The Affair

presents
Episode 11

SCRIPT BY: MAXTER

ON A FRIDAY NIGHT

Hey Ramesh,
your office would
be closed tomorrow
na?

Not sure,
am waiting
for a call to
confirm it

Ok, tell
me tonight only.
I'll wake up
accordingly

Tring...!

Shalini
calling

Hello!

Just a
second, I'm not
able to hear you
properly

Yeah,
Now say

What
were you doing
Ramesh

Nothing,
just that
Lakshmi
was also in
the room

Oh!
So you
are coming
tomorrow?

Yeah,
am coming
for sure

Don't
you dare keep
me waiting like the
last time

Ha ha!
No no, I won't
keep you waiting
this time round

That's
better. Well
listen, we'll meet at
Shalimaar hotel
tomorrow at
11 sharp

Okay
then, see you
tomorrow

There
my loving
wife goes on
another one
of her
'dates'

Today
I will find out
who she is
fucking

NEXT MORNING AT SHALINI'S HOUSE

Jai, I hope you don't mind if I satisfy myself with the help of other men

I don't but...

...I should know which person is having intimate relationships with my wife?

If you'll know, then it'll surely impact our life
I don't want that to happen

Okay then, am leaving now
Remember, I haven't stopped you from having a jolly time

I know you are not stopping me, but...
I am not a slut like you are Shalini

Hi Ramesh!

Late as usual my dear

Well darling, the important thing is that I am here

So let's now waste any more time. There are a lot of things I want you to do to me!

It's been so long since you last had me inside you

Ramesh! We just did it two weeks ago

Yes, but that's way too long for me

Oh really! I think that's why you didn't meet me last week

Uff! I told you honey, Lakshmi nearly caught me that day

I was just coming to your house

Yeah, yeah!
That's why I made the
arrangements here in a
hotel this time

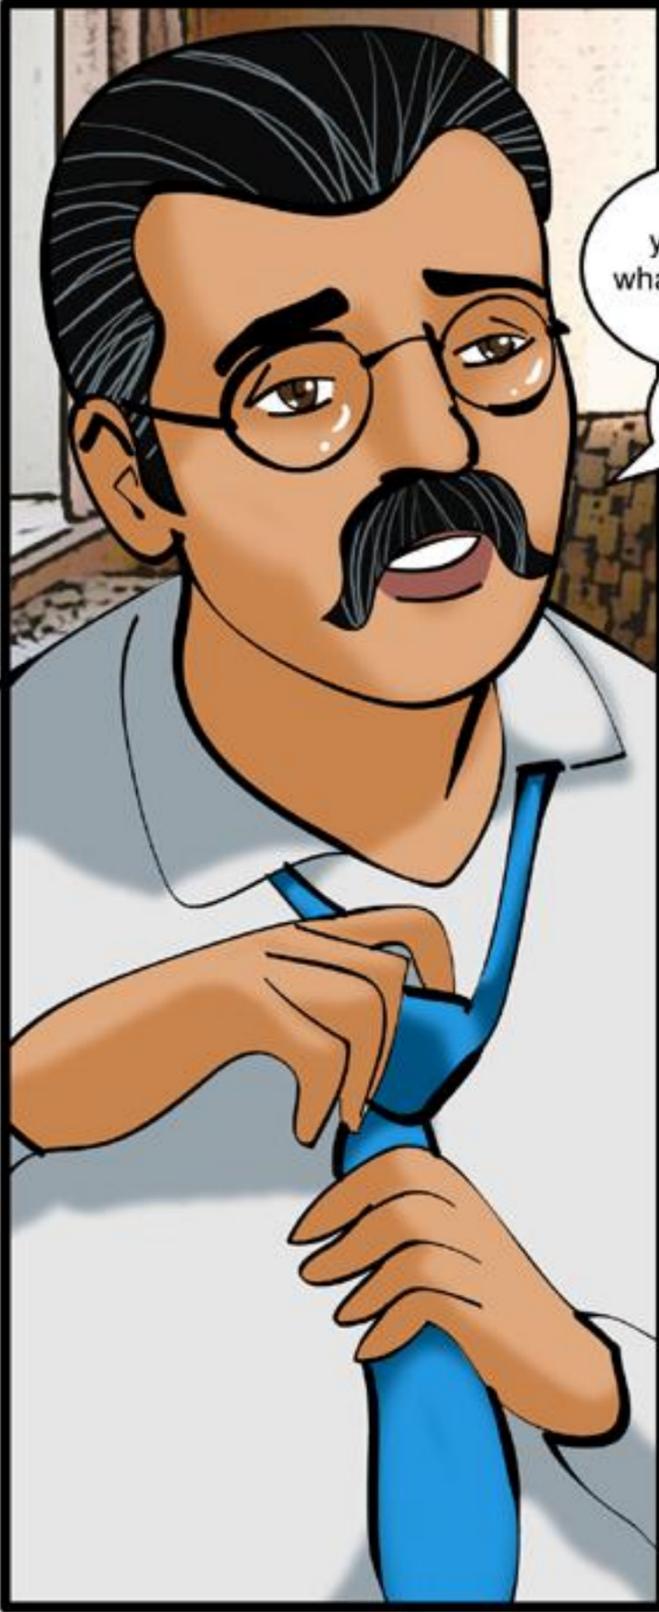

I don't
want Vela to
steal you away
from me

She can't
do that. Now can
stop talking about
all that?

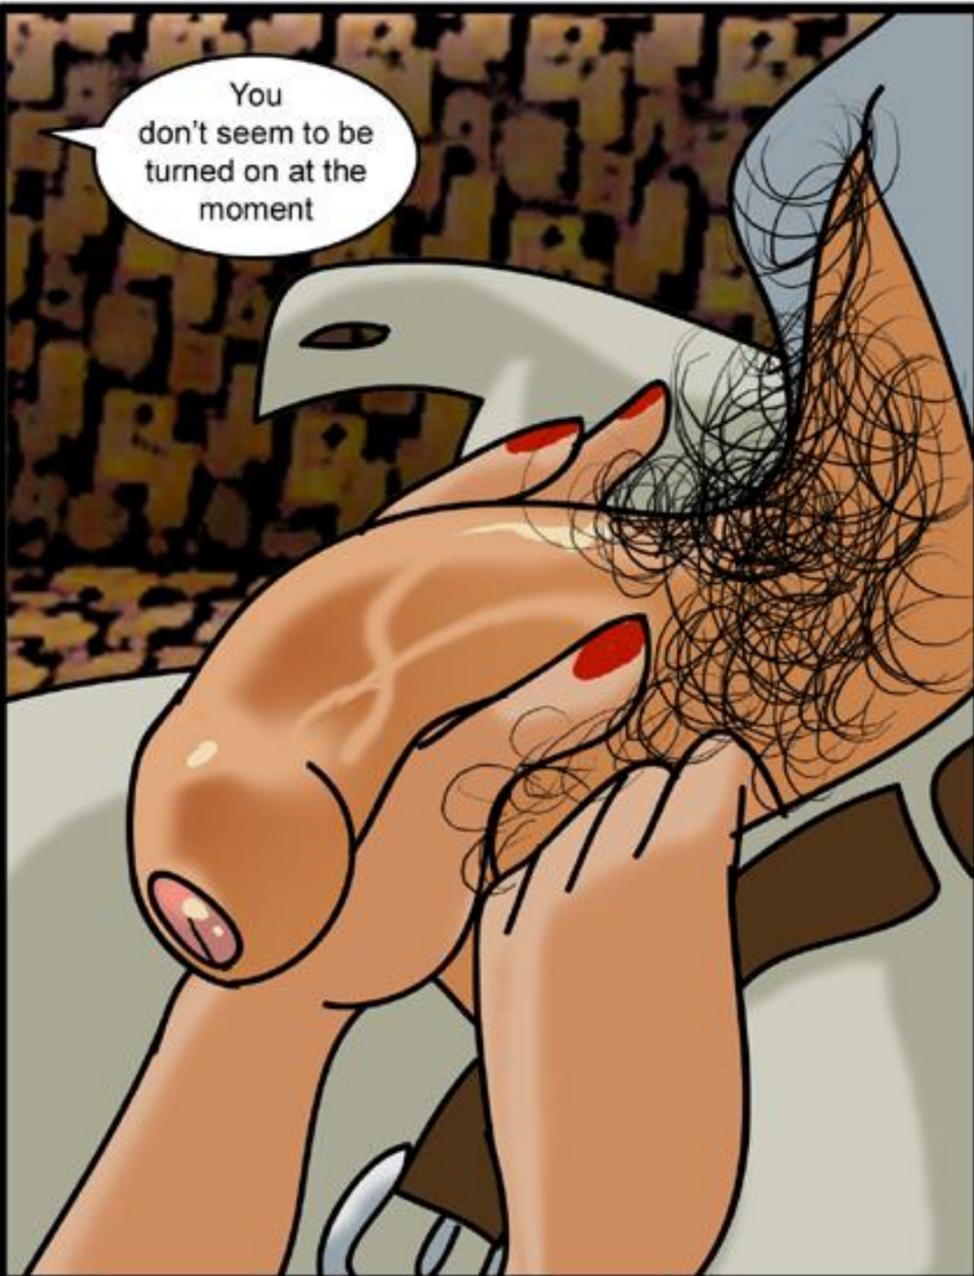

Oh, then
what would you
like me to do
baby?

Well you know what you have to do
Just go down and take care of that little fellow

I like it when you get naughty with me

Baby, Just do your work and then I'll do mine
The hard way

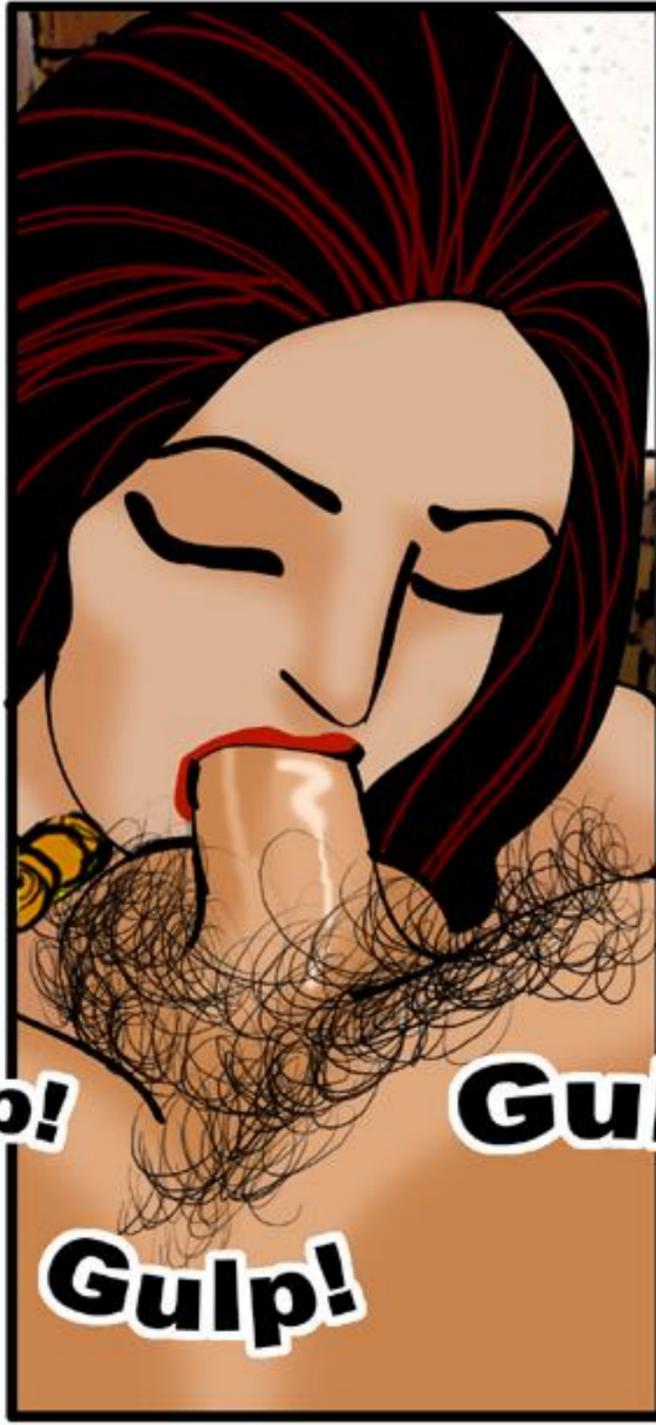

You don't seem to be turned on at the moment

I'll have to fix that rightaway
I'm in the mood for a good hard fucking today

Gulp!

Gulp!

Gulp!

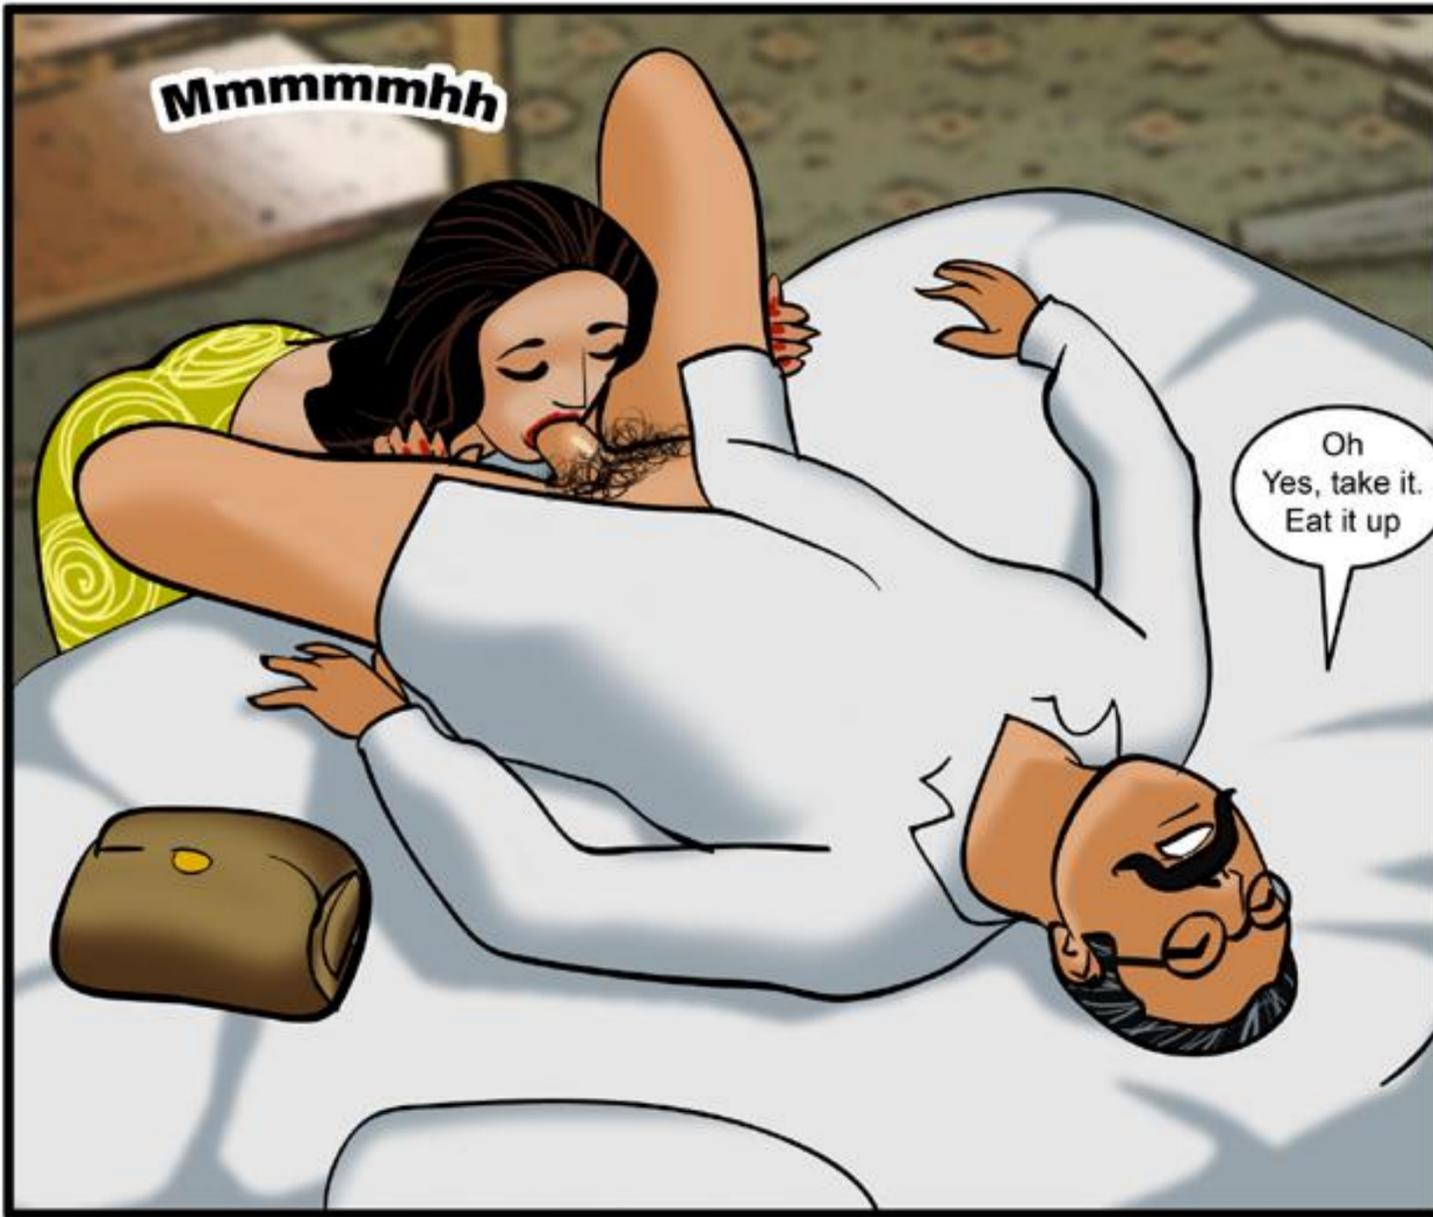

Suck it,
suck it till my
balls

Yeah!
That's more
like it

Arrghhh!

And I like it even more when he talks dirty to me
Go on Ramesh, call me your slut

Mmmmm...

Yes my slut. Take it, eat my meat

Slurrppp...!!

I can bet that Vela can never get so dirty with you

Yeah, that's right! You're the dirtiest bitch ever

Ha ha! Yeah that is right

Ahh! I'm about to cum, I'm about to cum

Yes, cum all over me

Ahhh! Here I cum

Give it to me

Mmmm... Tasty as always...!

MEANWHILE, BACK AT VELAMMA'S PLACE

DING DONG

Who could that be?

Did Ramesh forget anything?

Oh, hello Jai. What brings you here?

Is Ramesh home?

He's gone to office

Vela. Your husband is not at office

Where is he?

Why are you shouting Jai? I told you he is at office

He is not at office
He is at Shalimar hotel fucking my wife

Jai, what nonsense are you talking?

Just come in and calm down for a minute

Don't make a scene in front of the other neighbours

I'm sorry Vela. I should not have lost my temper

But I think there is something you should know

No, I can't believe this

It's true Vela. I'm sorry that what I do is going to hurt you too. But it's the only way I will get peace

No Jai, you cannot make this public. Think of the children

It's too late now. I can't let her go unpunished. Unless...

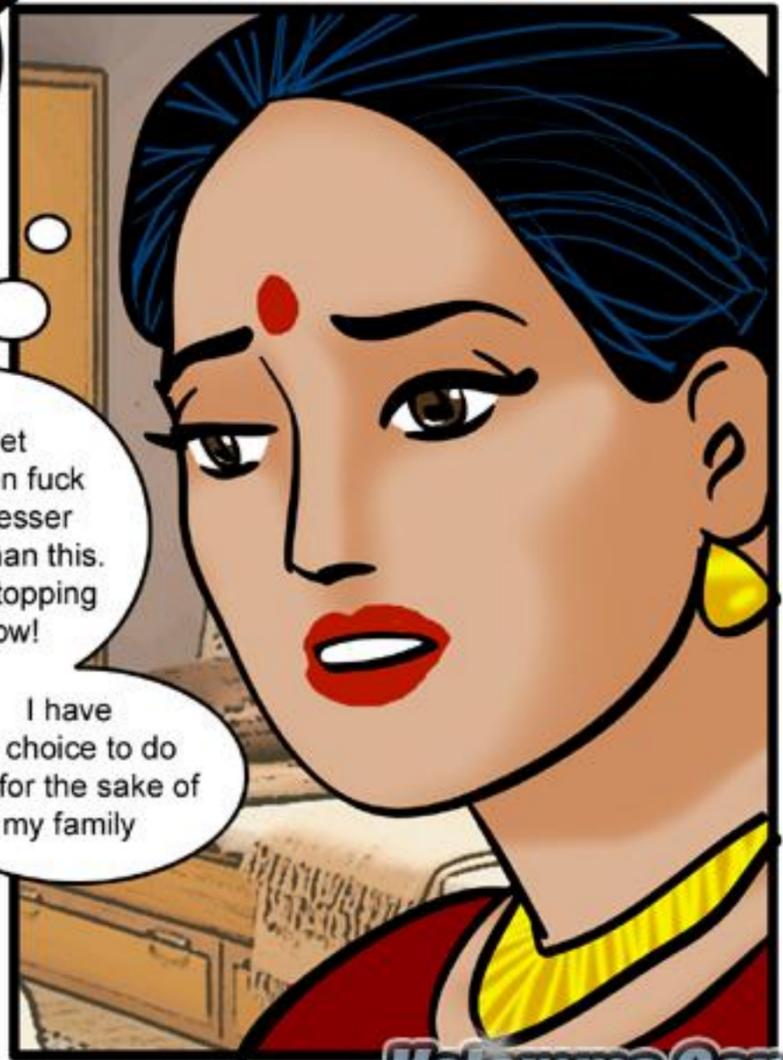

Unless you have sex with me. If Ramesh is fucking my wife, it's only fair that I fuck his

How could Ramesh put me in such a situation??

What do I do?

I've let other men fuck me for lesser reasons than this. What is stopping me now!

I have no choice to do this for the sake of my family

Ok. Fuck me

I.. I didn't expect this. I just said that in anger

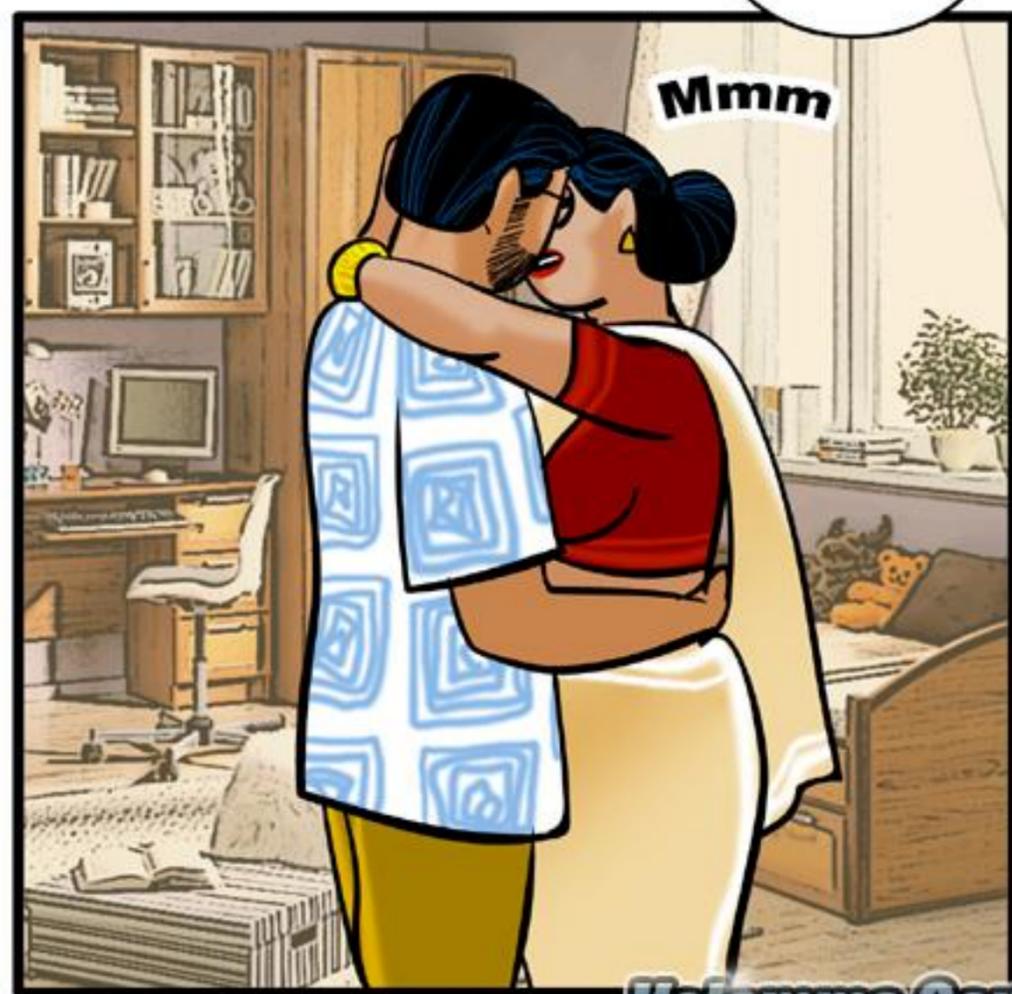

Vela, you don't have to do this

No Jai, I think I do
Come here

I can't believe this is happening

Mmm

We're in my bedroom Jai
I will do whatever you want, but please be gentle

Take off my blouse and suck on these

Vela, your boobs are amazing

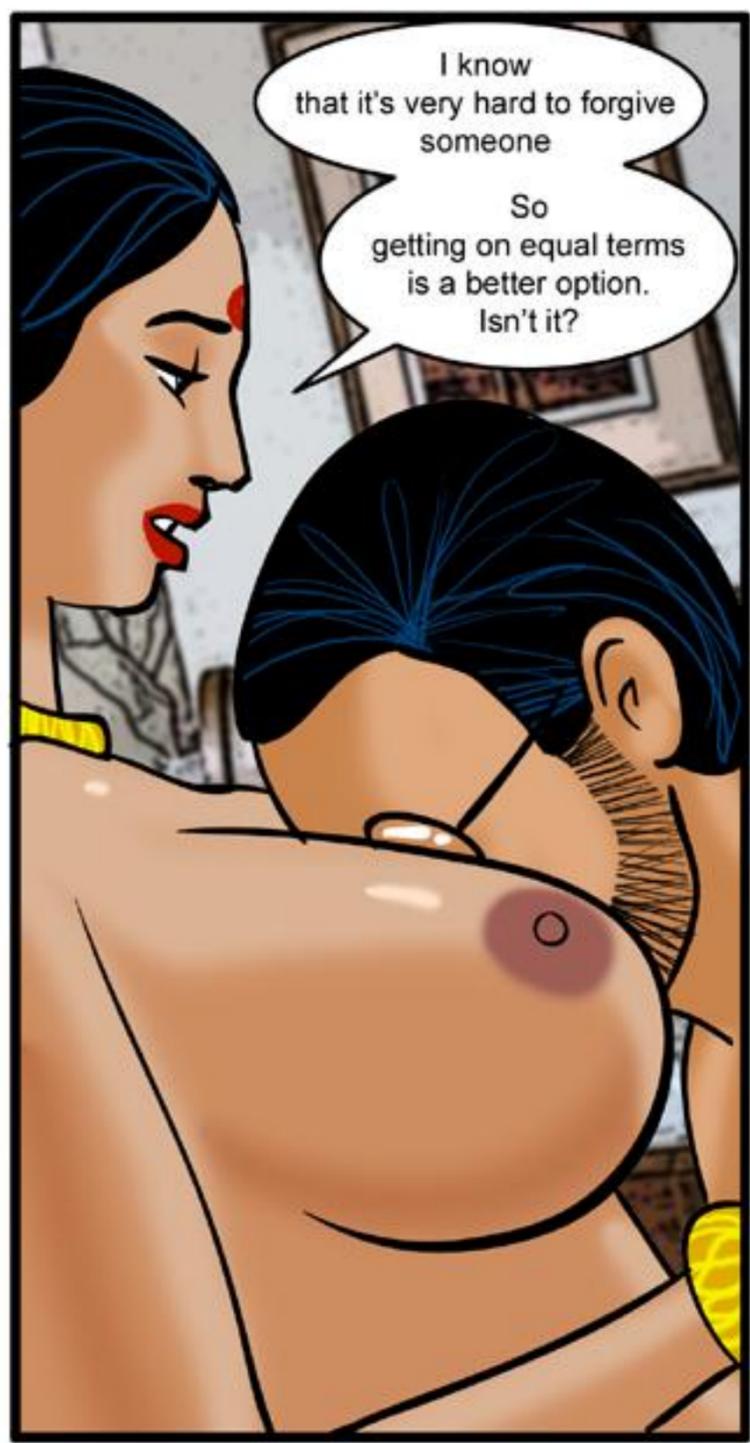

Mmmmmm

Slurp

Vela, I was dying to fuck someone for so many years
Finally I get something for myself

Yes, I can understand

I know that it's very hard to forgive someone
So getting on equal terms is a better option. Isn't it?

If I get treats like this every-time, I'll want my wife to cheat on me even more

Yes Vela, according to me that is the best way

That's why I am doing this

Now just sit down and let me give you something you will never forget

As you say Vela

I don't know what I am doing!

But this is the only way

Oops sorry, but can you please stand once again the zip is not getting opened like this

Sure Vela, give me a second!

Yes, that's better

Now it will slide down much easily

It's so thick
I can't understand why Shalini has to cheat on you!

I guess she likes quantity, rather than quality

Yes. That might be the case

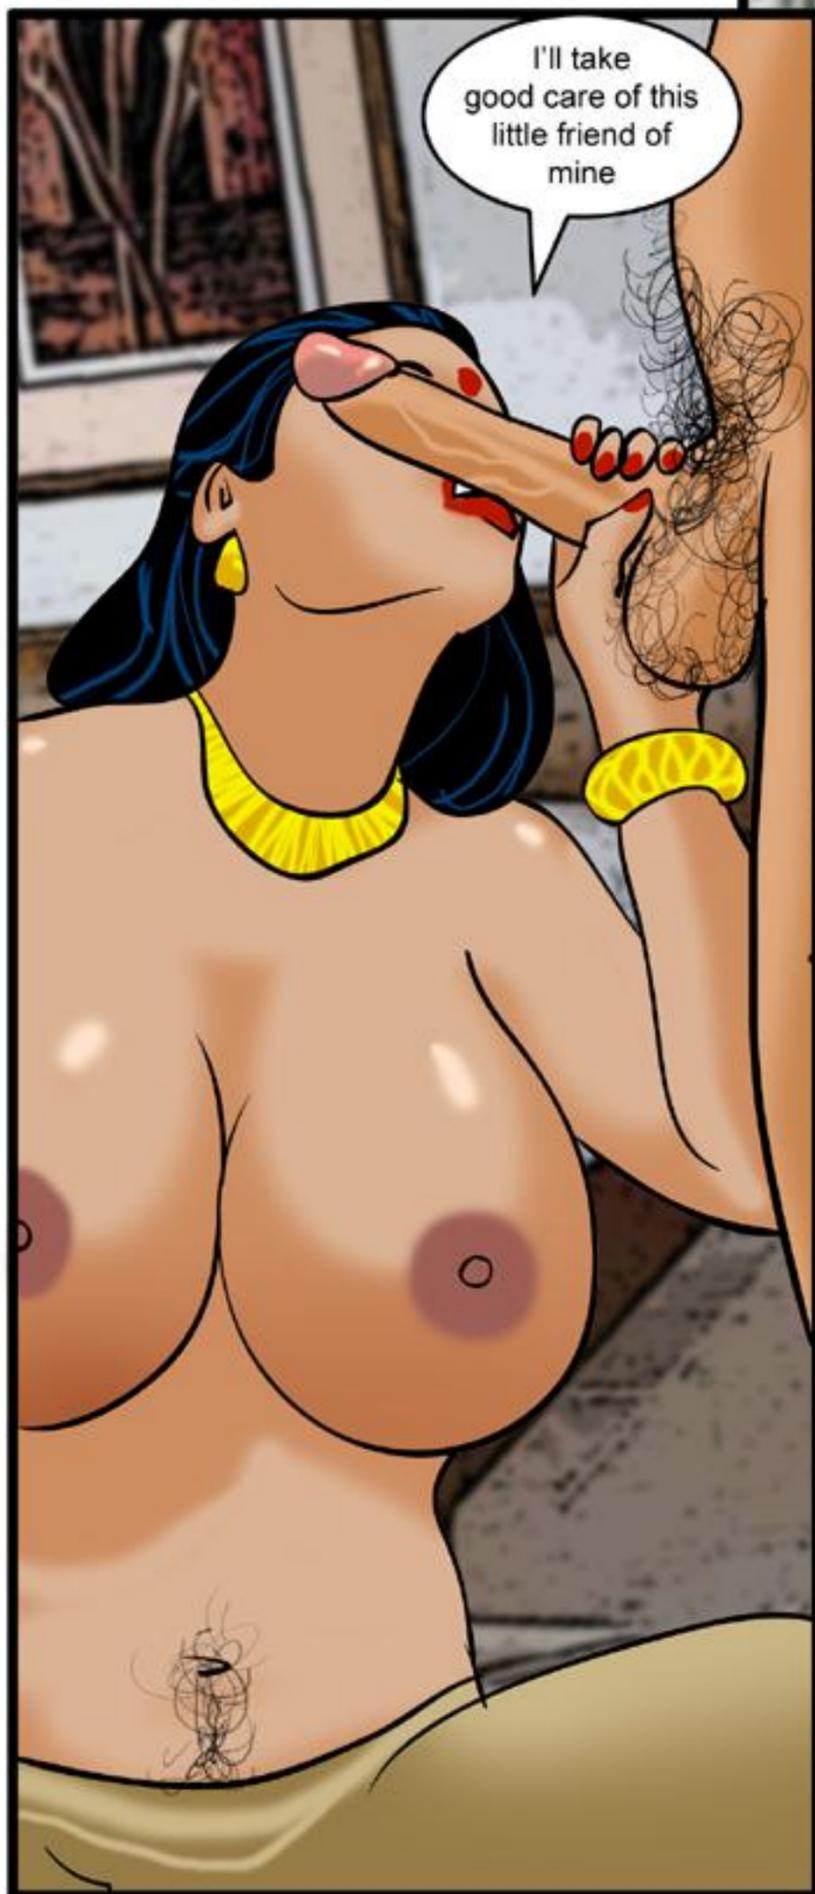

Its growing bigger and bigger
I don't think it'll fit inside my pussy

Don't worry Vela...
After we're done, you'll have your pussy stretched wide open for almost anything

That we will see
I hope it does happen
I, myself want to get fucked, now I'll cheat on Ramesh as well

Vela, let's try something different

I want to fuck your mouth instead of this Blowjob thing

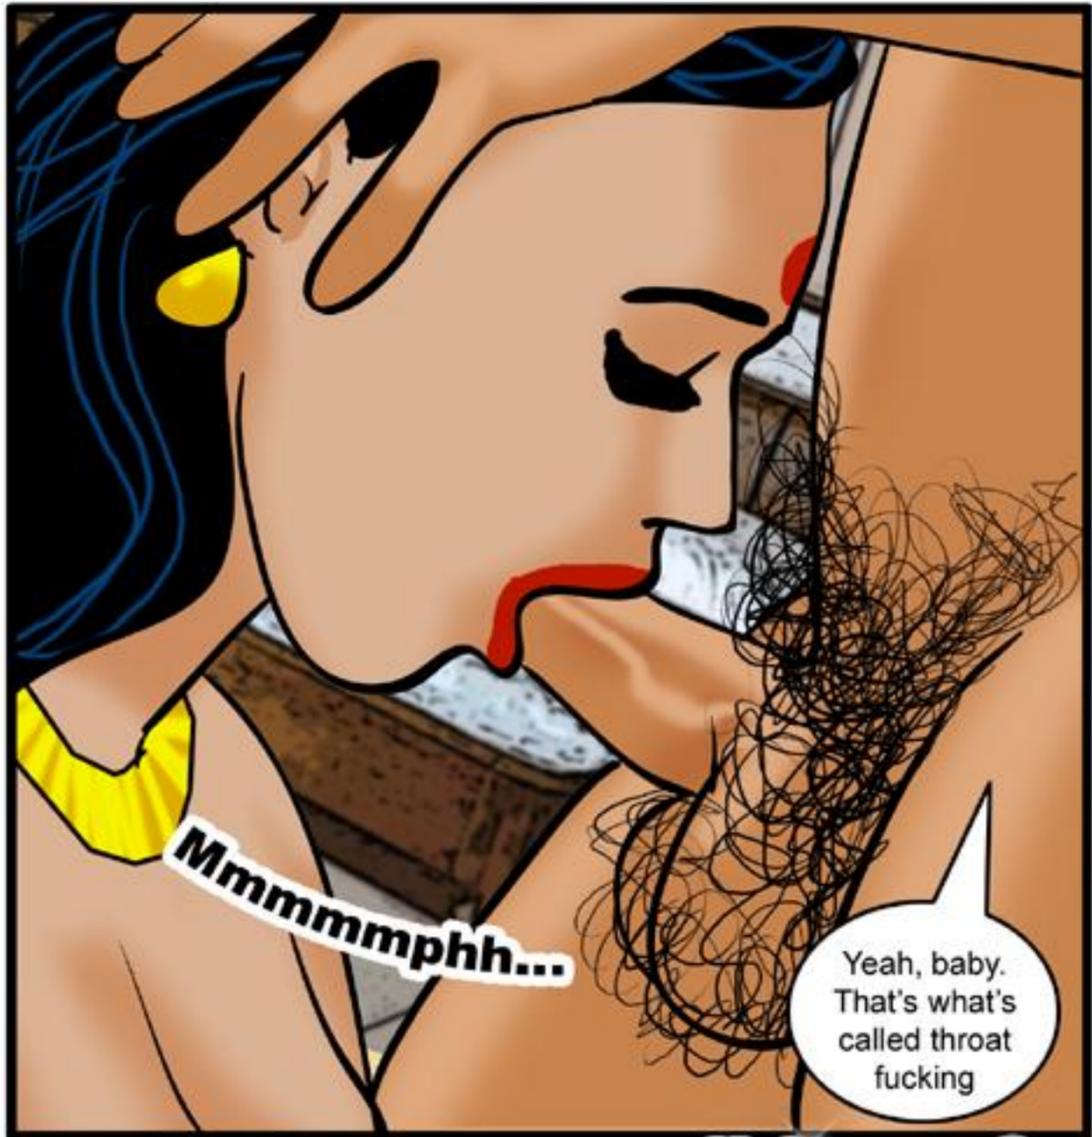

Fuck my mouth? I don't think I can handle that

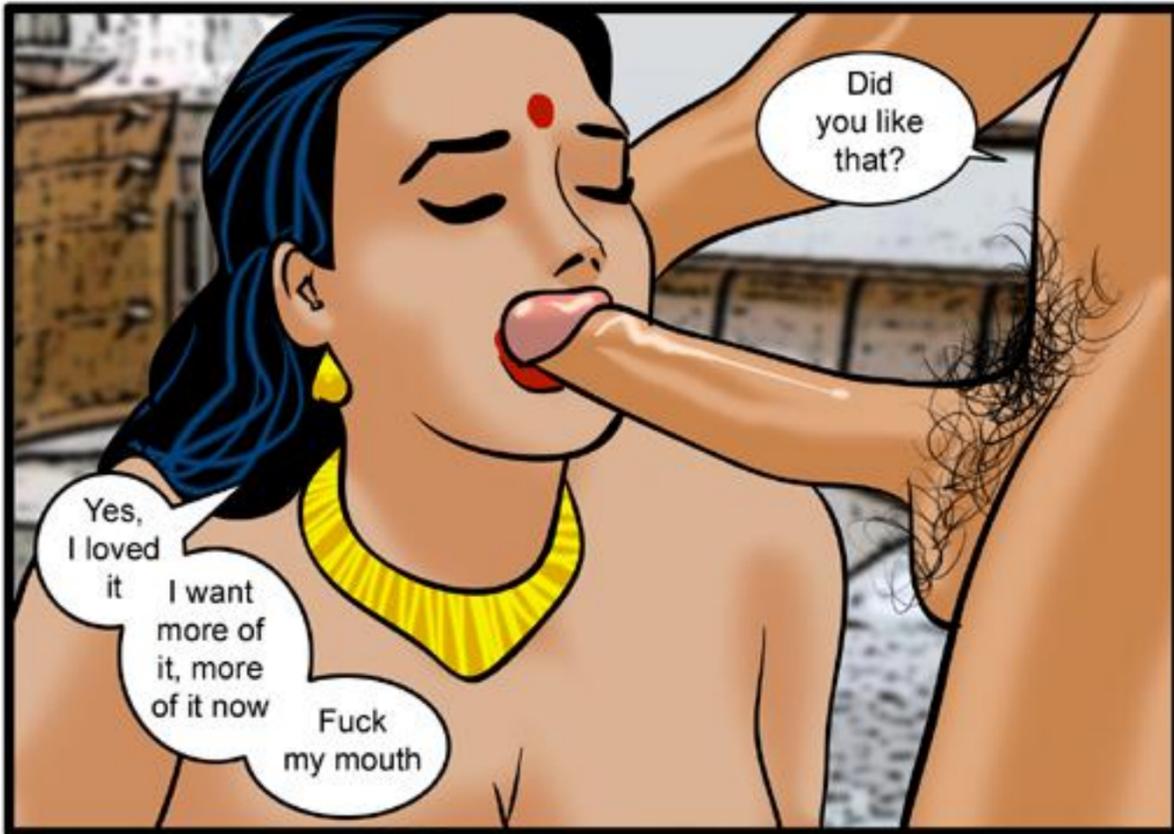

Oh! This feels so good

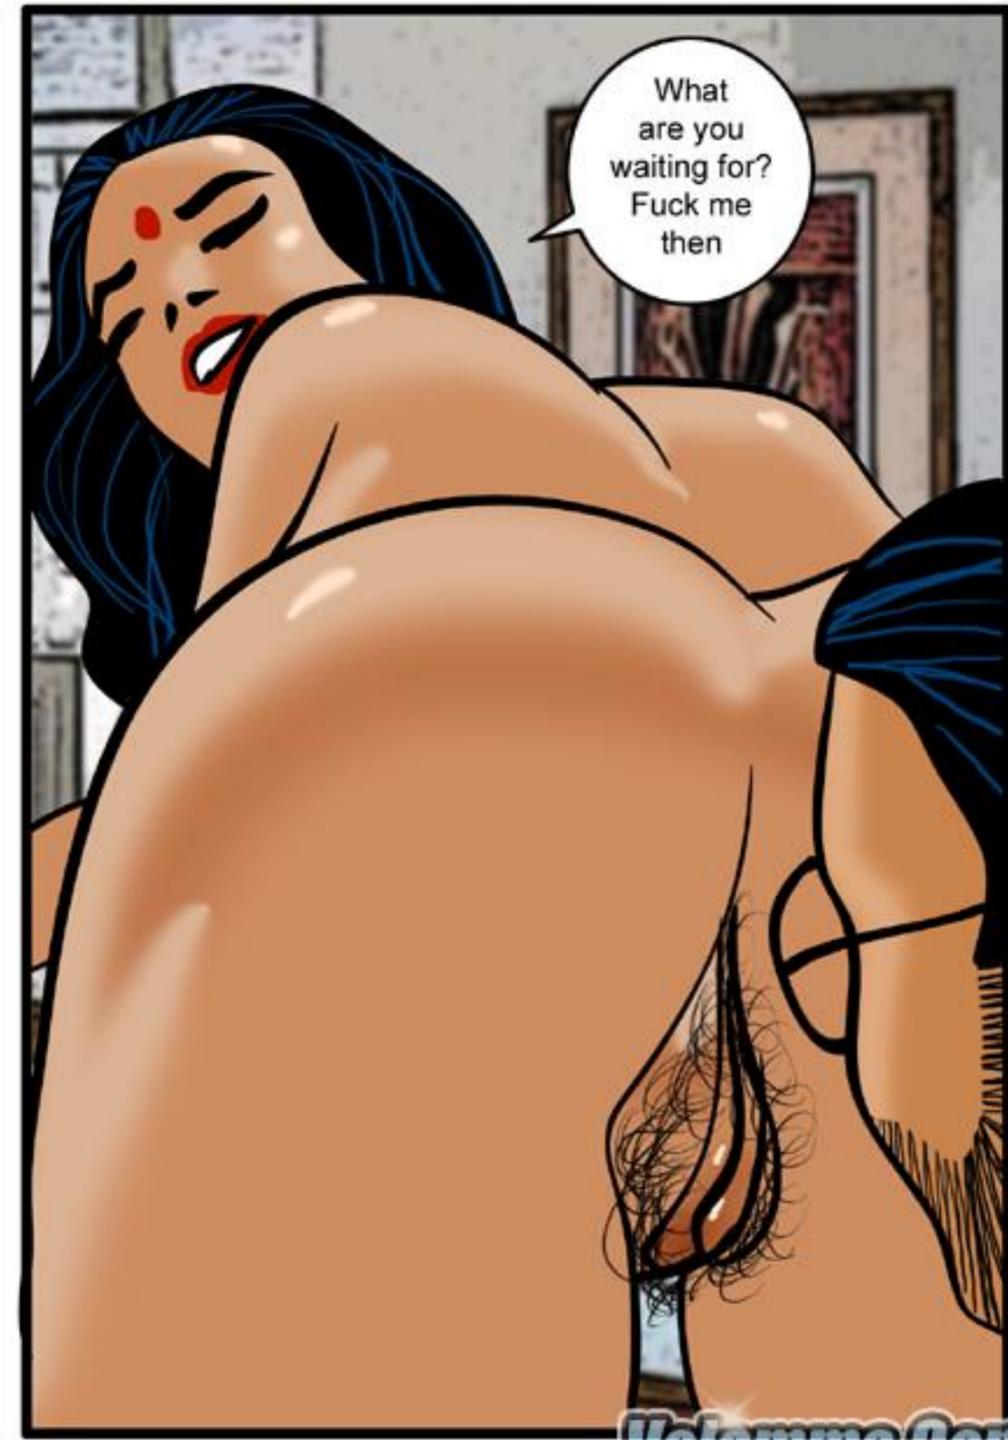

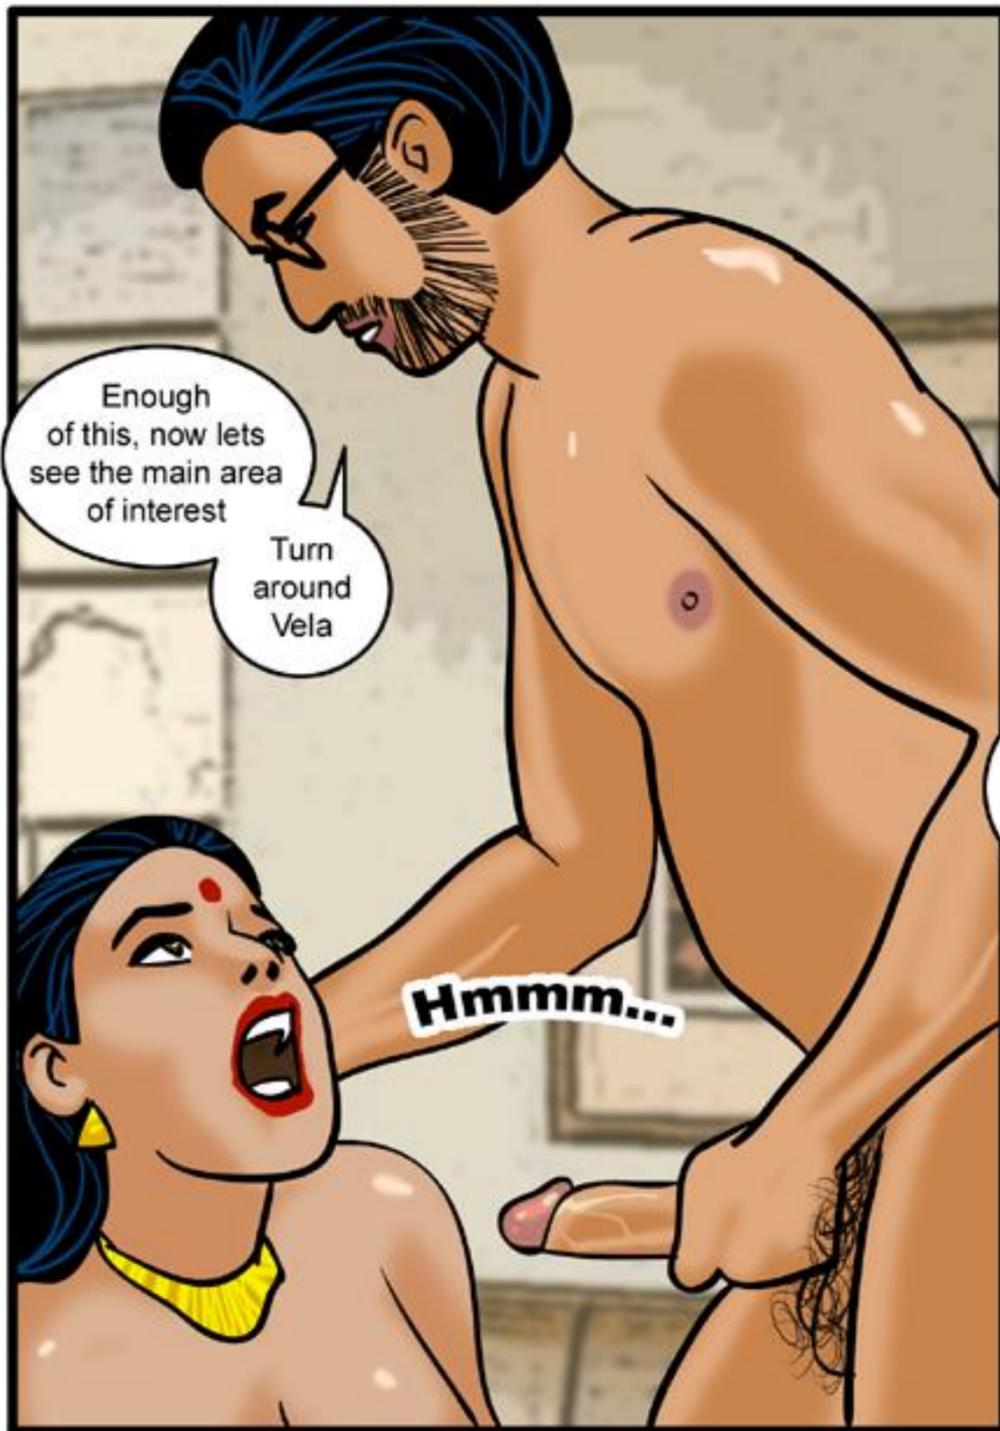

Ahh... that hurts!

Mmmmmphh...

Yeah, baby. That's what's called throat fucking

Anything for you honey, anything!

Just help me down there; I need you to clean up my pussy

It's already wet

Mmmm... It tastes wonderful

I love it! The taste of a woman's cum always drives me wild

Oh really, then keep working down there

I'm loving it too

Ahh... ahh... I love the way your tongue moves round my pussy lips

Slurp!
Slurp!

Get on the table and take off your clothes Vela, it's time for the main course

Get ready Vela, I'm going to slide my cock right inside your beautiful pussy

Yes!!! I've been waiting for this. I want to be fucked!

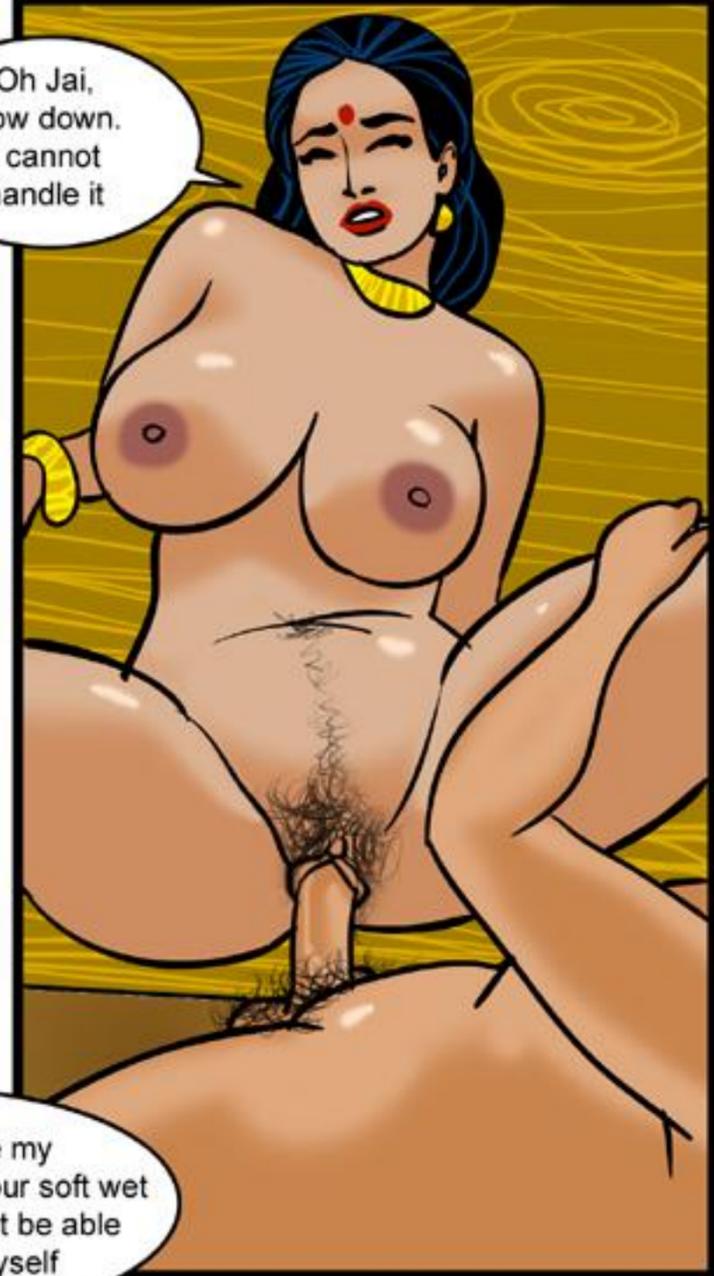

Here, you go... Gentle, gentle... and...

And I'm in...!

Ahh... That hurts and feels good both at the same time

**FLOP!
THAPP!**

Oh Jai, slow down. I cannot handle it

There's no stopping now Vela

I knew once my cock was inside your soft wet pussy I would not be able to control myself

Ahhh... Ahhh... Noooooooo

I'm going to fuck that pussy till its sore Vela
But turn around now, let me fuck you from behind

Do you really want me to stop Vela?

No... fuck me... don't slow down... fuck me please!

Mmmm...
this
feels even
better

Ahhh...
ahh... I can feel
some heat in my
stomach

Ahh...
it feels so
good...

Fuck
me... yes,
yes...

**FLOP
FLOP
FLOP
FLOP**

Yes...
Tear my
pussy,
tear it...

**FUCK
ME**

Wow,
She seems like a
completely changed
woman!

All this talk is
turning me on so
much

MEANWHILE
BACK AT
THE HOTEL

Let's
take a small
break Shalu.
I better call
Vela and tell
her I'm going
to be late

Buzz

Buzz

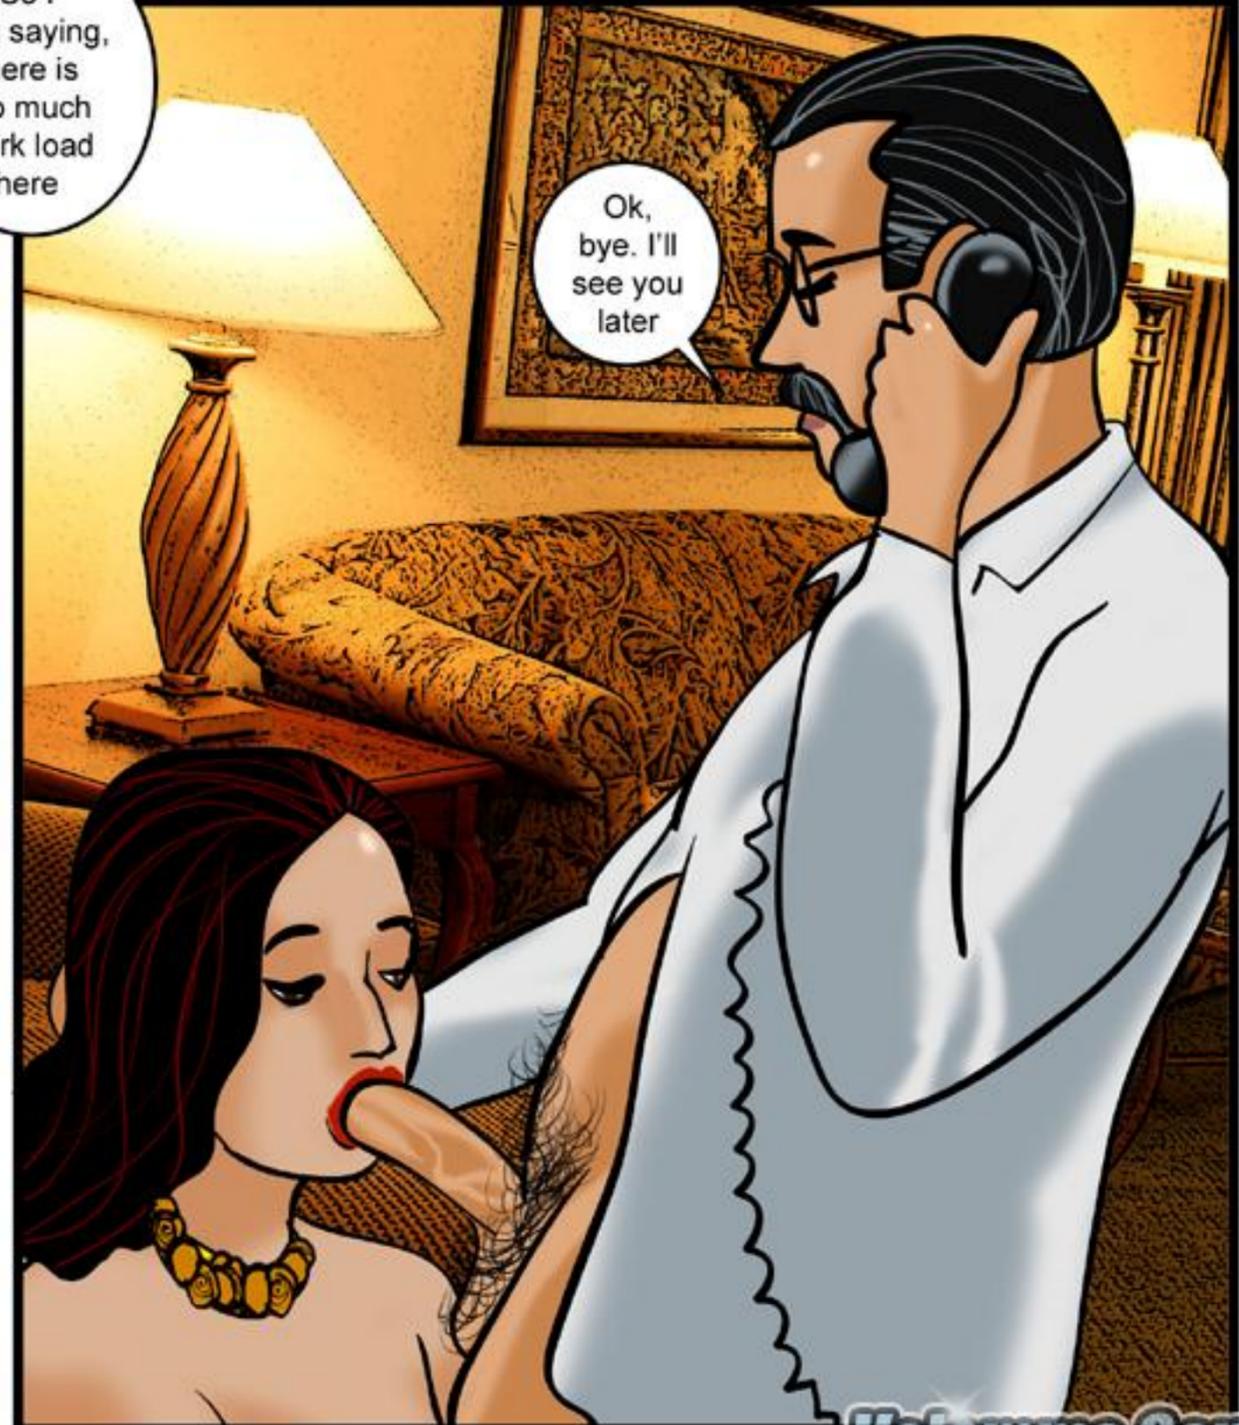

Jai, that
must be Ramesh.
I need to take
that call

Hello?

I'm not
going to stop
just because that
barstard who is
fucking my wife
called

I want
more of that
pussy

Could you not stop for a minute while I was talking to my husband?

Sorry Vela, the sight of your wet dripping pussy was just too irresistible

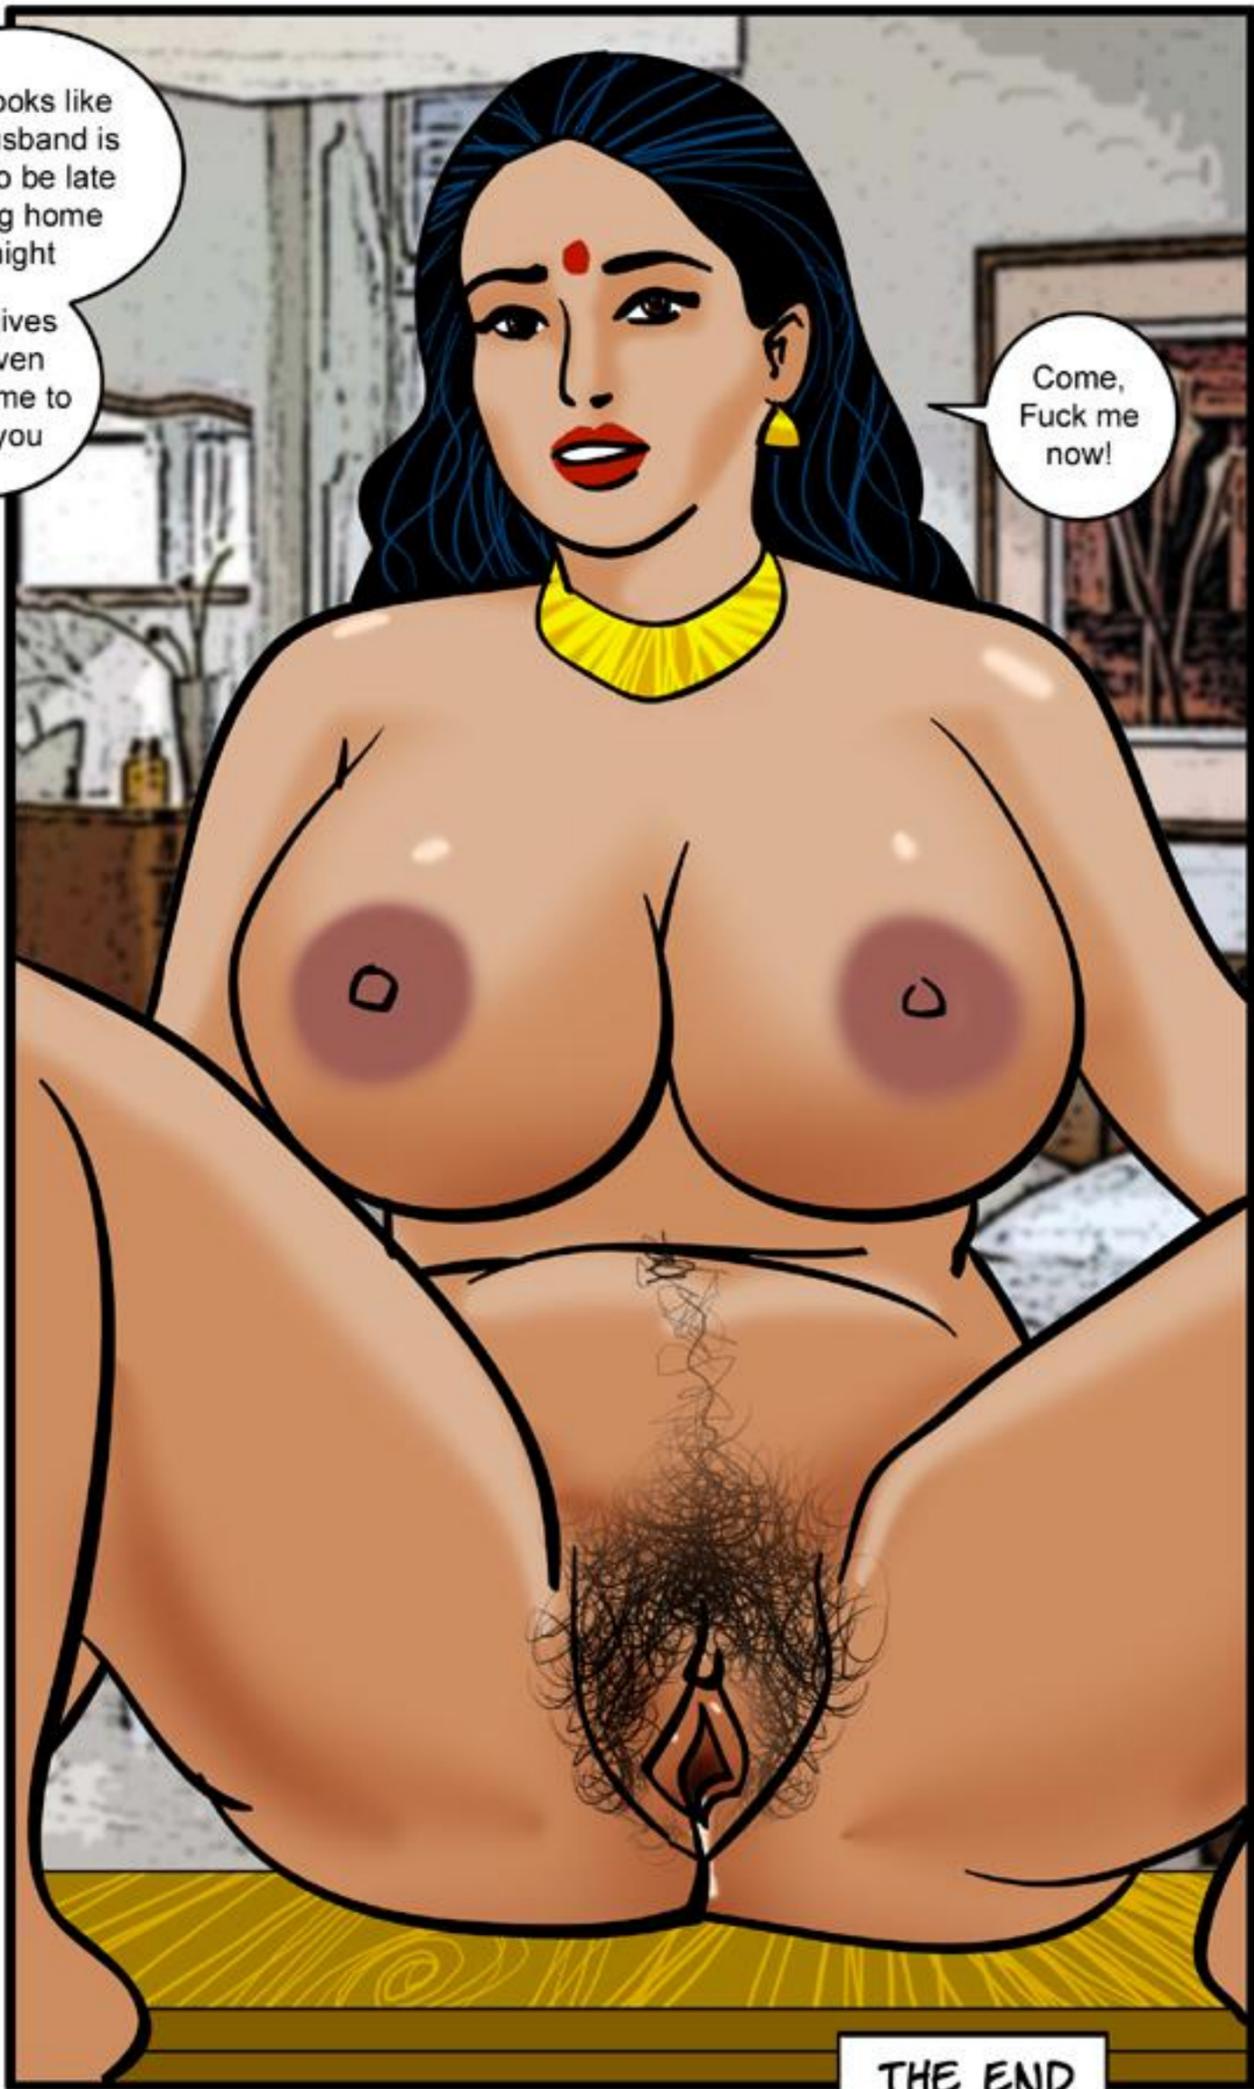

Well, looks like your husband is going to be late coming home tonight

That gives me even more time to fuck you

Yes. Ramesh's wife is all yours today Jai

I want you to fuck me in whichever way you want

Come, Fuck me now!

THE END
