've never felt before

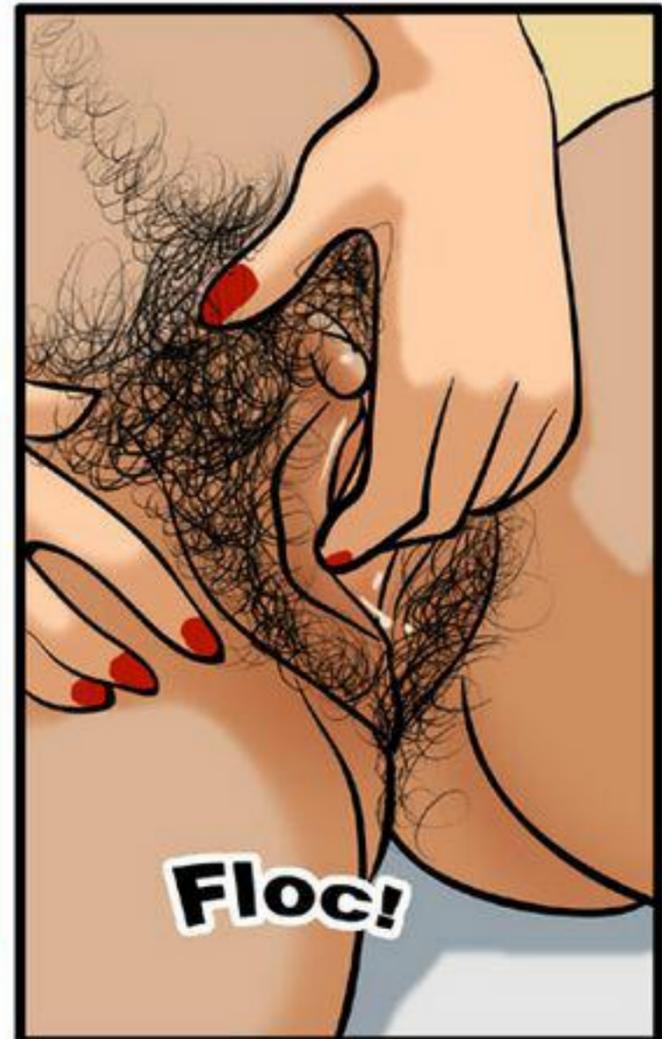

Are you sure? Do we need to do this?

Yes! Believe me, it's nothing wrong

Mmmm... It feels good!

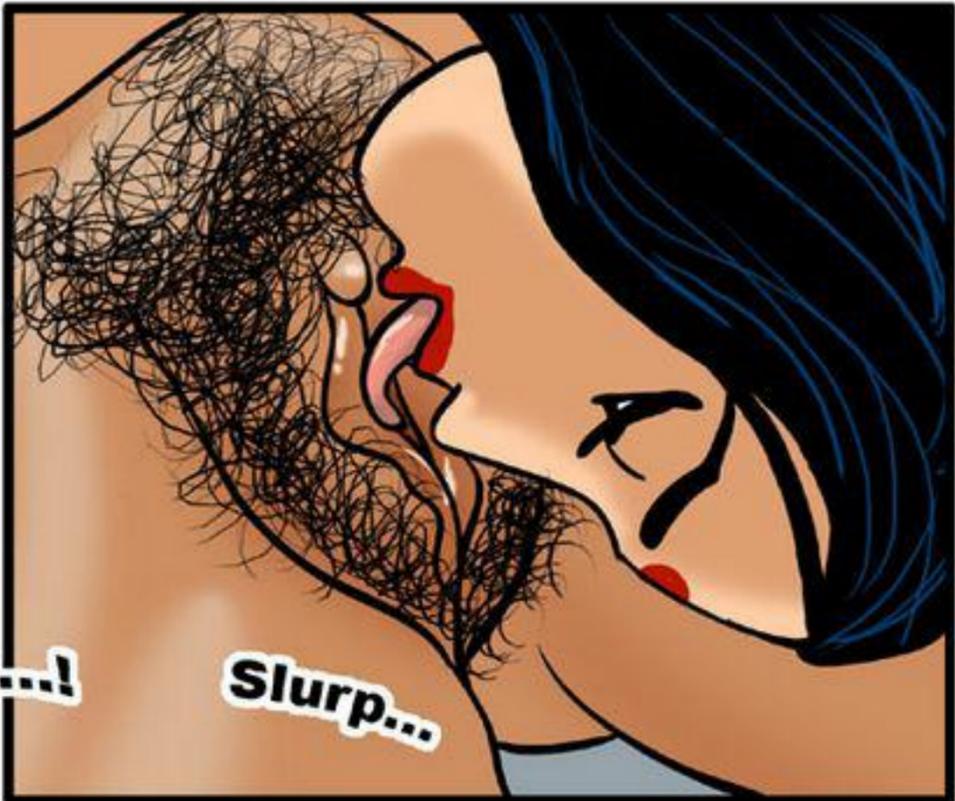

If I can get her heated up, then maybe I can have some fun as well

Slurp...

Slurp... plopp...!

Slurp...

I am doing wrong by allowing her to lick my pussy. This shouldn't happen

Let's heat up this action a bit more

What are you doing?

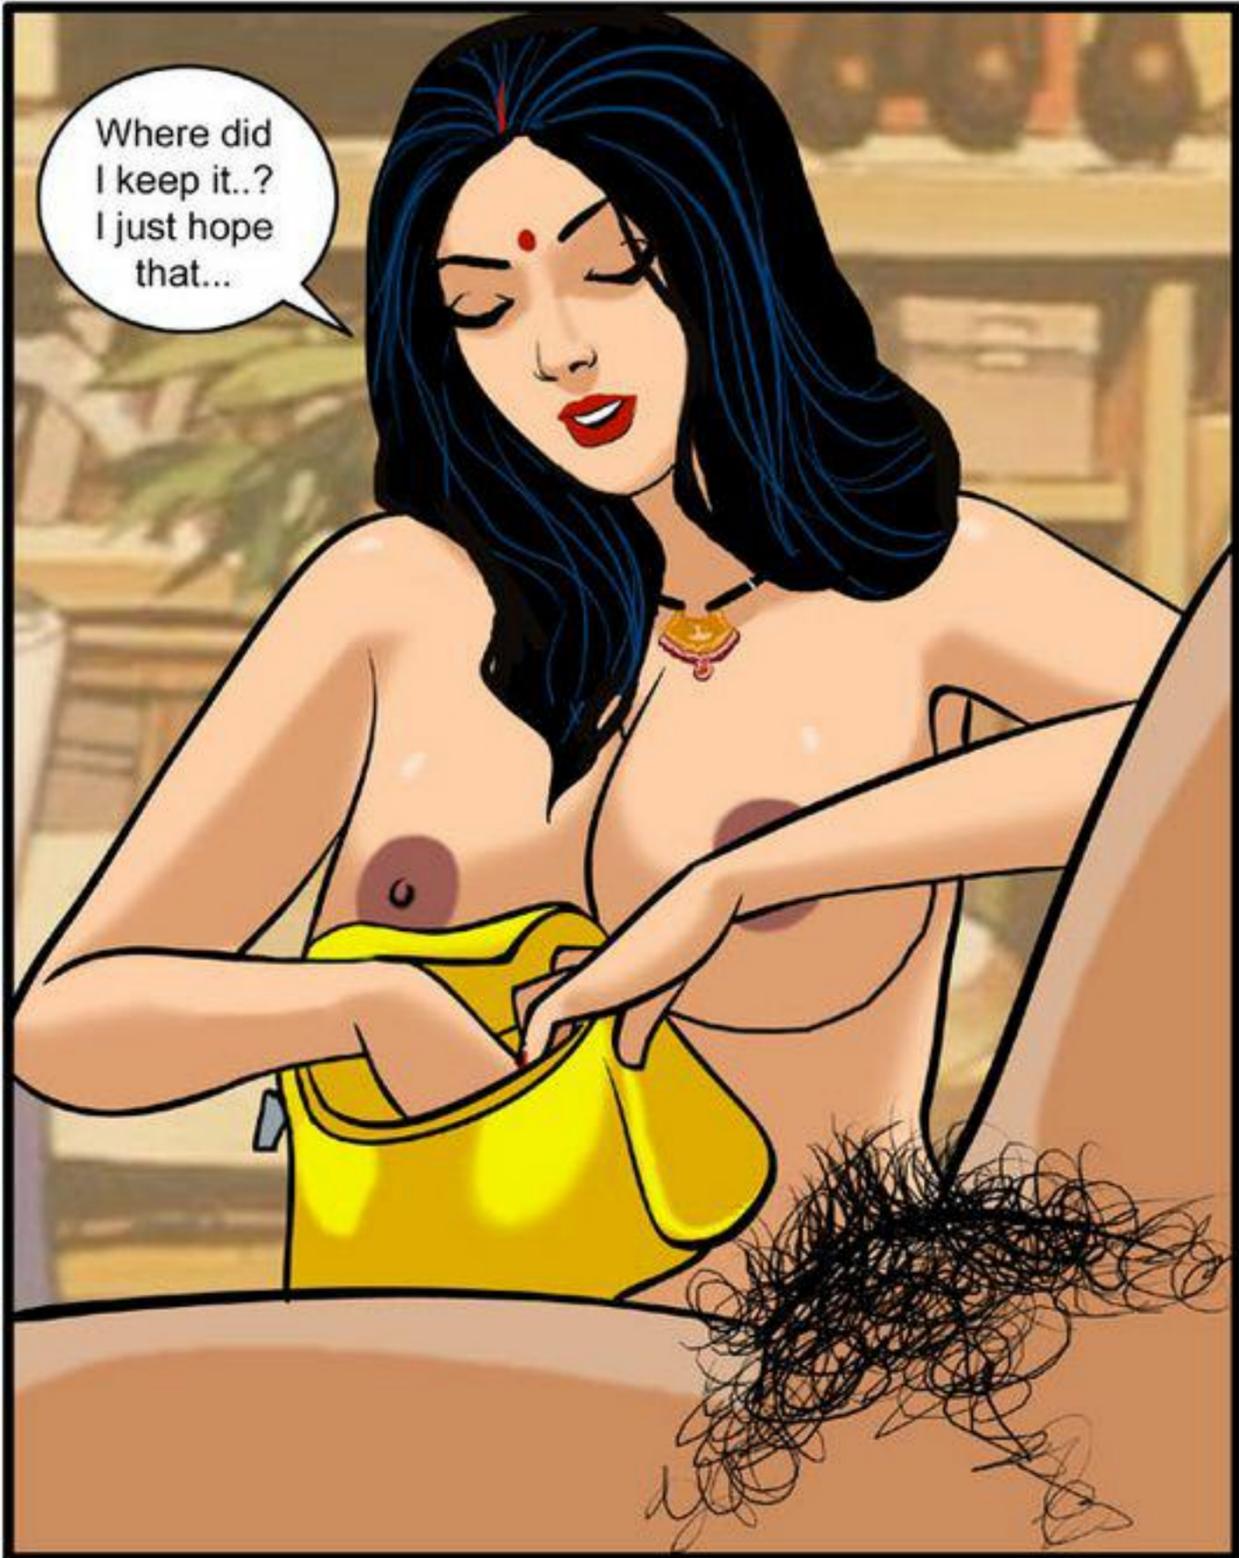

Getting something that would help...

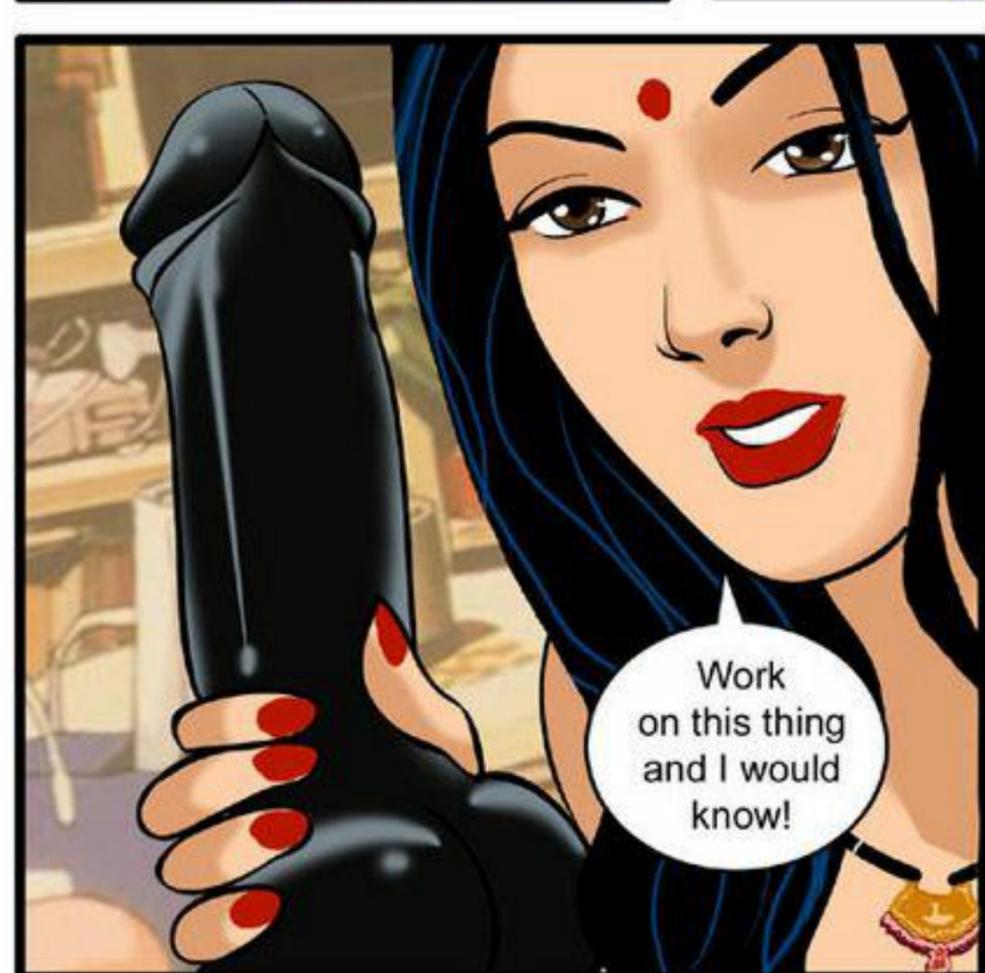

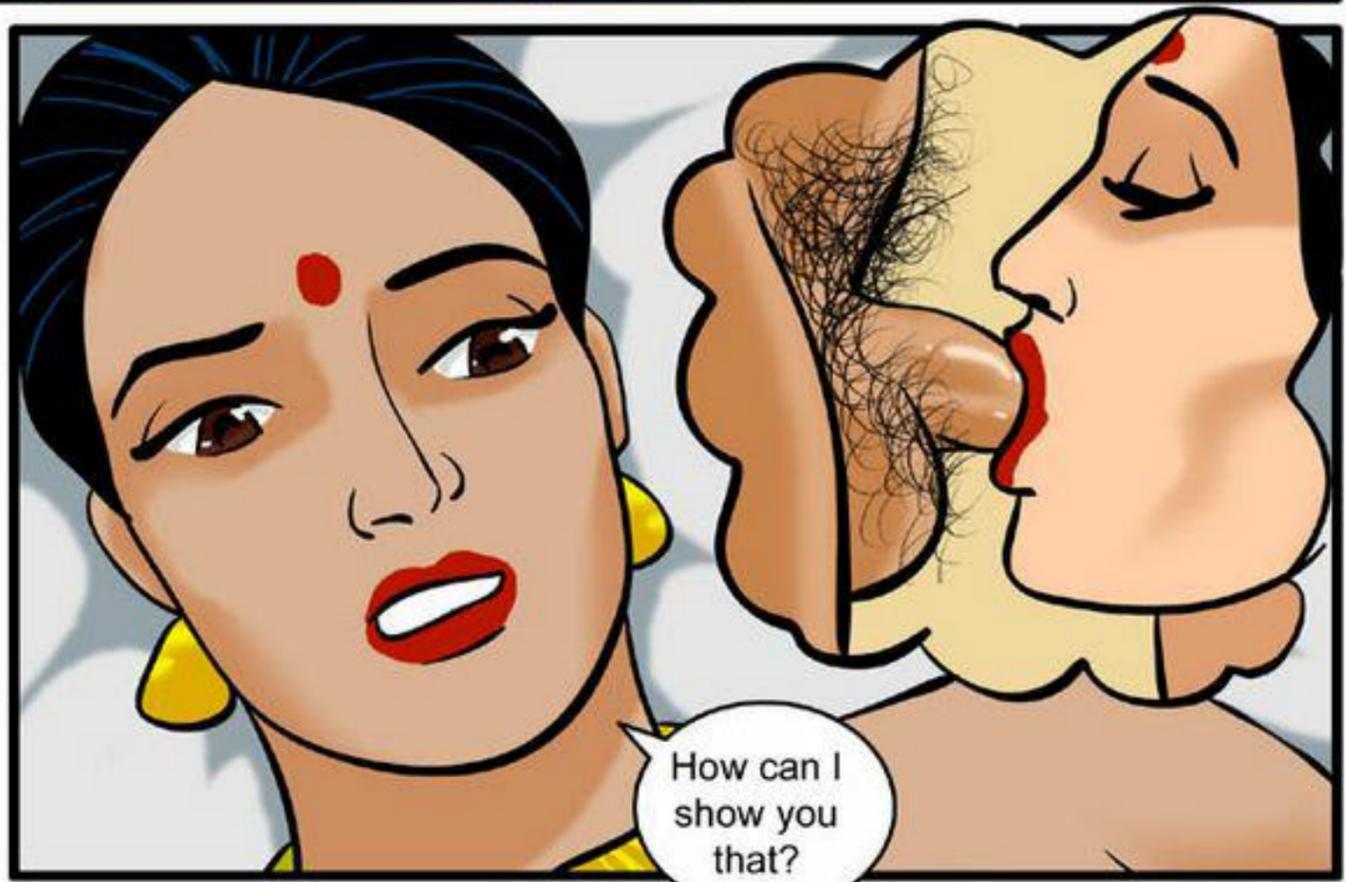

Help what?

To understand what happened that day, more closely...

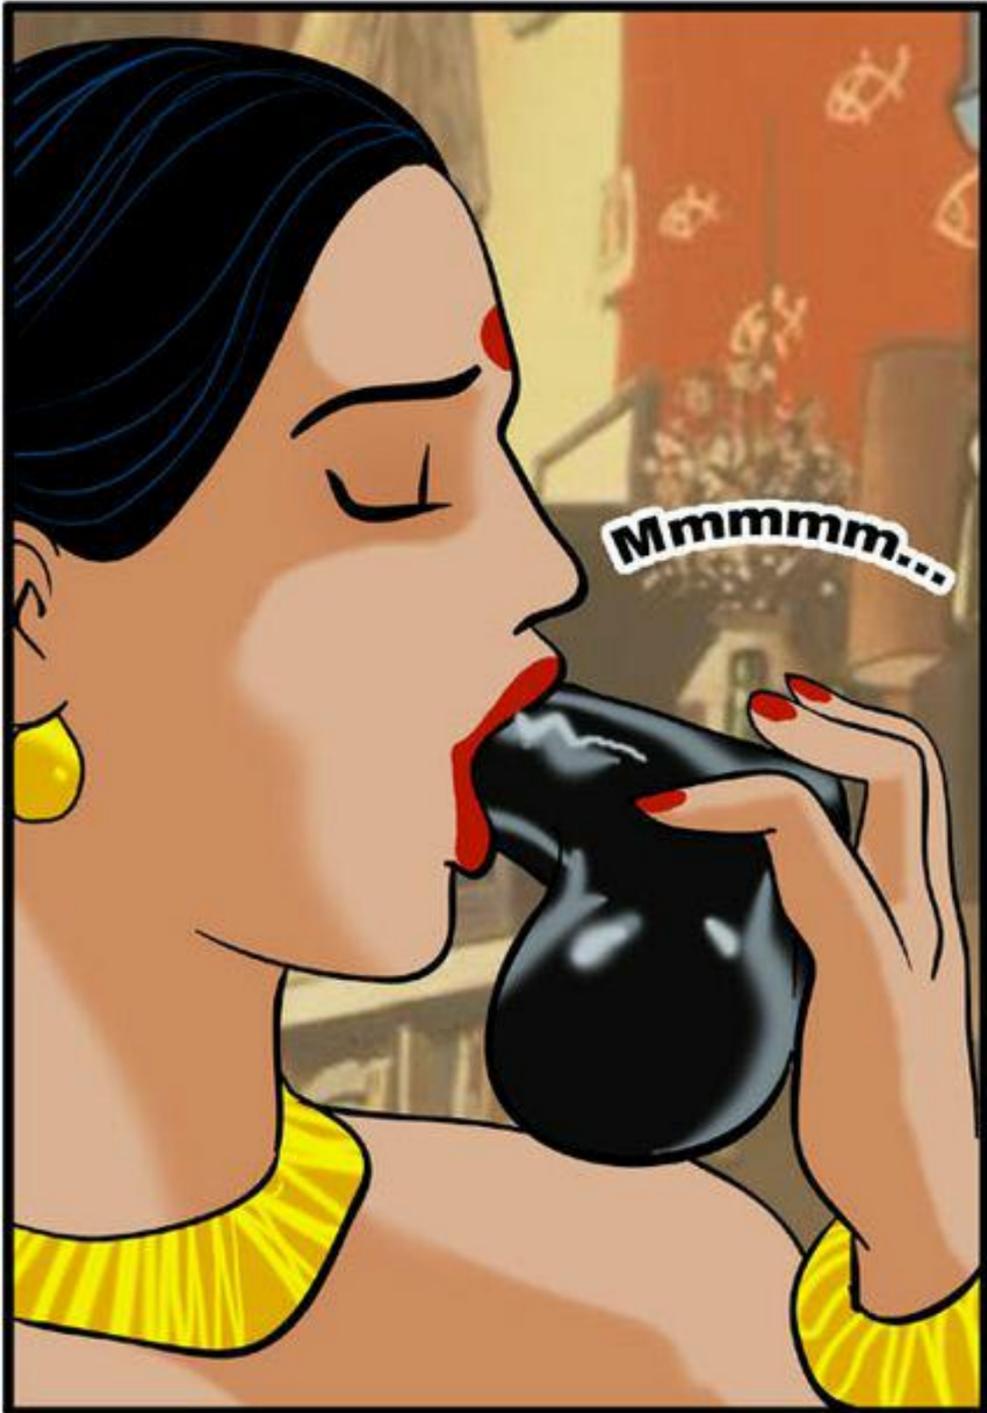

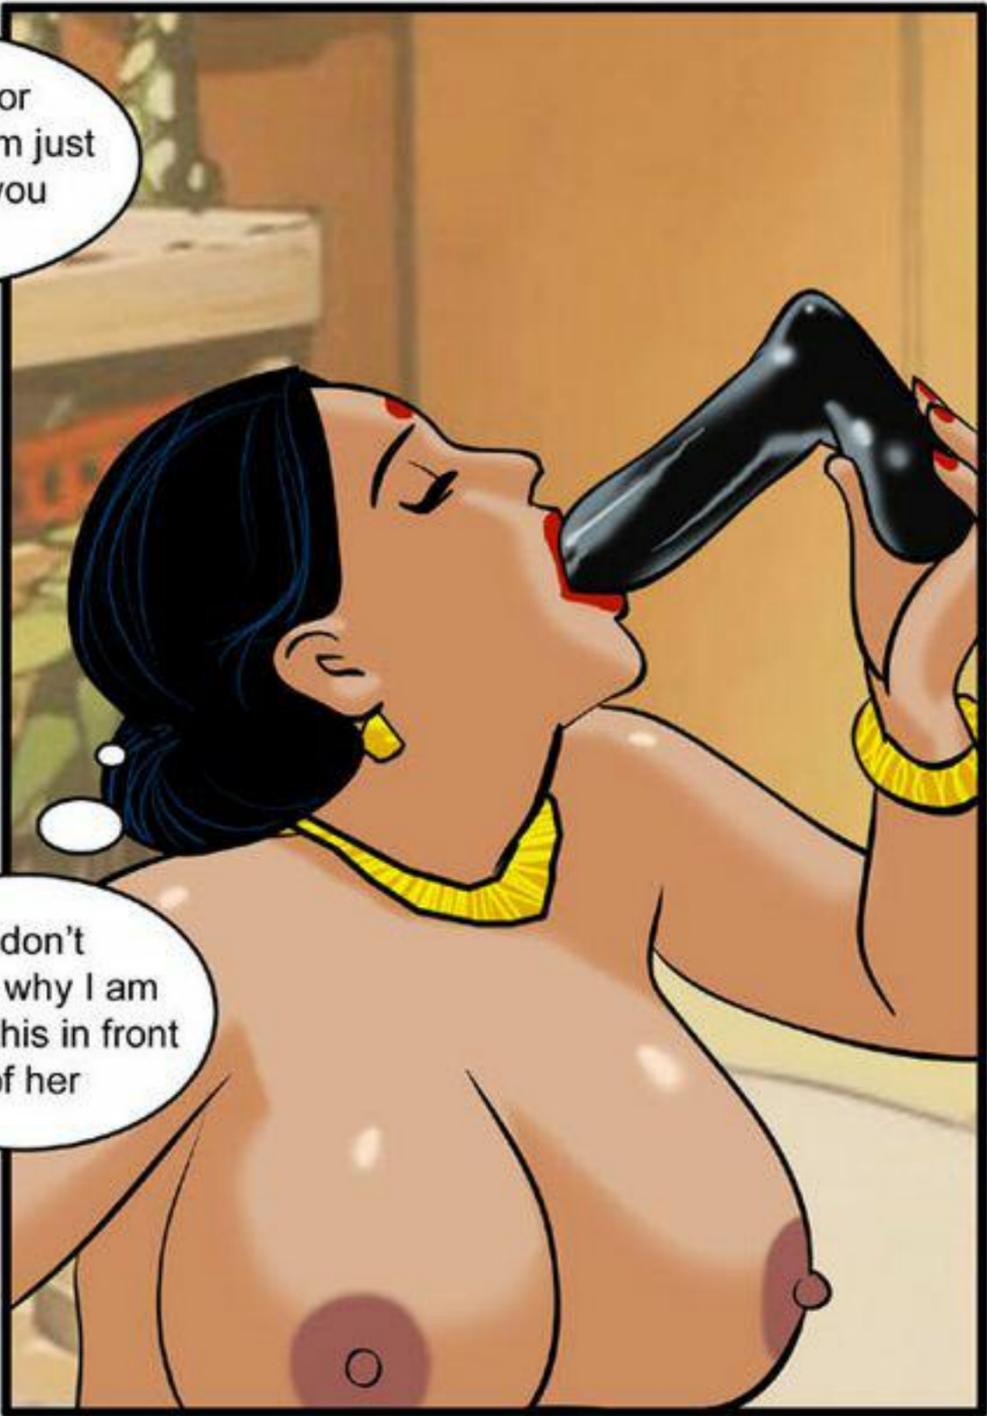

Don't be shy or uncomfortable, I'm just trying to help you out

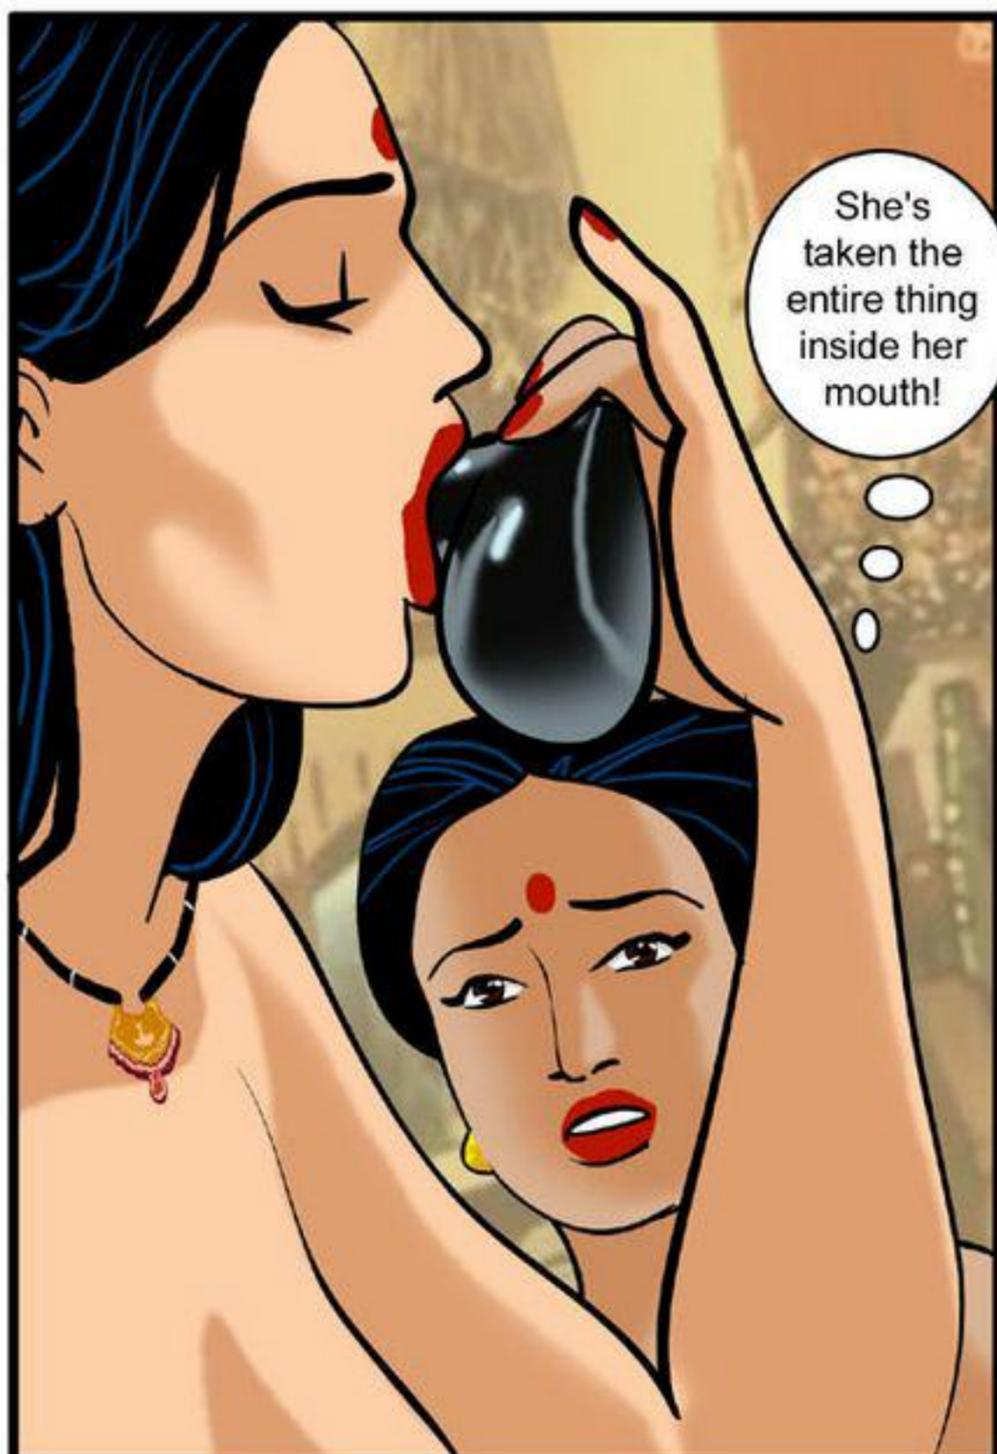

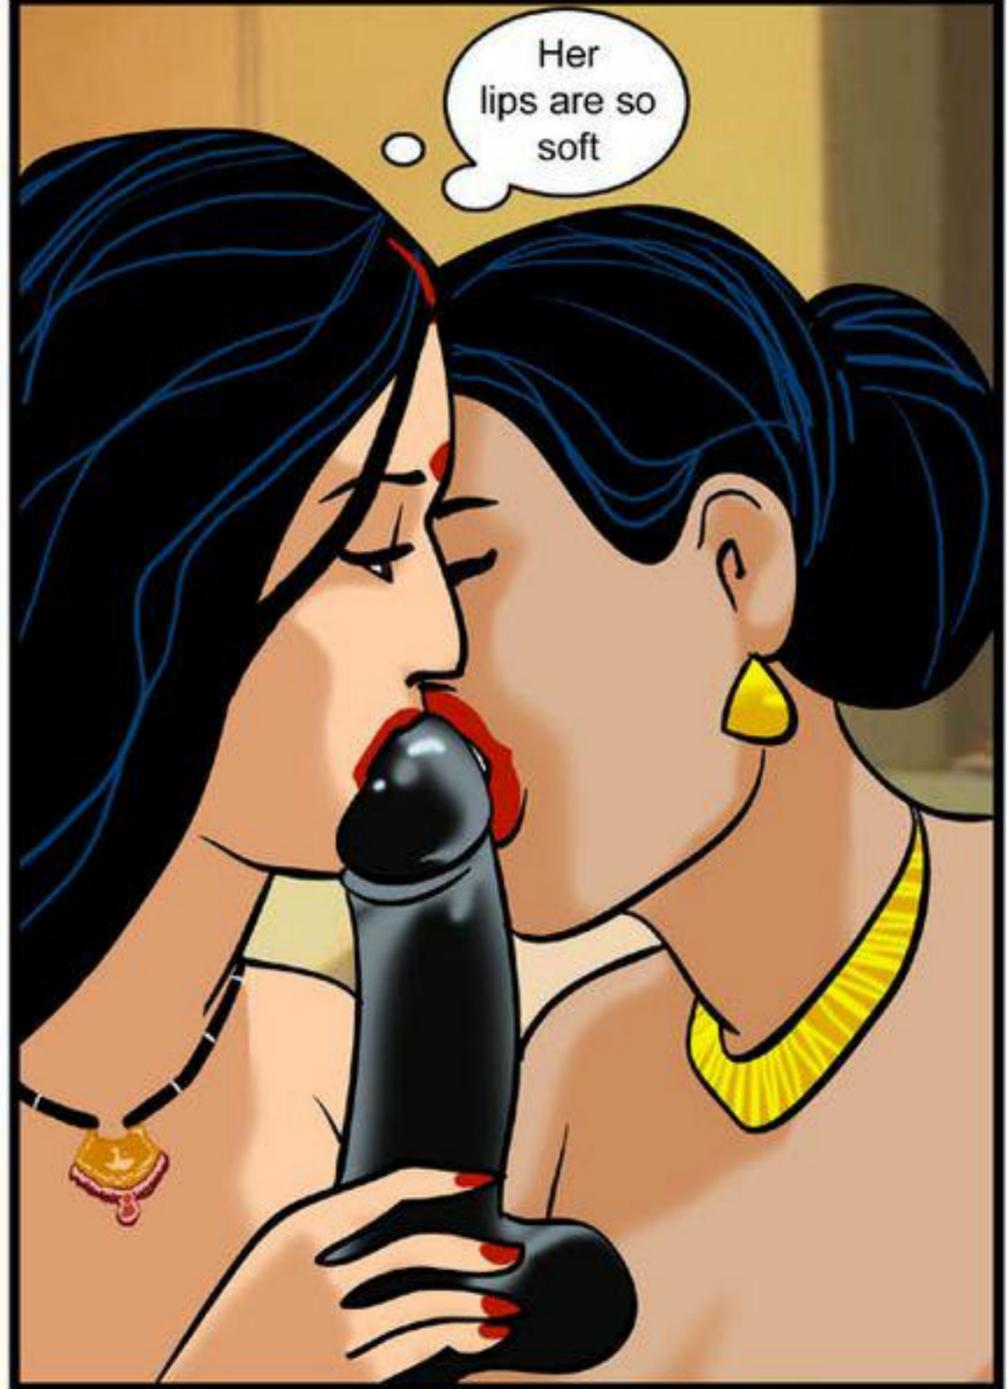

I don't know why I am doing this in front of her

Mmmmm...

No no, Vela. You are doing it all wrong
Let me show you how it's done

What are you doing?

Just trying to get you to feel the same sensations you felt that day

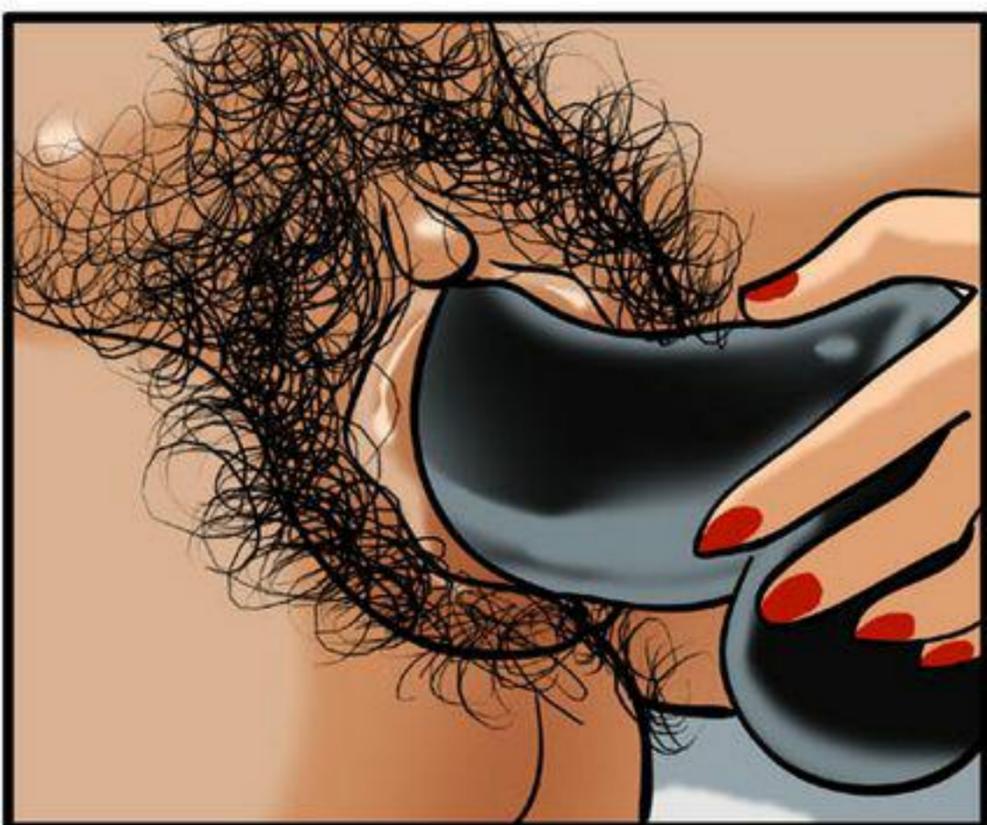

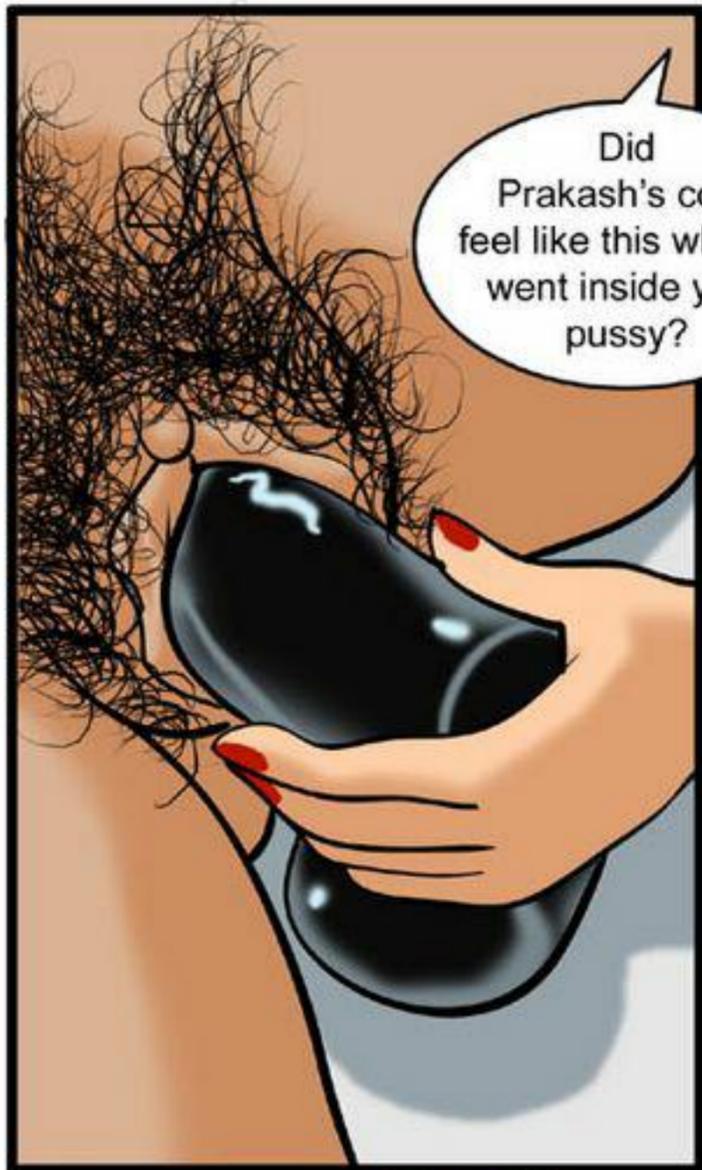

Mmmm...
Slush Slush

I can feel her wetness on my pussy. Time to use the dildo now

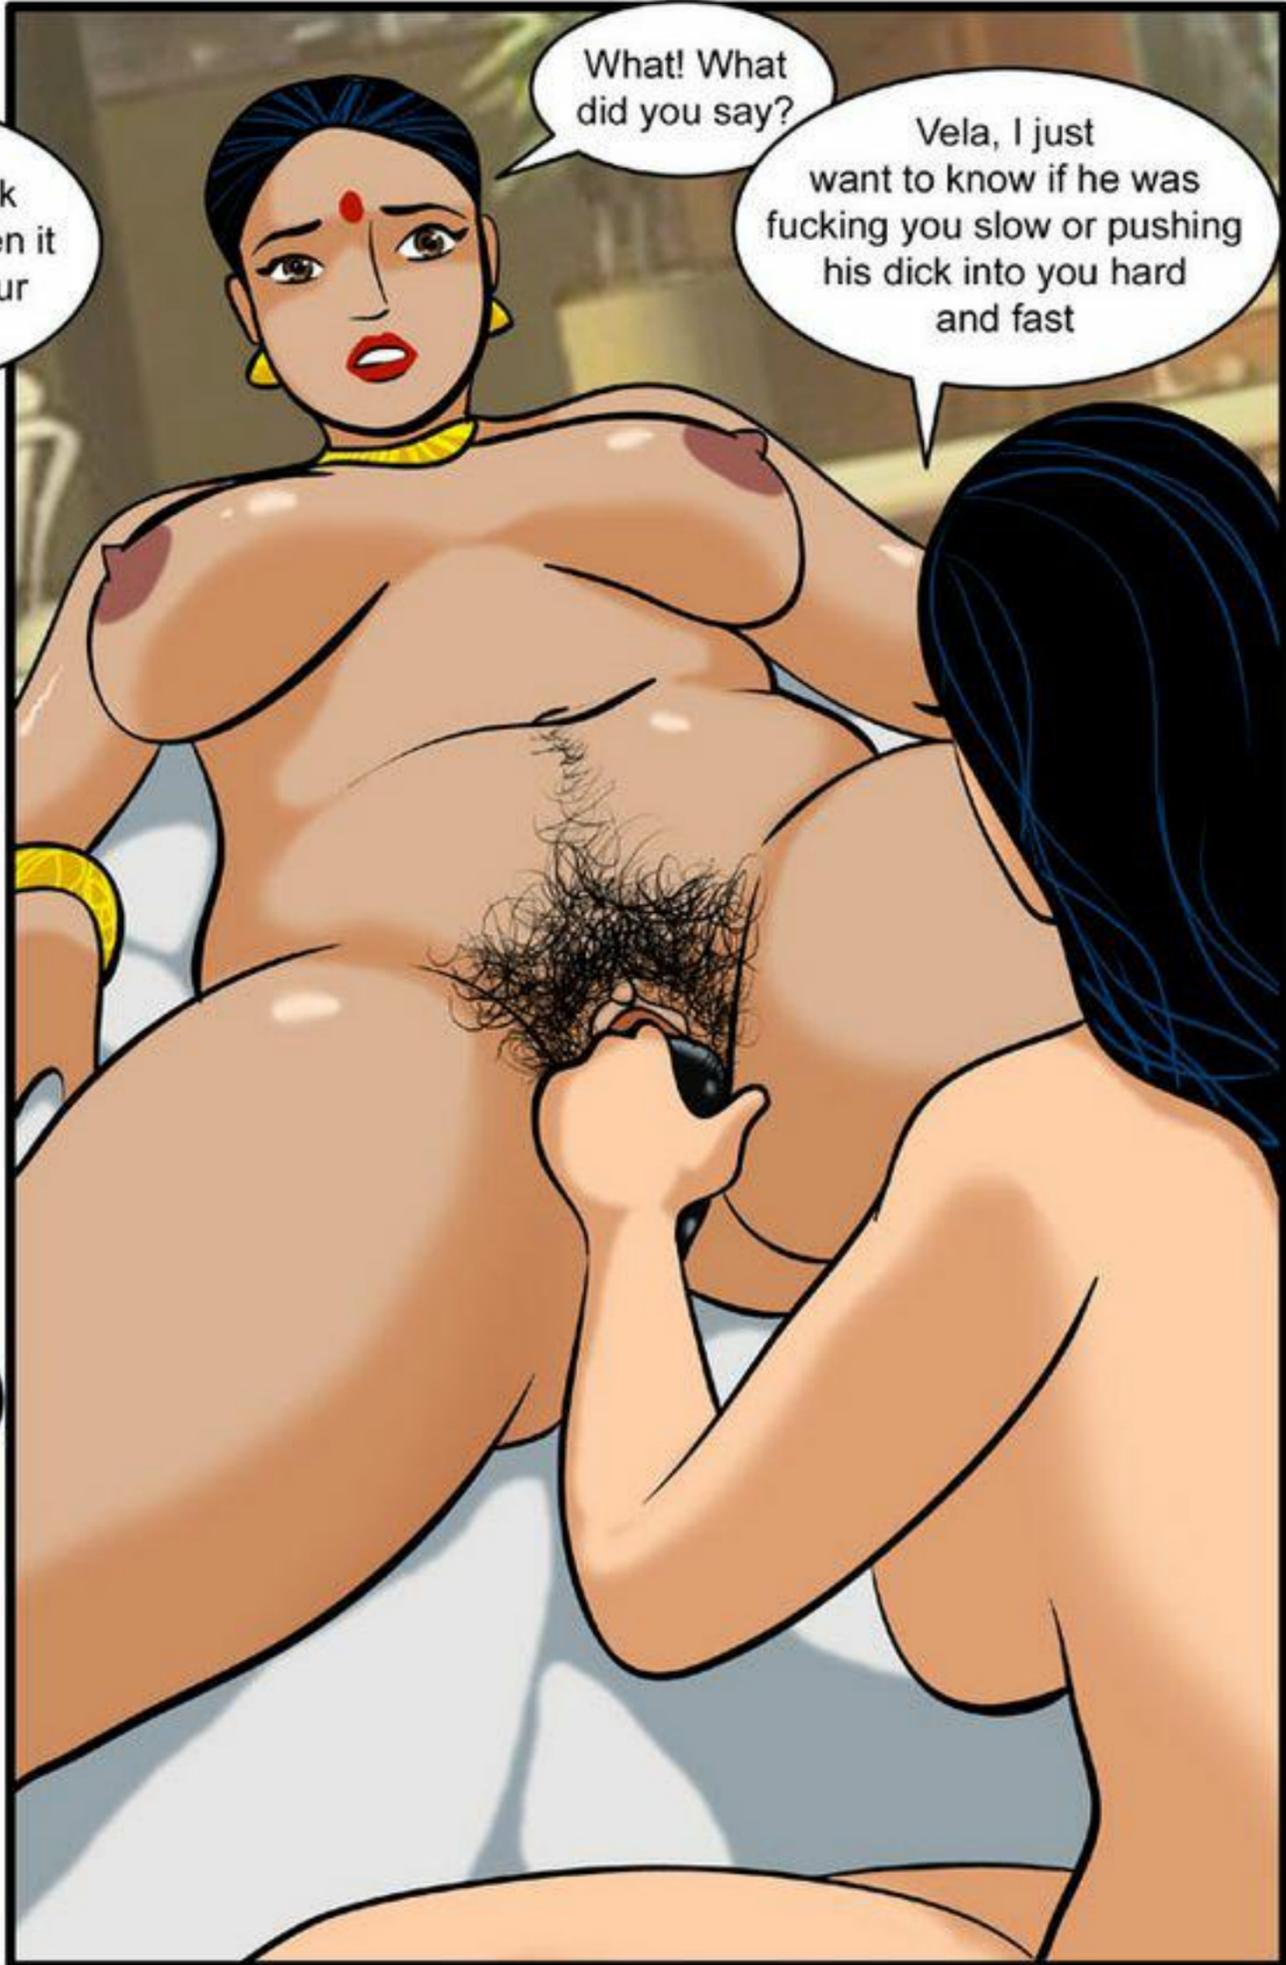

That's perfect Vela, now give me the dildo and lay back

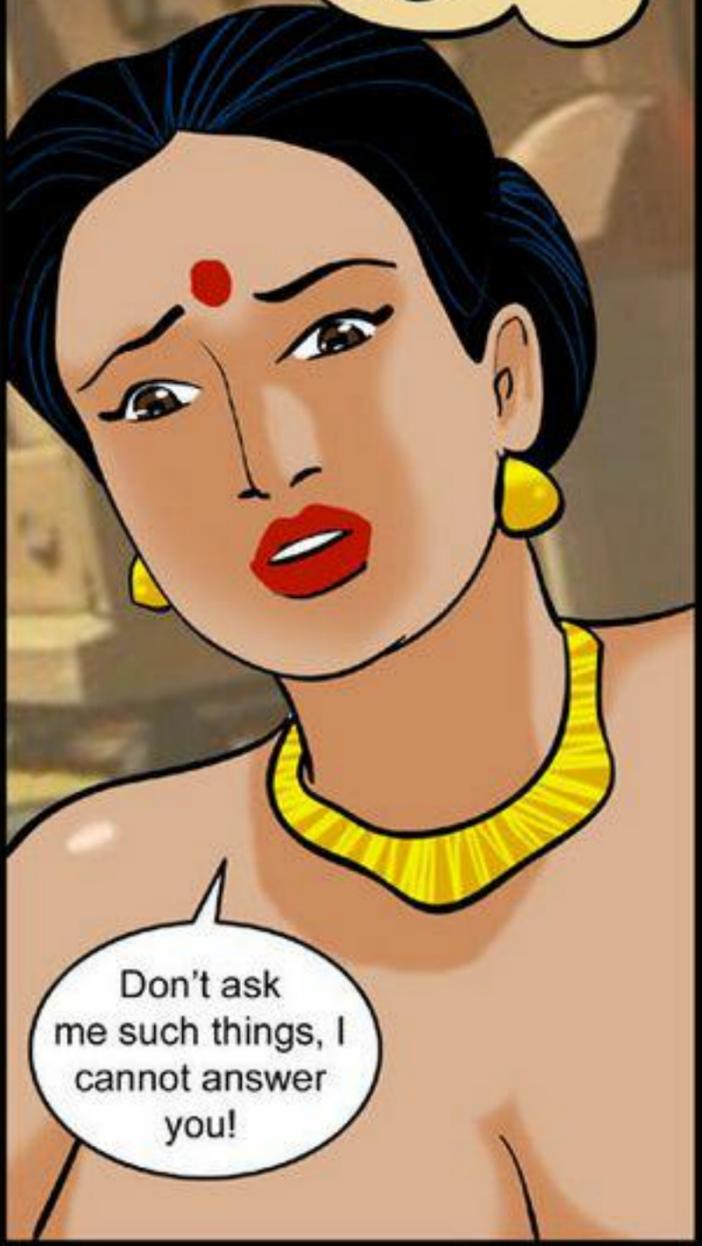

Did Prakash's cock feel like this when it went inside your pussy?

What! What did you say?

Vela, I just want to know if he was fucking you slow or pushing his dick into you hard and fast

Don't ask me such things, I cannot answer you!

Okay. Then I have to find that out on my own

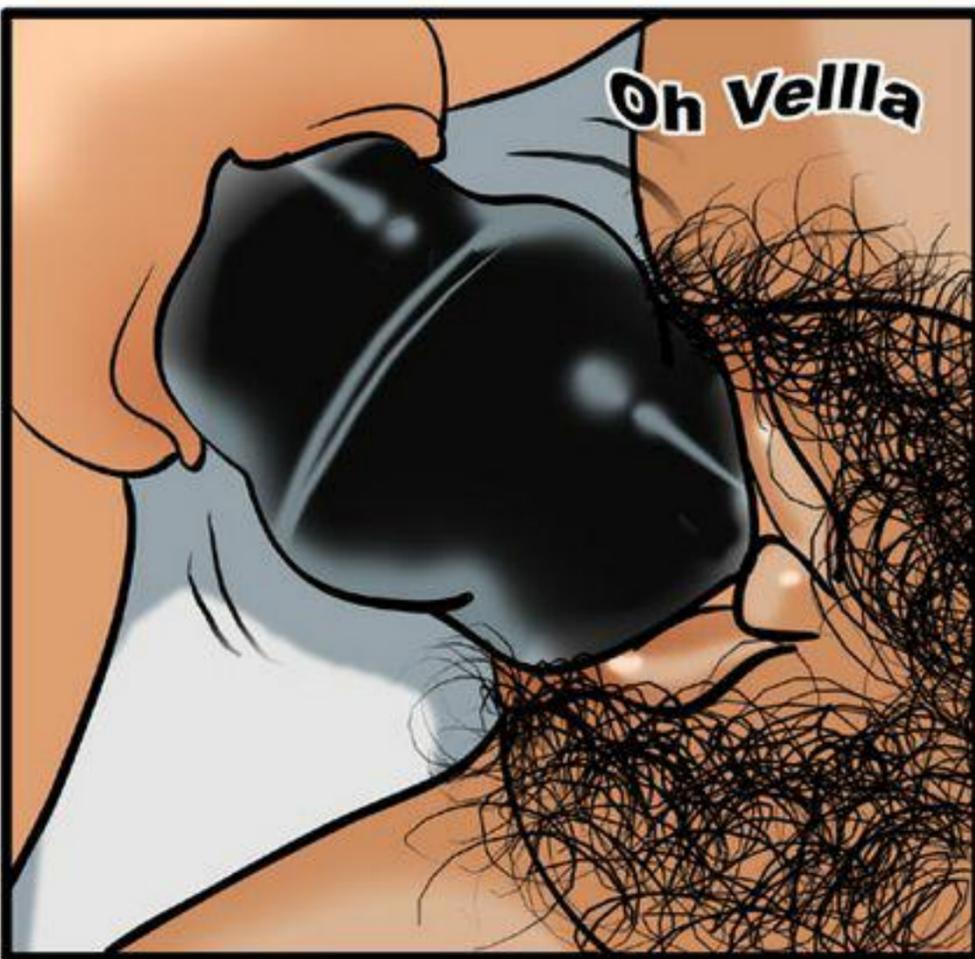

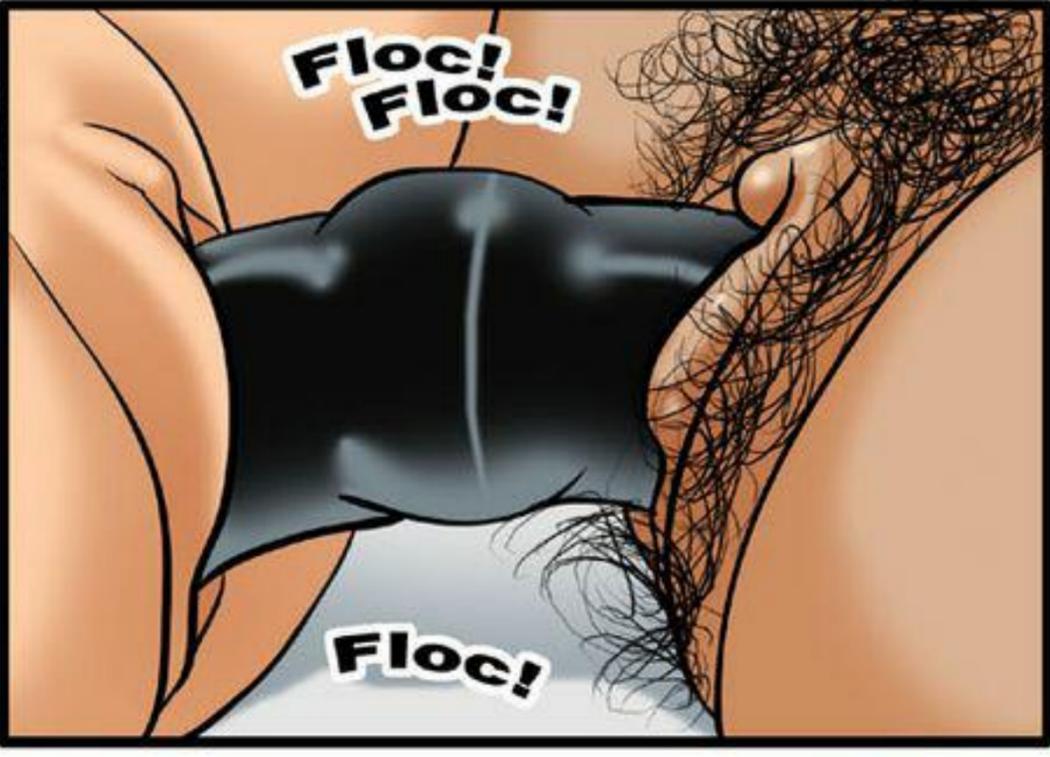

Ahhhhh...

Push the dildo right into my pussy Vela
I want it deep inside me

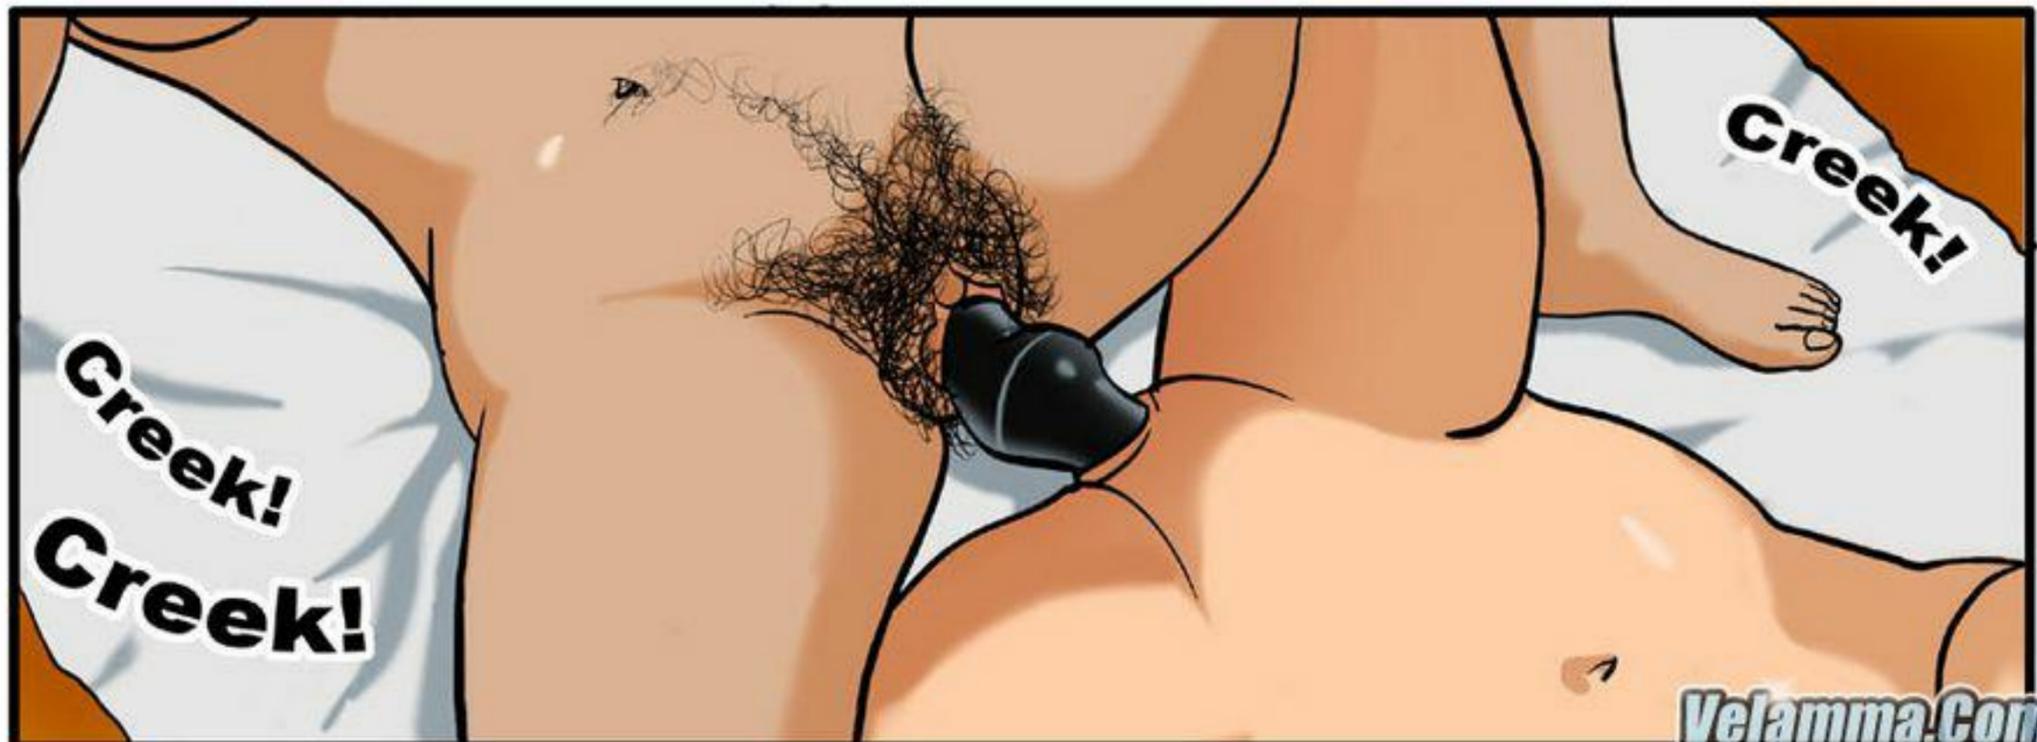

Floc!
Floc!
Floc!

Ahh...ahh...!!
Floc!

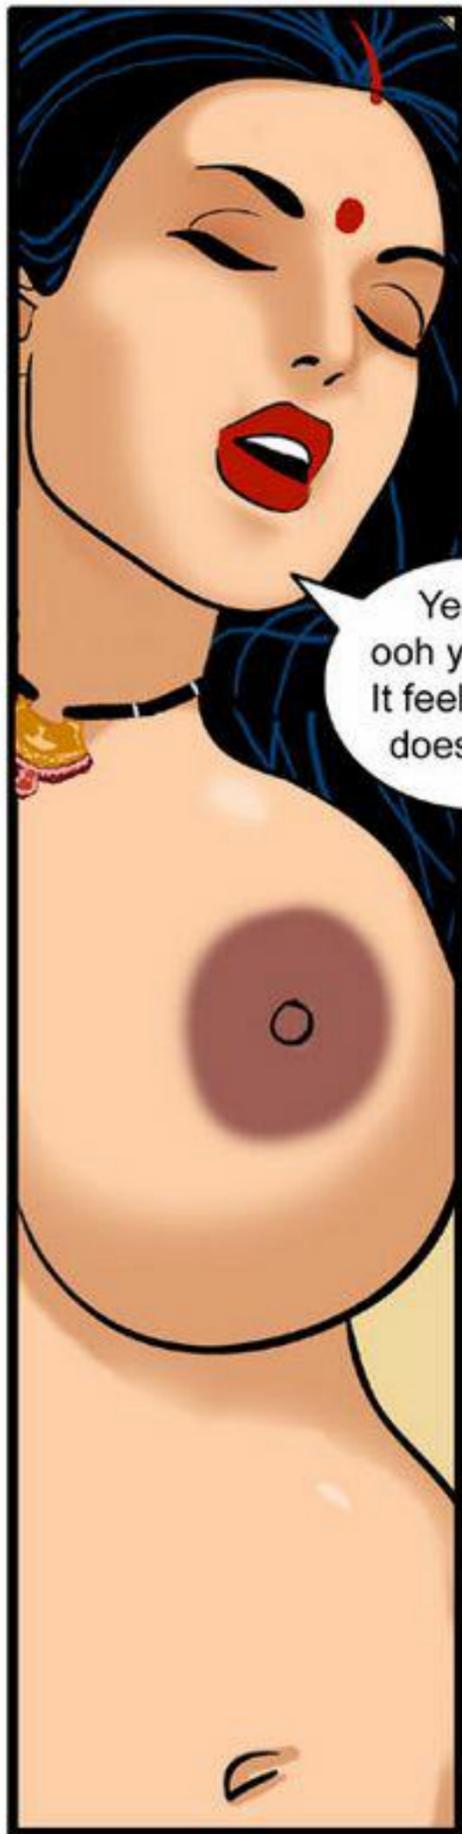

Floc!
Floc!
Floc!

Savvi seems to be enjoying herself too much

Creek!
Creek!

Creek!

Yeah...
ooh yeah...!!
It feels great
doesn't it?

Come
on Vela,
there's nothing
to hide now.
Tell me what
you feel

I feel...
I feel...
Leave
it... you won't
listen to me.
Carry on

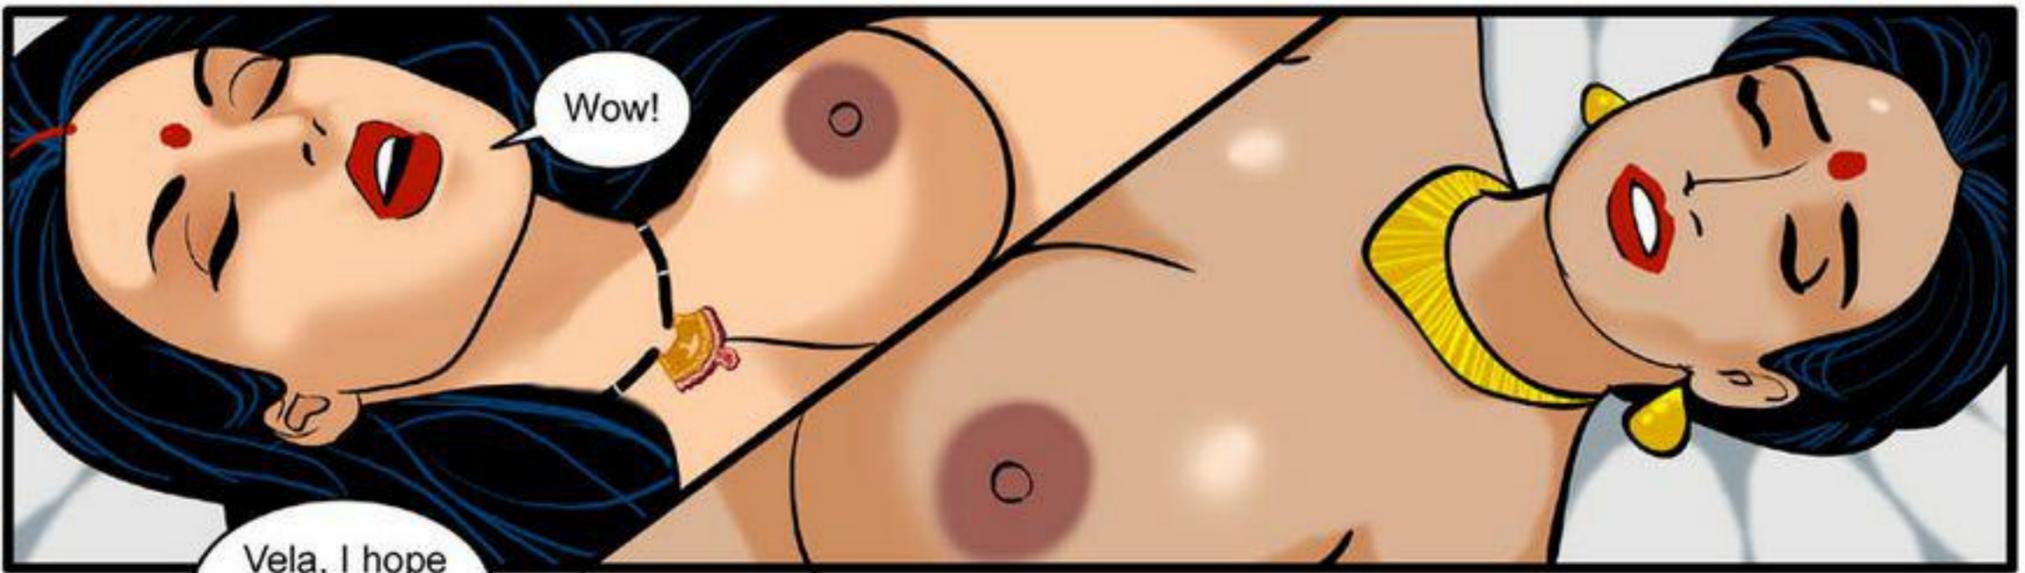

As
you wish
Ahhh....
I'm about to...
about to
cum!

Once
she cums I
can stop
this

Arrrghhh...
ahh...

huhh...
huhh...

Vela, I hope you are not angry

It's just that I needed to see for myself exactly what happened

I must leave now, I'll call you up later and we'll discuss this further

I had to have my body feeling exactly what you felt

Its okay, I understand

I must leave now, I'll call you up later and we'll discuss this further

Okay

Bye Vela... ..and I hope you enjoyed your first experience with a woman

!!!!
