ONE MONTH LATER!

TRRRRRRRRIIINNNGGGG!

6:30

It's morning already? I hoped to get some more sleep

Oh God! Last few weeks have been so amazing...

I've changed a lot since the time Jai was with me

It's different but am loving this lifestyle

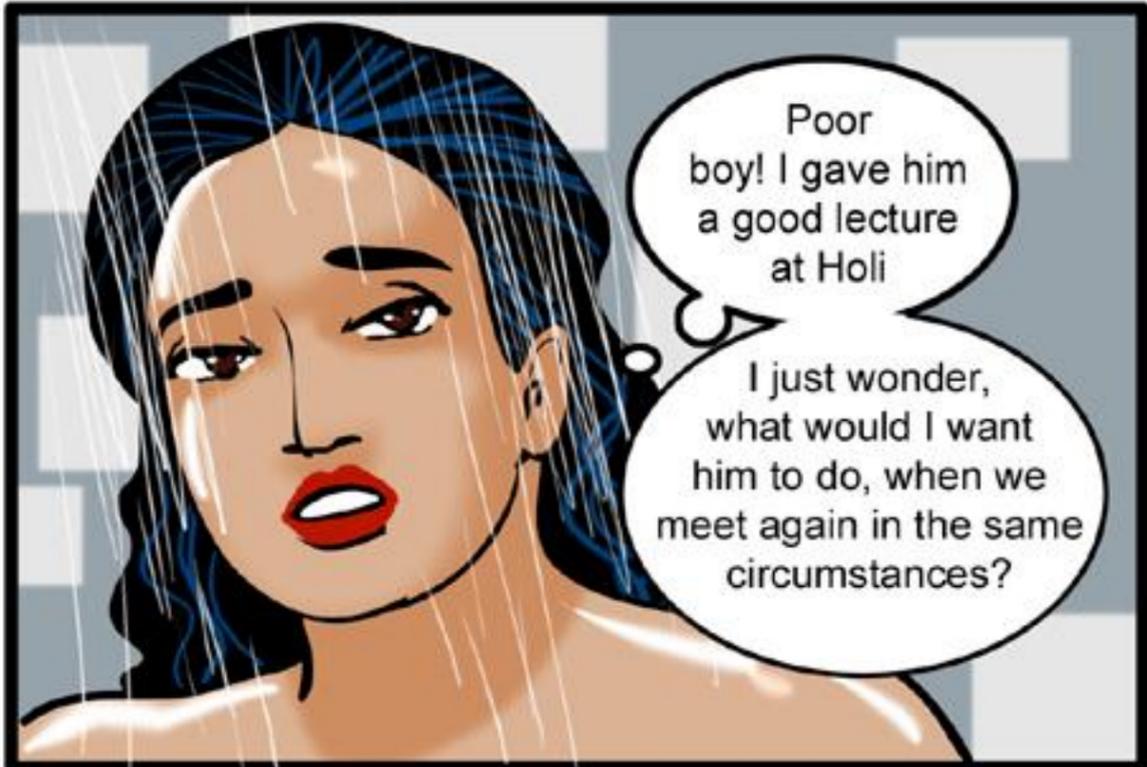

All thanks to Ramesh, I wouldn't have seen this world if...

... it was not him cheating on me

I still remember the first time all this happened...
Prakash, he wasn't so bad at it

Poor boy! I gave him a good lecture at Holi
I just wonder, what would I want him to do, when we meet again in the same circumstances?

Well, that's a mystery till we meet again
A rather sweet one I hope...
Lakshmi, I'm getting late. Can you please come out fast?
I need to get a shower as well

Sure Honey! Just a minute

I wonder what would happen if Ramesh comes to know about all this!

What can he do now? He was the one to start it off

What's the matter Lakshmi? You seem to have something on your mind

Nah, nothing!

Well, if something is bothering you, you can surely tell your husband. You know, you can share anything with me

No, really. There is no problem at all

I was hoping if you can drop me off at the Super Market to grab some stuff for the house

Sure! Why not. You can tidy up while I finish my breakfast

SOMETIME LATER

I guess this milk would last longer than the usual ones

Let me ask the attendant here

I don't think you'll need that

Oh, Vipin! How come you are here on a weekday?

Had to grab some stuff for my house too

Its damn tough to handle the household things along with the job

Yeah, I can understand that

Wow! She hasn't changed much. The curves are well maintained
I can't forget that day

Here you go bhaiya!

Surya bhaiya and I were the perfect combination for that evening
I wonder when I will get another opportunity like that!

You know Chechi, you can come over to my place right now

Why not try asking her to come over today itself, whats the worst that can happen?

There we can catch-up on each and every department of life
What say?

So finally, he's being naughty. Let's give him a surprise

I've got some time too. I can finish up and reach home before Ramesh gets back

Well, it's not such a bad idea. Let's go to your place

What? She agreed to it so easily?

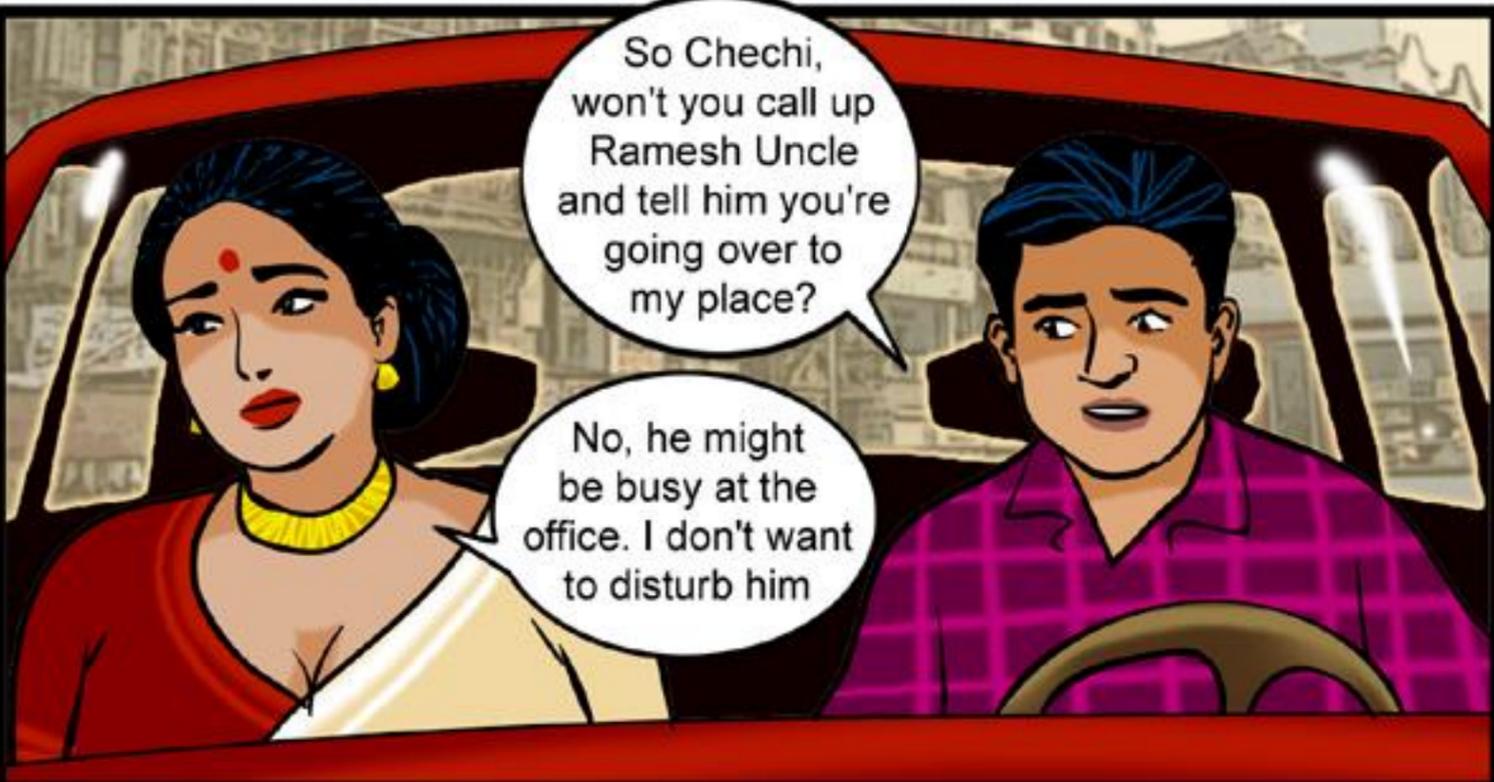

Ok, just wait and I'll get the car over

Come on chechi, just hop in before you reconsider your decision

Ha ha! Very clever you've become

Don't worry am not changing my plan now

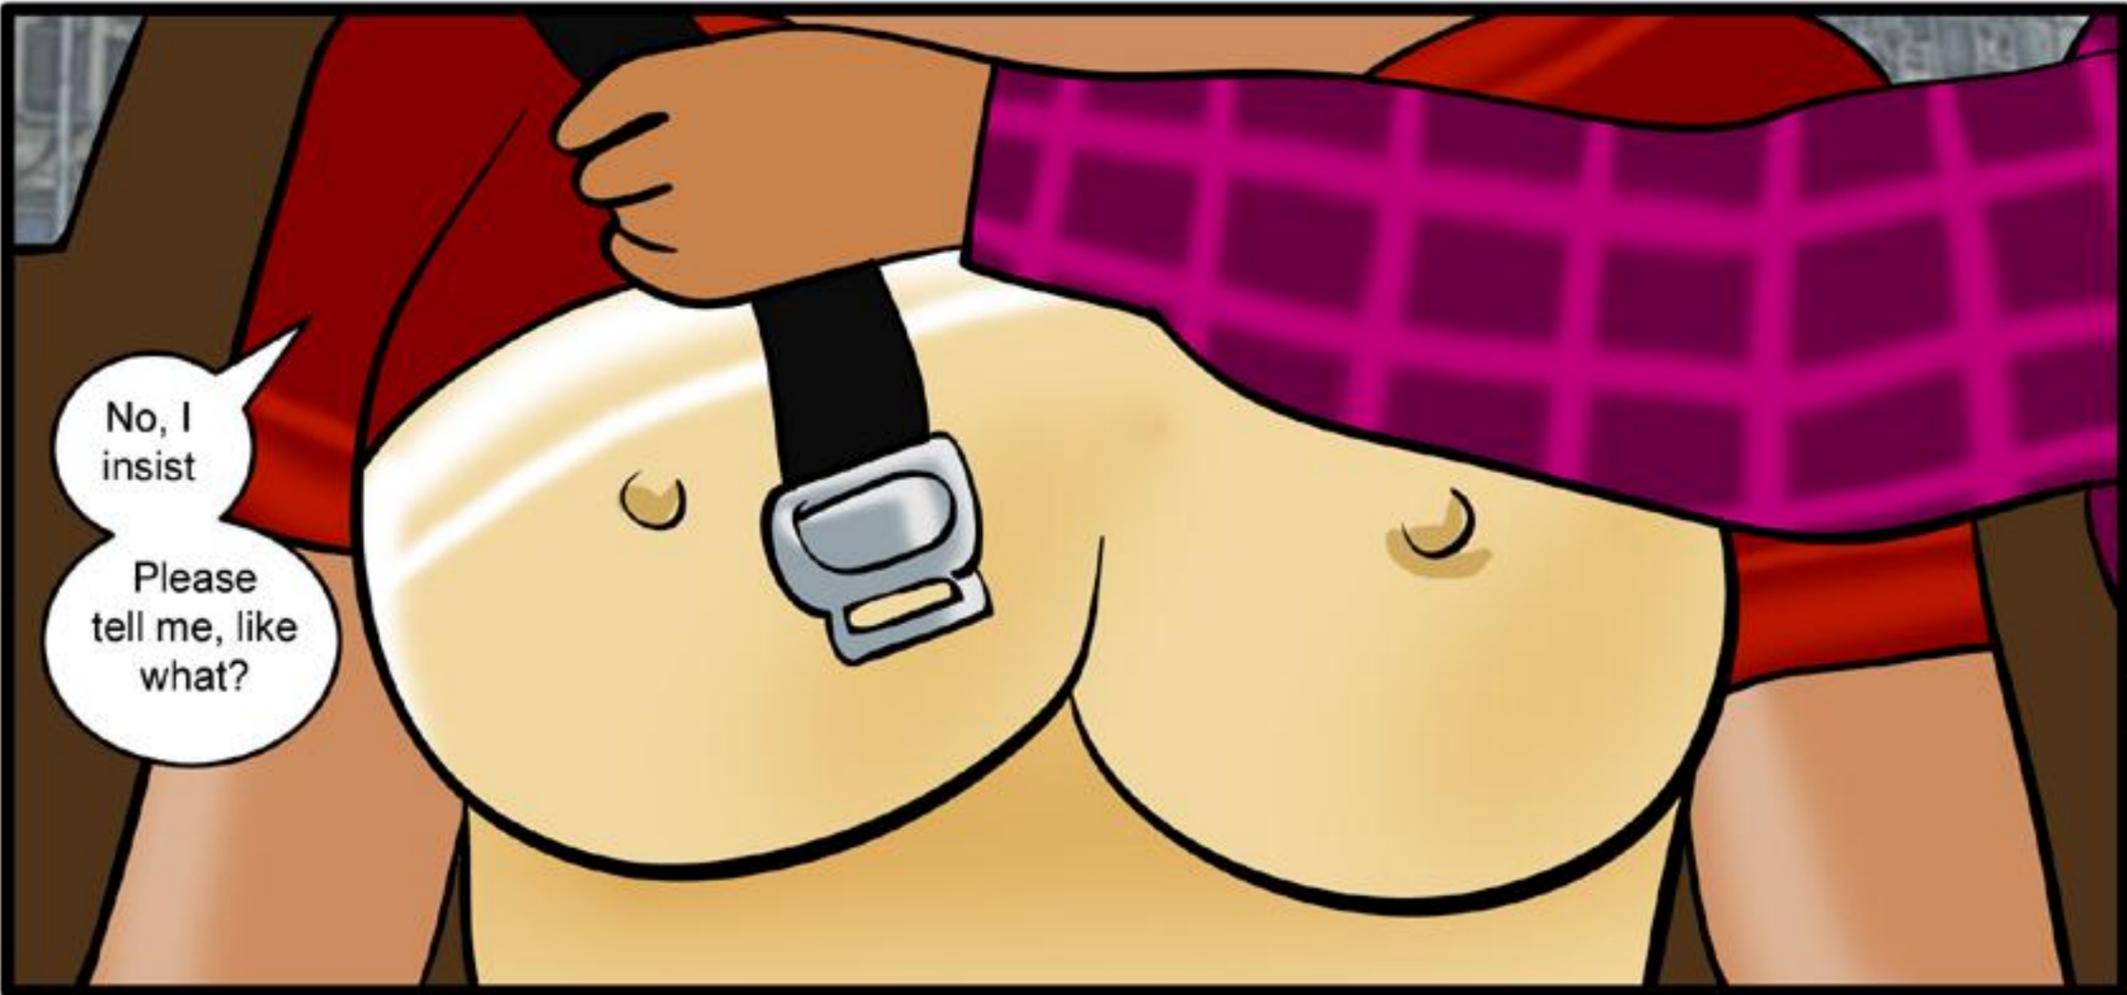

Oh ho, another stupid traffic jam

Why can't traffic just keep flowing like...

Like what?

Err... Nothing. Let me adjust that seatbelt properly for you

No, I insist

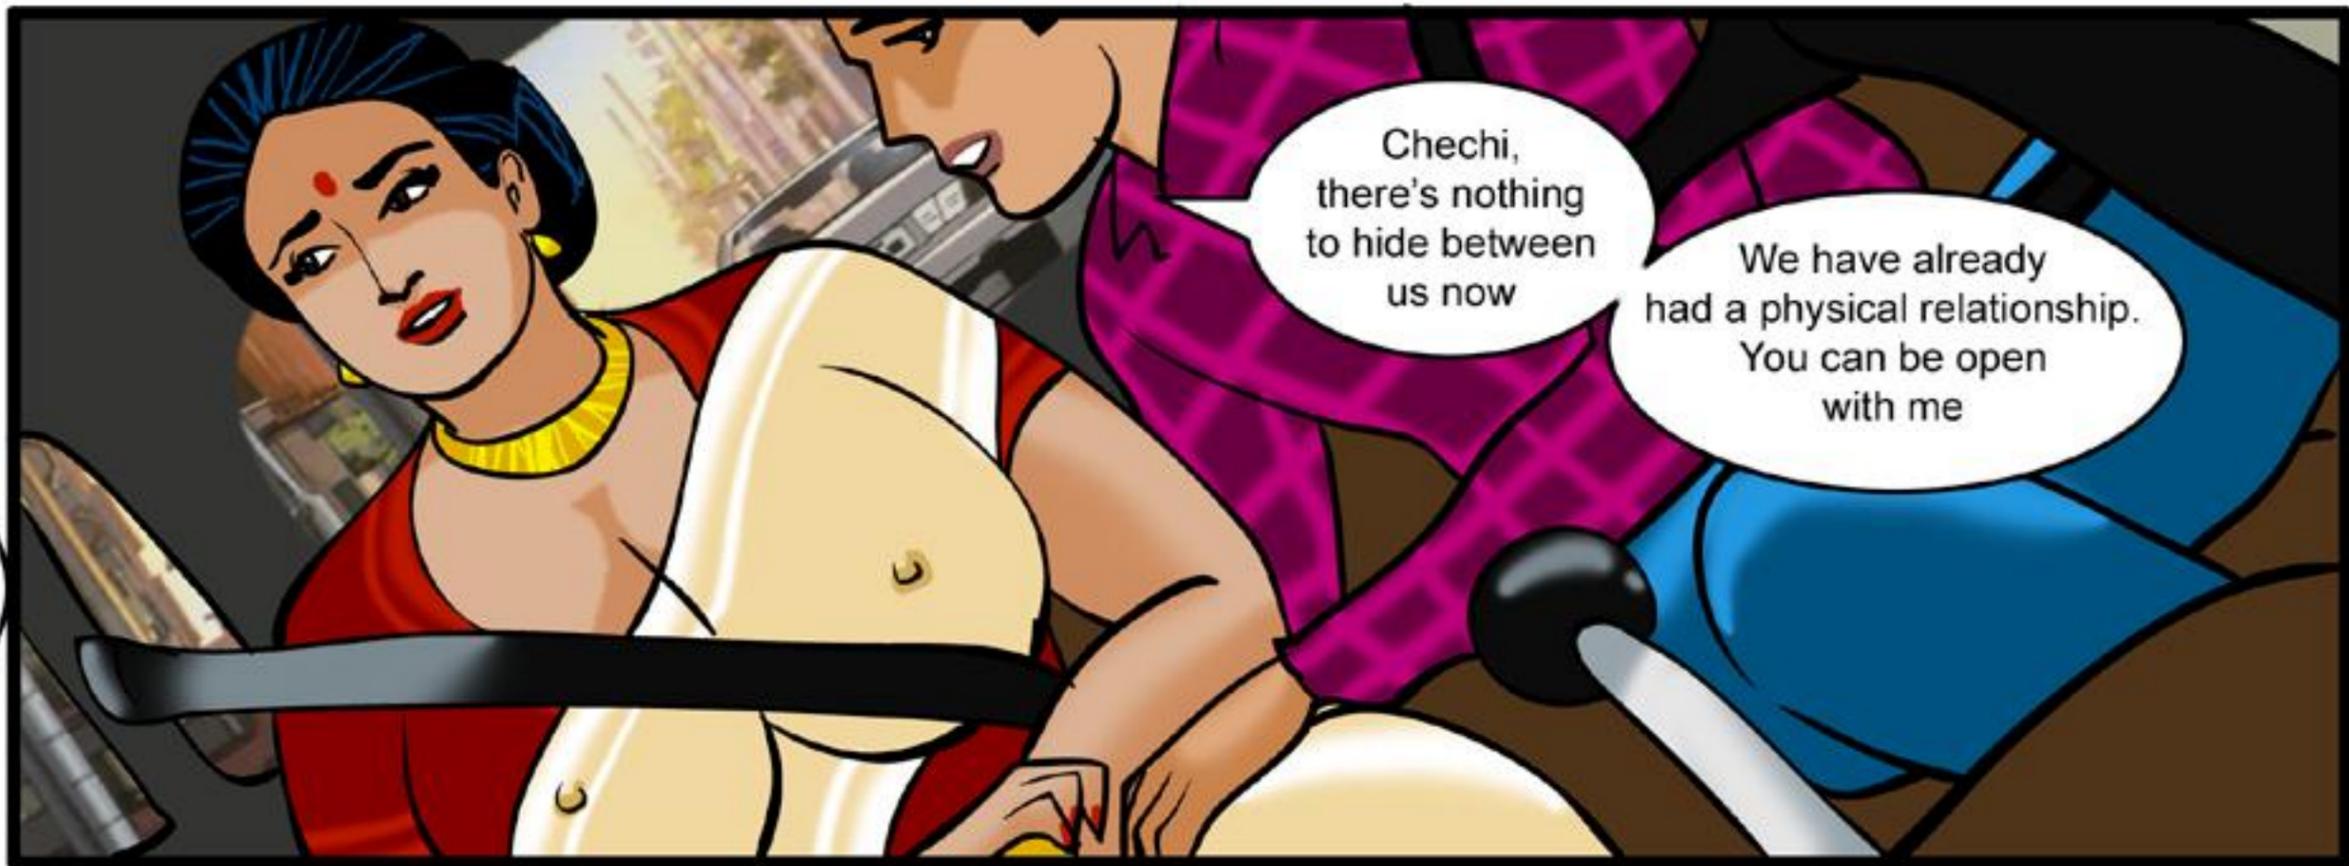

Please tell me, like what?

Well, like you kept on going on when Surya bhaiya and I were fucking you

Shhh Vipin,
what are you
saying?
Please!

Chechi,
there's nothing
to hide between
us now

We have already
had a physical relationship.
You can be open
with me

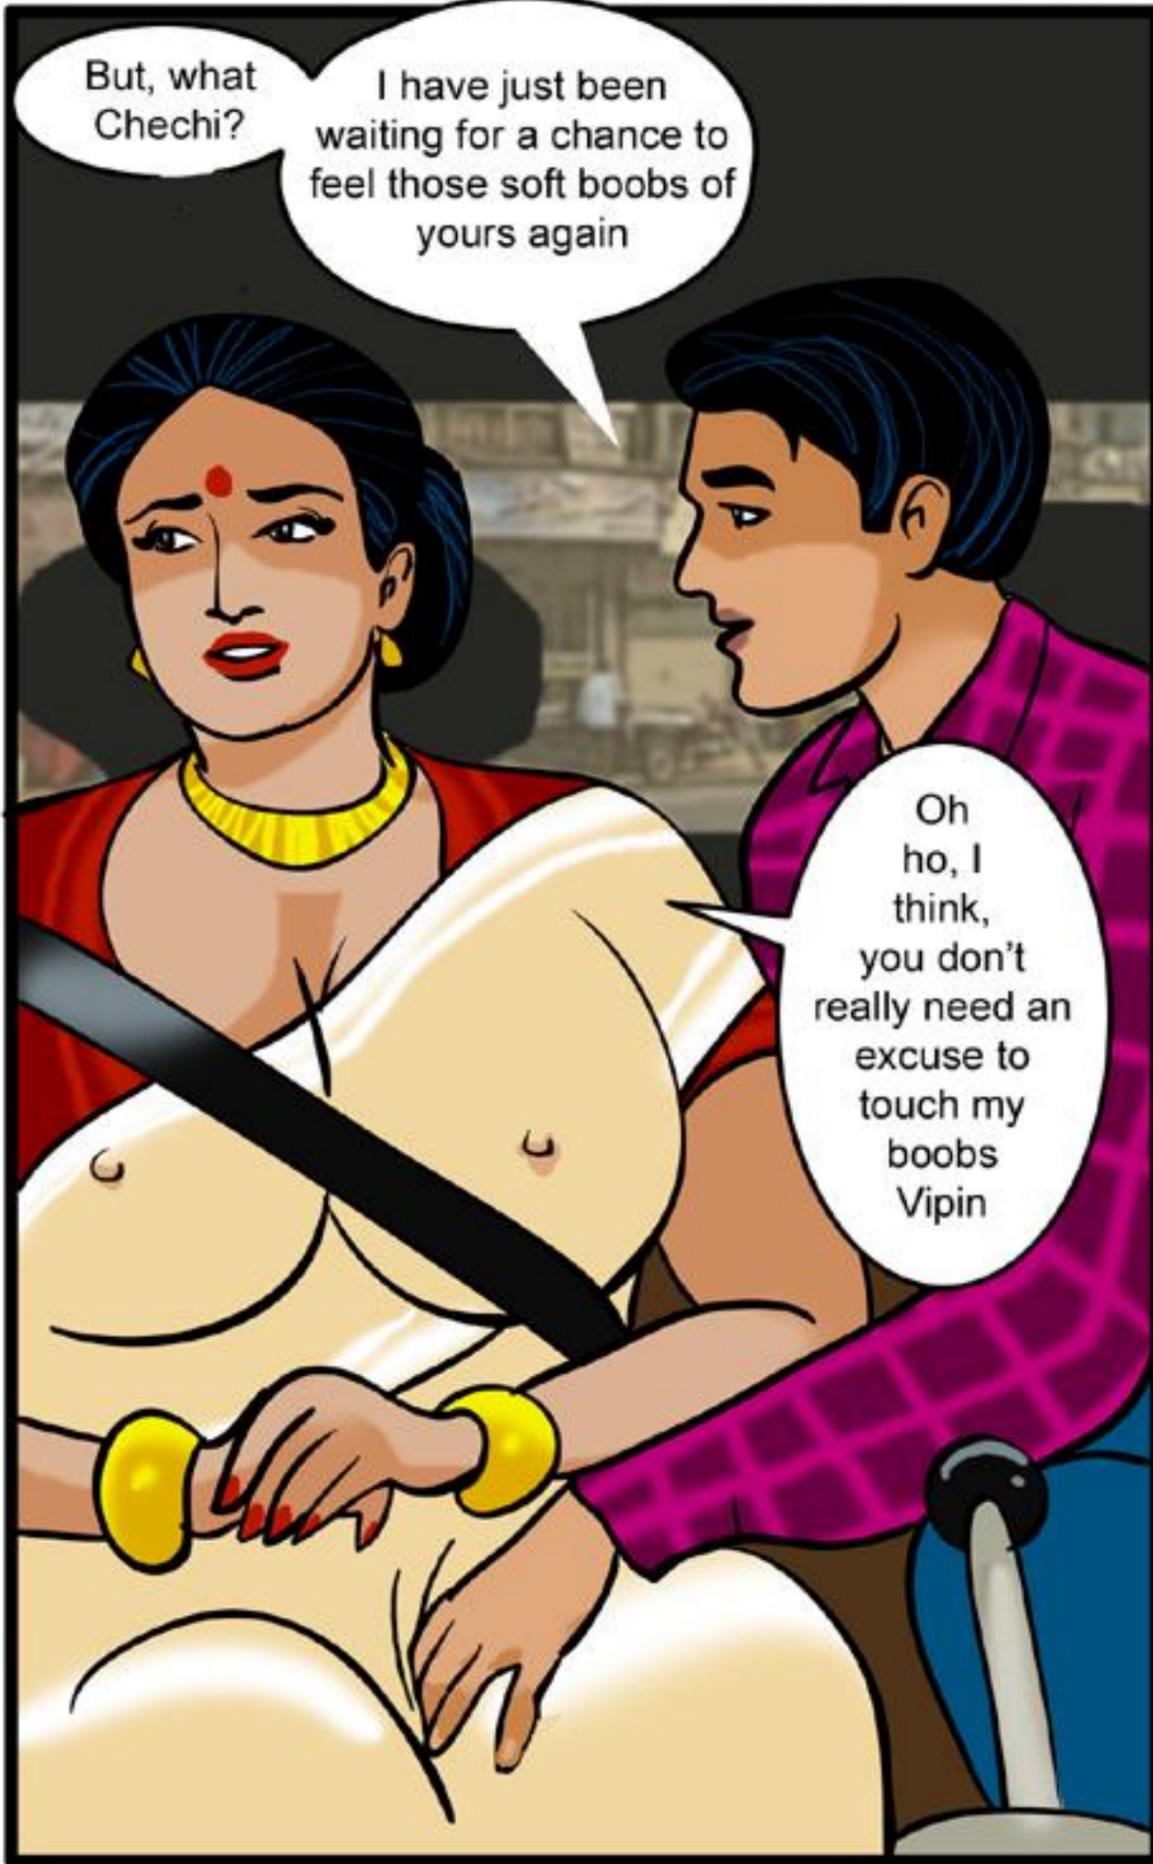

Oh
Really?

Yes,
Absolutely

Well, then
I must say that
yeah I did enjoy a
lot that day

But...

But, what Chechi?

I have just been waiting for a chance to feel those soft boobs of yours again

Oh ho, I think, you don't really need an excuse to touch my boobs Vipin

Don't know if am dreaming or not
I just hope that this dream or reality continues

You are so formal about all this
How are you going to marry and keep your wife happy?

Oh Chechi, let me show you how I will satisfy my to-be wife

I've really learned a lot since last time

Ha ha ha! Stop, you're tickling me by doing that

Mmmm... you still smell and taste just like that day

Sure, but...

Let me take those nipples into my mouth Chechi; I want to suck the milk out of them

Again a 'But', now what?

I will only allow you to do all that at your place only Not just anywhere

Sure Chechi, just sit back and take control of those melons

You know Chechi, the sex with you was the best that I've experienced thus far

Just relax here, I'll go get you a soft drink

It's too hot today

Thank god his house has an AC

Oh god, she has such a lovely pair of boobs

I can't keep my eyes off them

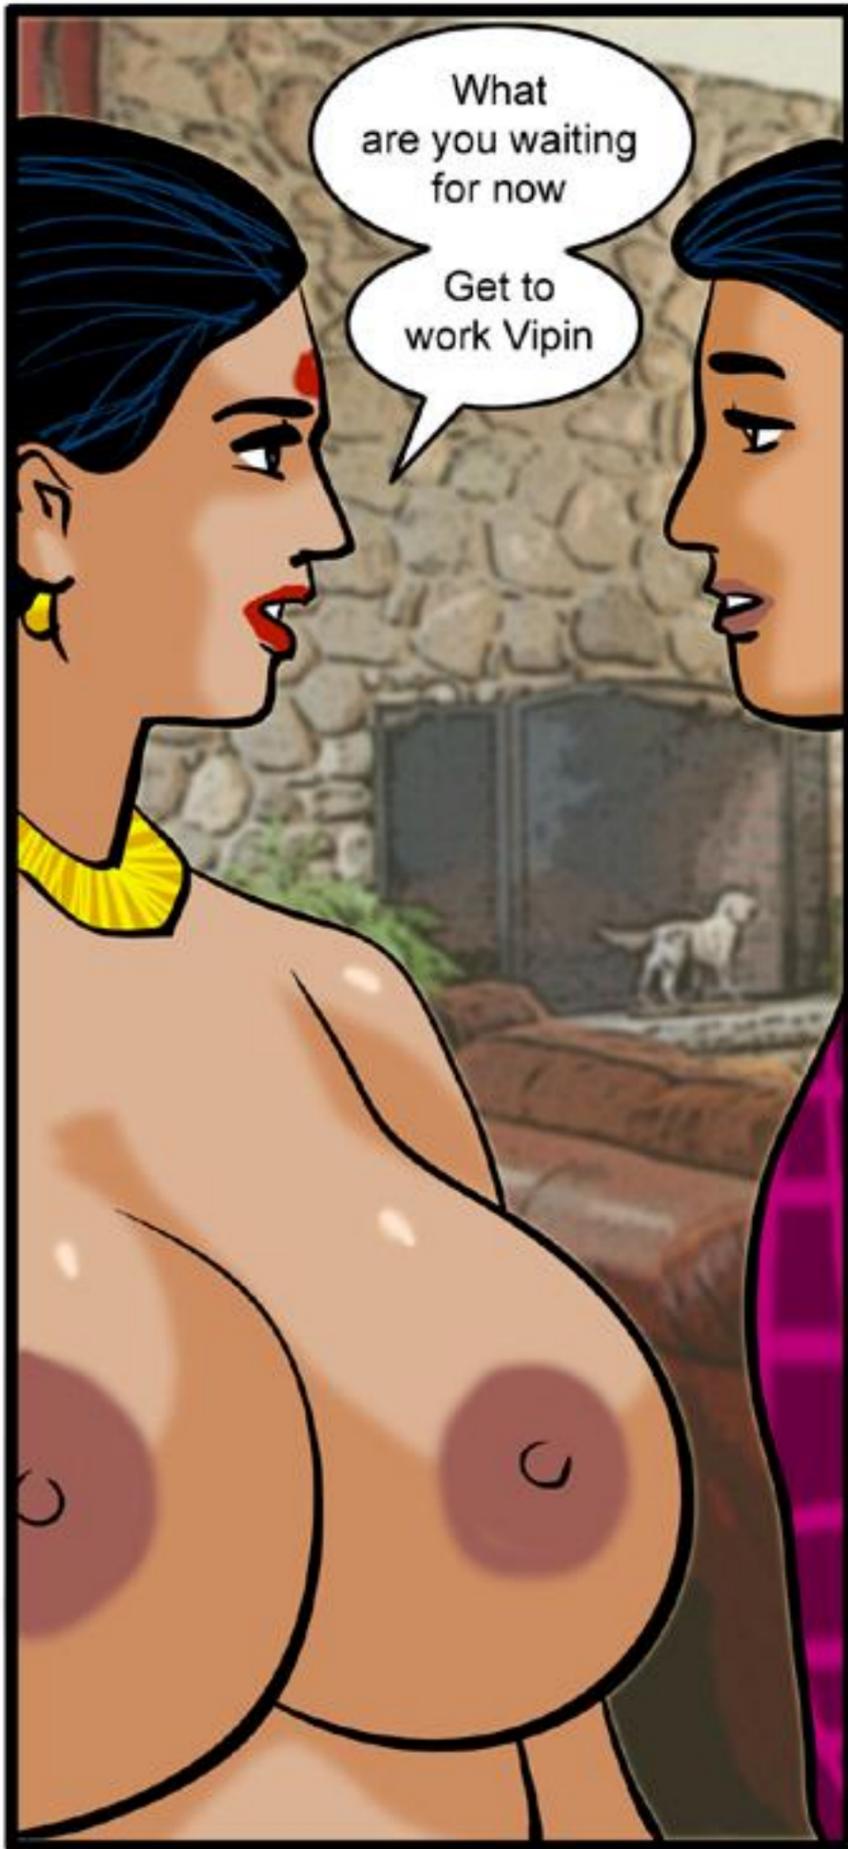

Let me remove this suit first

So that you can do your job

Now!
Come here and lick them clean

Wow
Chechi, you taking control like this is making my dick so hard

Mmmmm!
This soft drink tastes
even better when I
lick it off your
boobs

Yes,
make sure you
lick my breasts
clean

Yes Vipin,
keep doing it

Mmmhhh

Mmmmmm...

Your
boobs are
so delicious

I can't resist
biting them

Ahhh...
that was...
Ouch!... very
good...
I love it

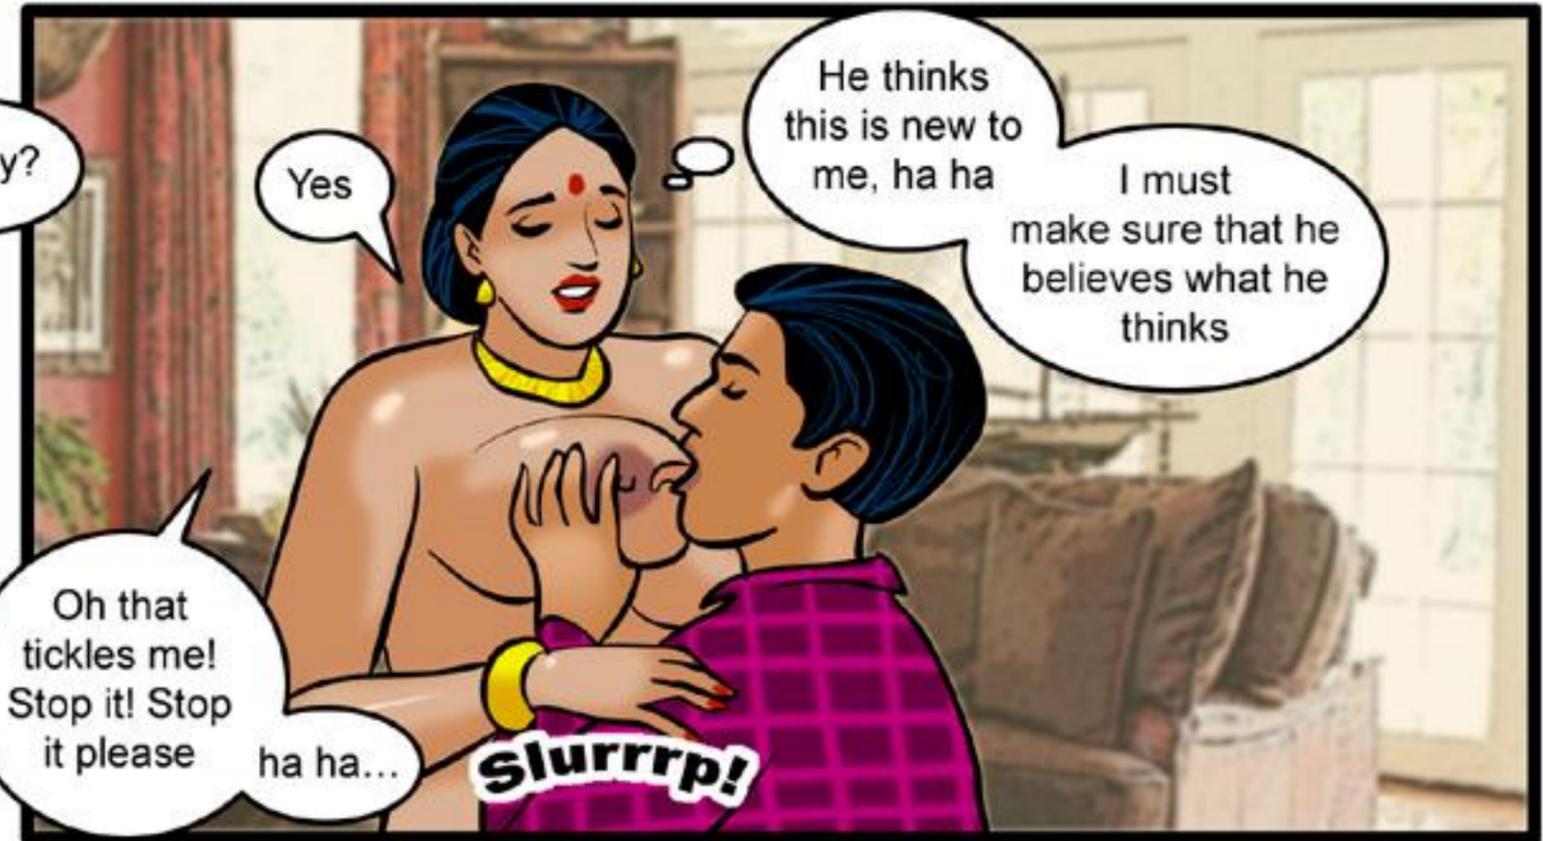

Damn, Chechi is so turned on today

I bet she had not been fucked since I left her that day

Chechi let me try something different

Ready?

Yes

He thinks this is new to me, ha ha

I must make sure that he believes what he thinks

Oh that tickles me! Stop it! Stop it please

ha ha...

Slurrrp!

I think Vipin, its my turn to give you some special treatment

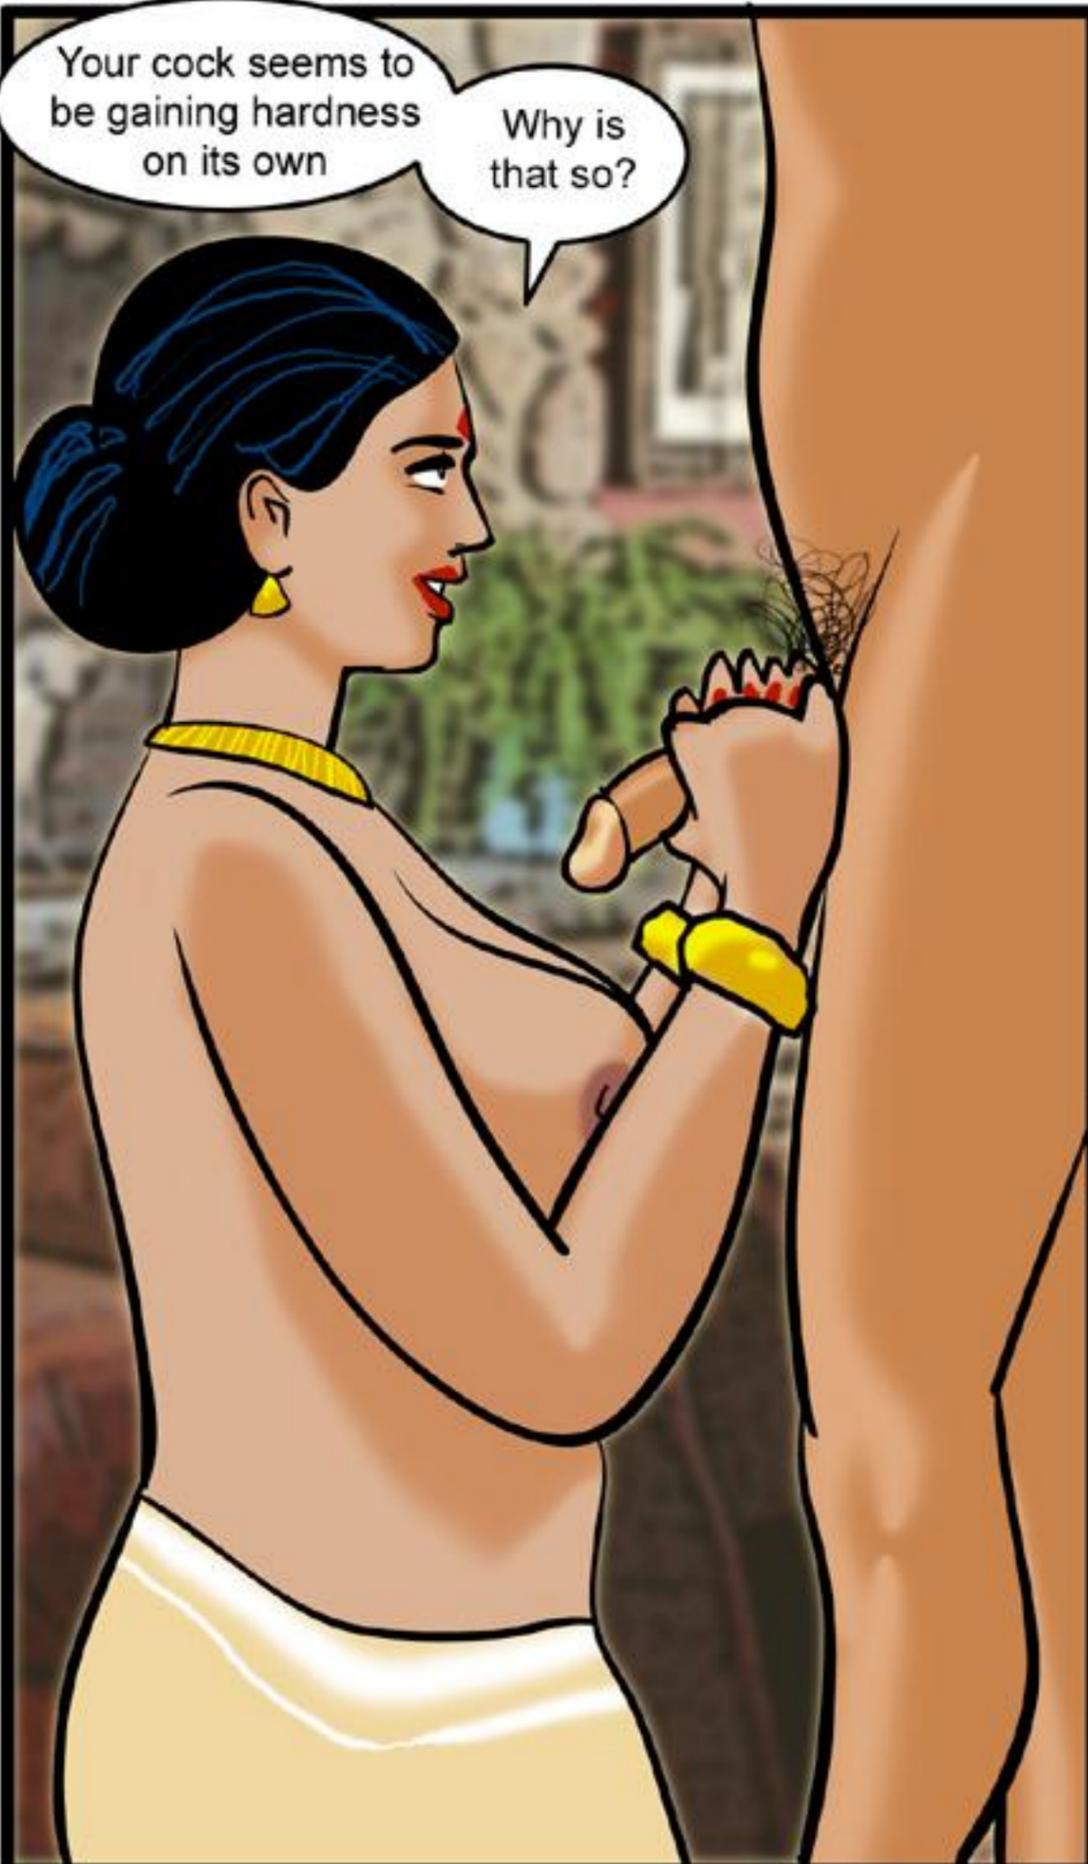

Oh yes, sure

Let me get you out of these clothes

I need a good look at your tool

Its all yours Chechi, all yours!

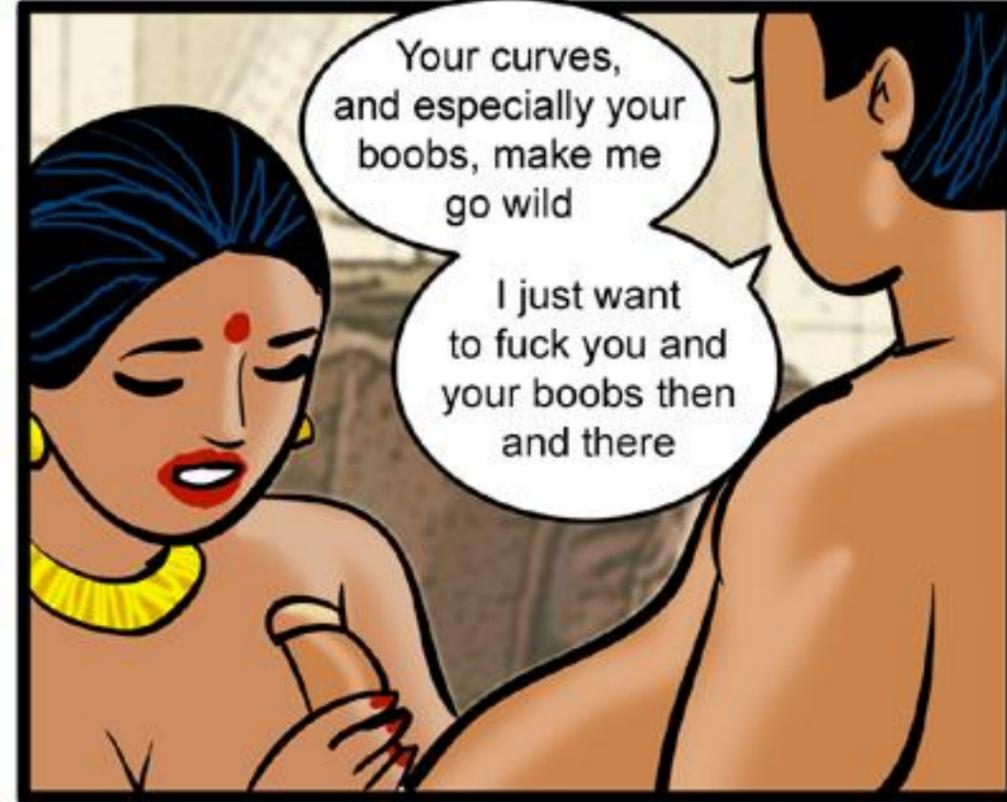

Your cock seems to be gaining hardness on its own

Why is that so?

Its getting ready to pound your pussy hard, Chechi

Your curves, and especially your boobs, make me go wild

I just want to fuck you and your boobs then and there

You just get me rock hard Chechi, and then...

I'll fuck you like a crazy man

Oh, that sounds really good, I hope you know how to be gentle while you are wild

I do want you to fuck me, and fuck me hard

Show me all your love, but don't hurt me

Hmm... I know, exactly what you want Chechi

Mmmmm...

This cock needs to be taken care of before it penetrates my pussy

Mmmm... this tastes so good

Ahhhh... you're a pro at it

It... it... feels so damn good

Your mouth is so warm and wet

Yes, yes!
I don't think
I'll last long if it
goes like
this

I can't
let him cum in
my mouth

What
happened
Chechi?
Why
did you
stop?

Lick my pussy
and make it wet
I want to
feel your cock
inside me

Sure,
I'll give
you what
you want

Slurrrp!

It feels so
good Vipin!
Put your
fingers in my
pussy Vipin! Put
them in now

Is this what you want?

Mmmmm... yes...

That's exactly what I want

Mmmmm... it's so good...

Yes! Yes! Keep doing it Vipin... Yes!

With those moans, I bet that Chechi is all heated up and ready for the action

I love the way my pussy is feeling!

I think it's time to stick my cock inside your pussy now

Chechi, lie back on the sofa and spread your legs wide

This lover is going to nail you...

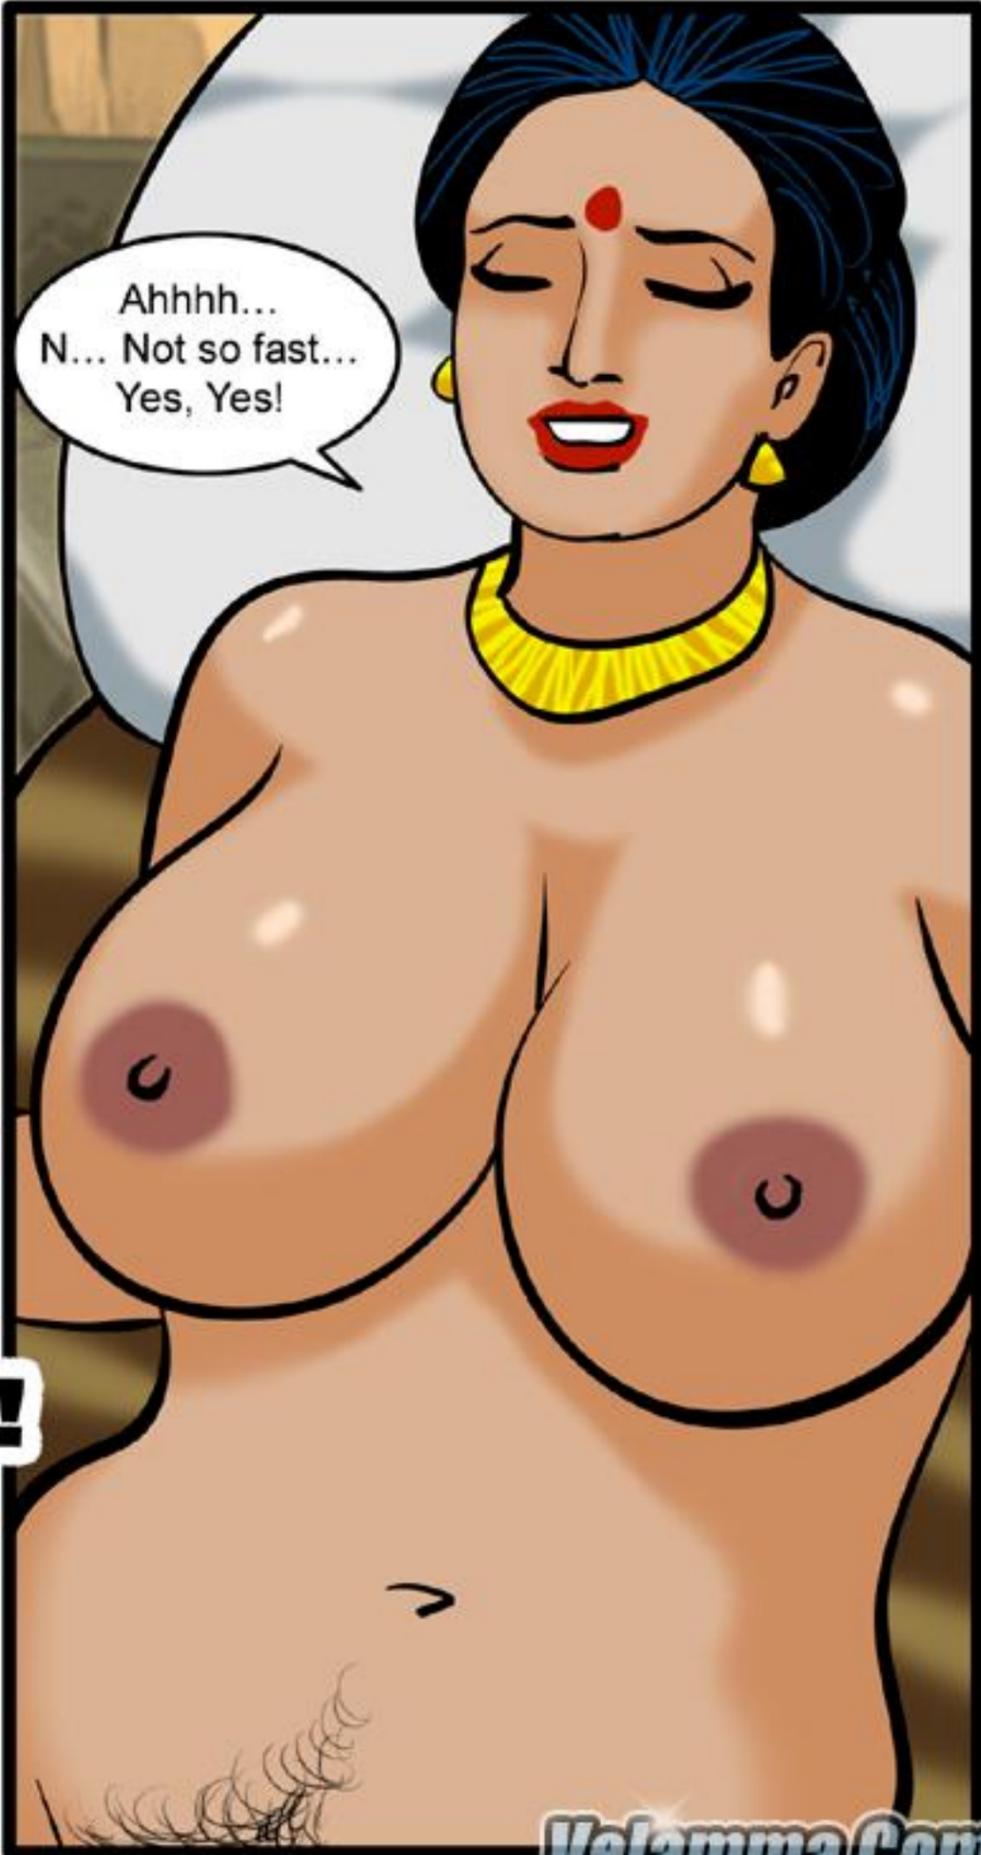

... and nail you hard

Ok, fuck me as hard as you want

Be sure of that Chechi, you'll remember me for a very long time after this

This feels even better than the first time I fucked you Chechi

Yes, even my pussy feels good this time

Floc Floc

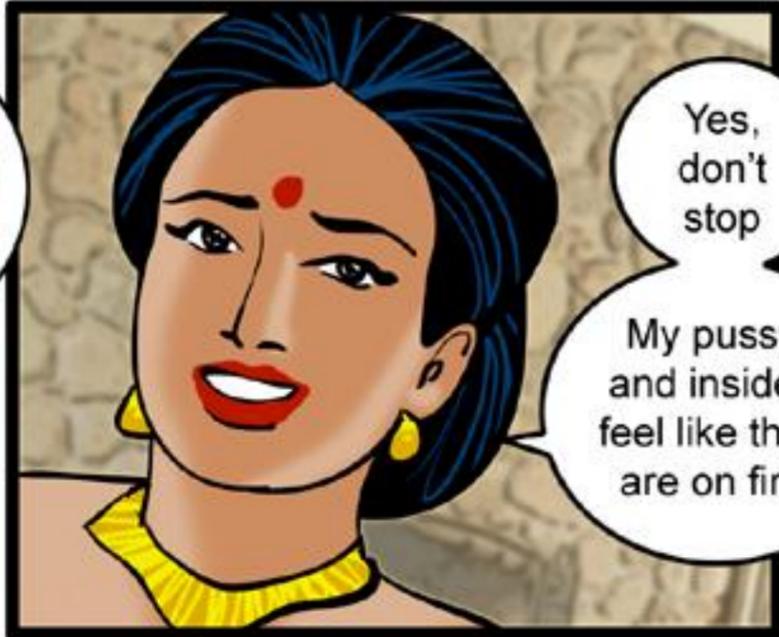

Yes... harder

Oh Vipin...
Keep it going. I am loving it

Don't worry Chechi. I'll keep fucking you as long as you want

Yes, don't stop
My pussy and insides feel like they are on fire

Yes, my pussy is getting so wet!

Ah Chechi! I'm gonna cum anytime now

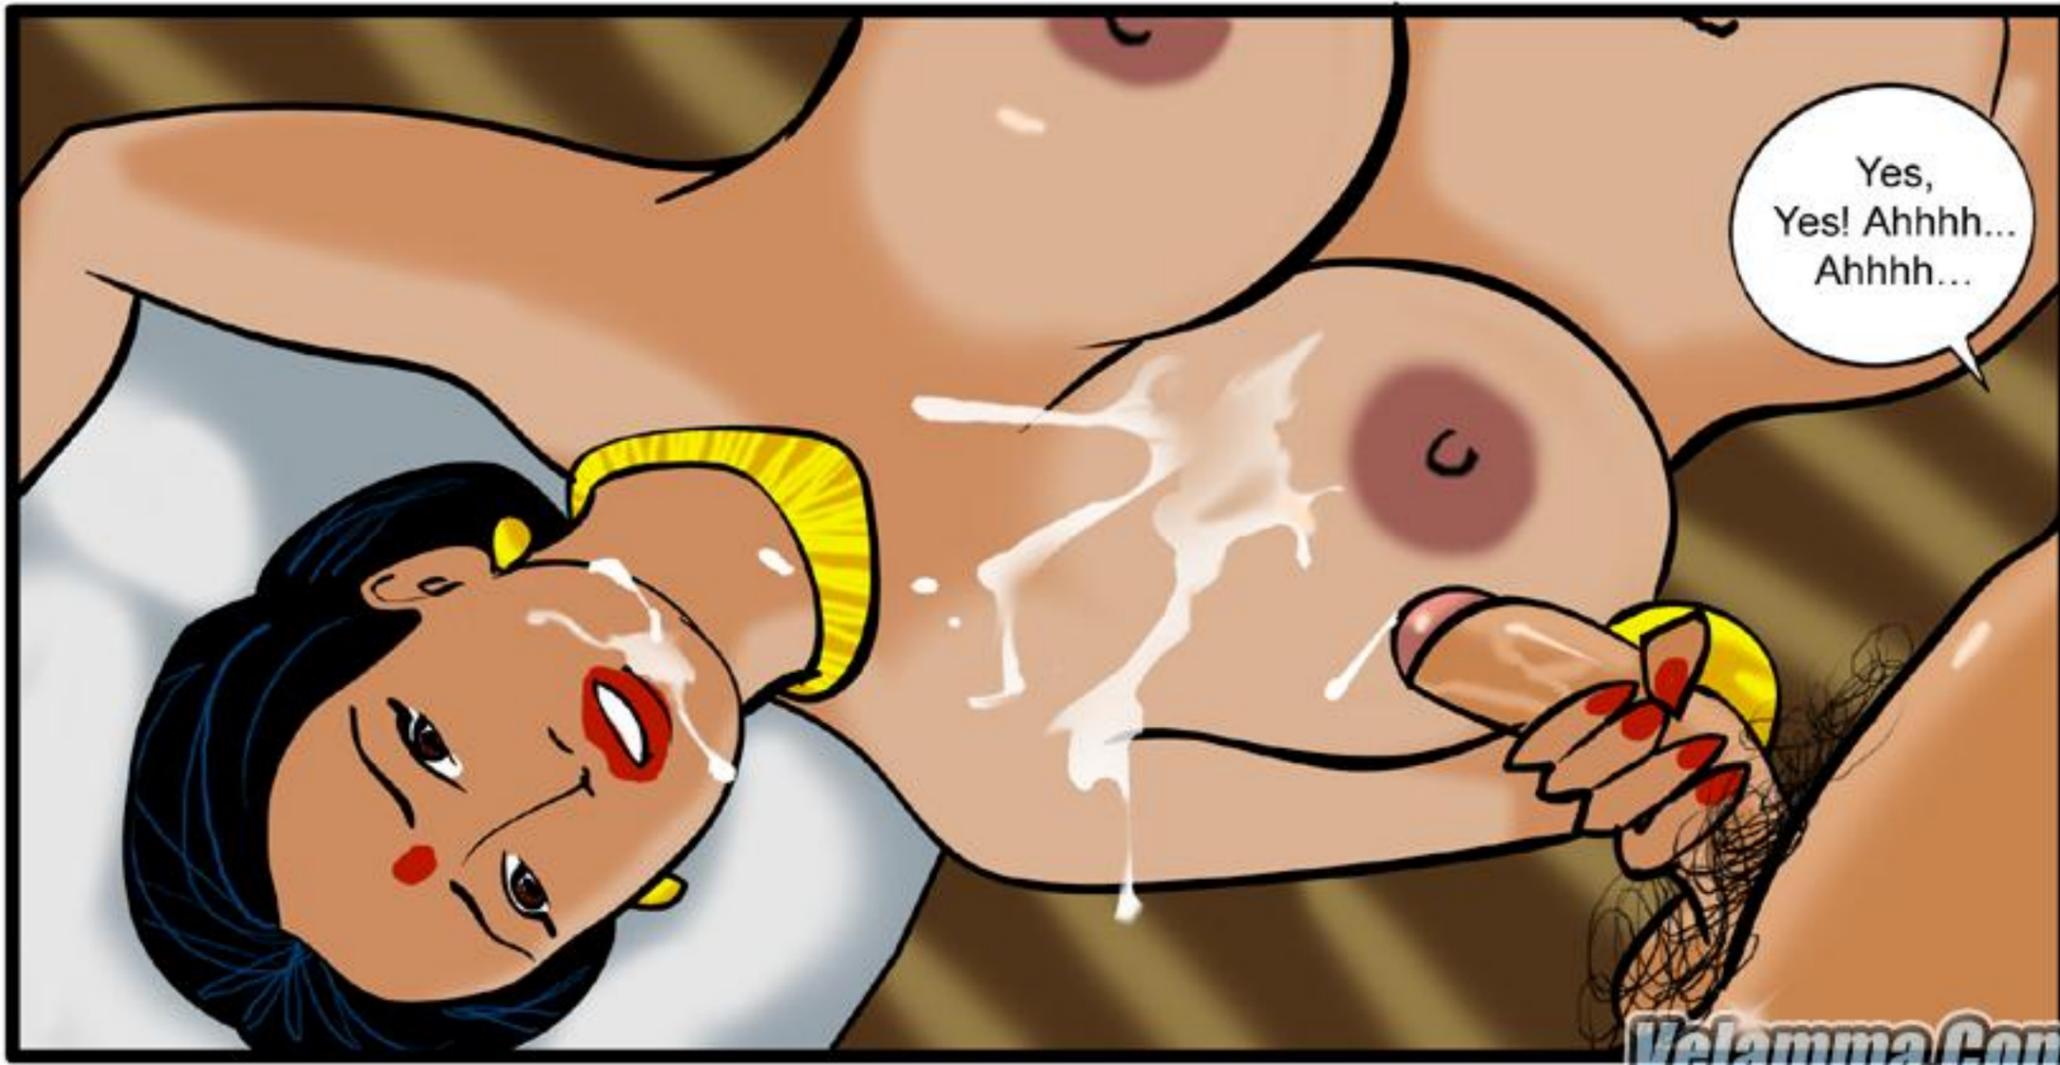

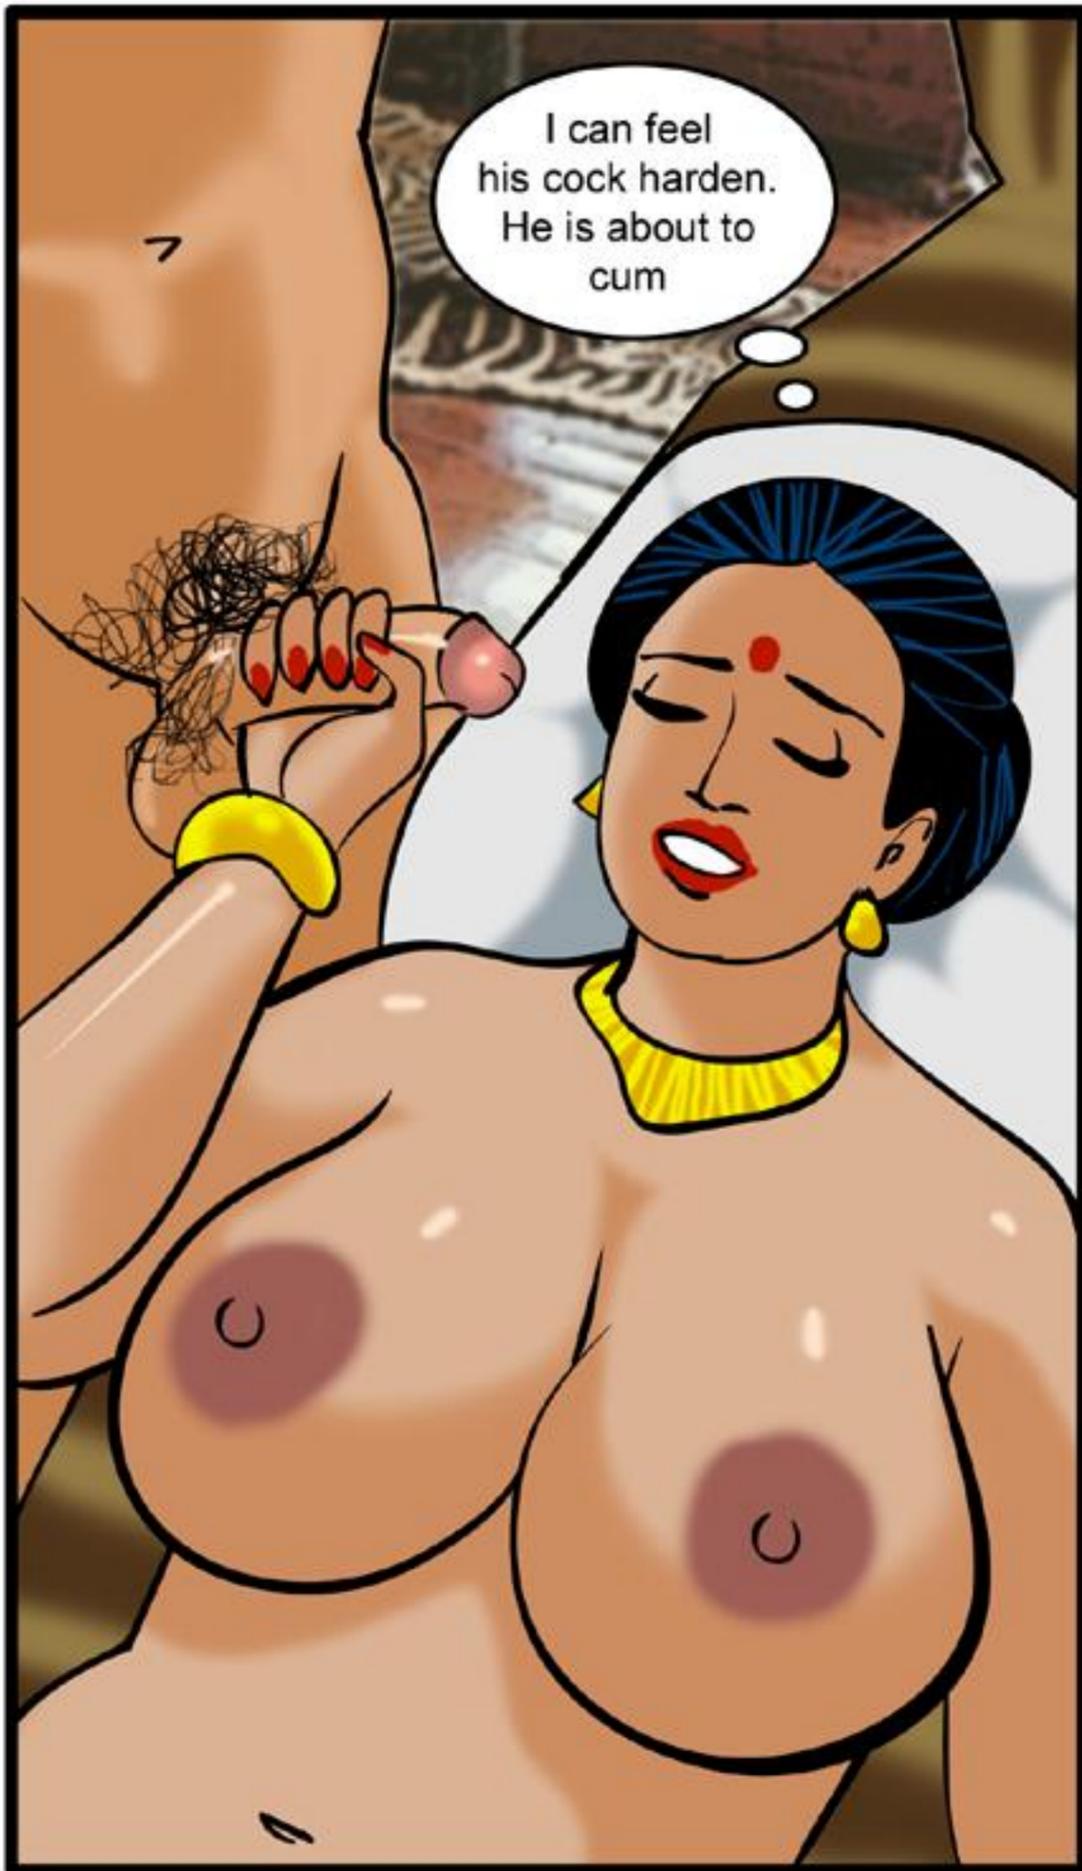

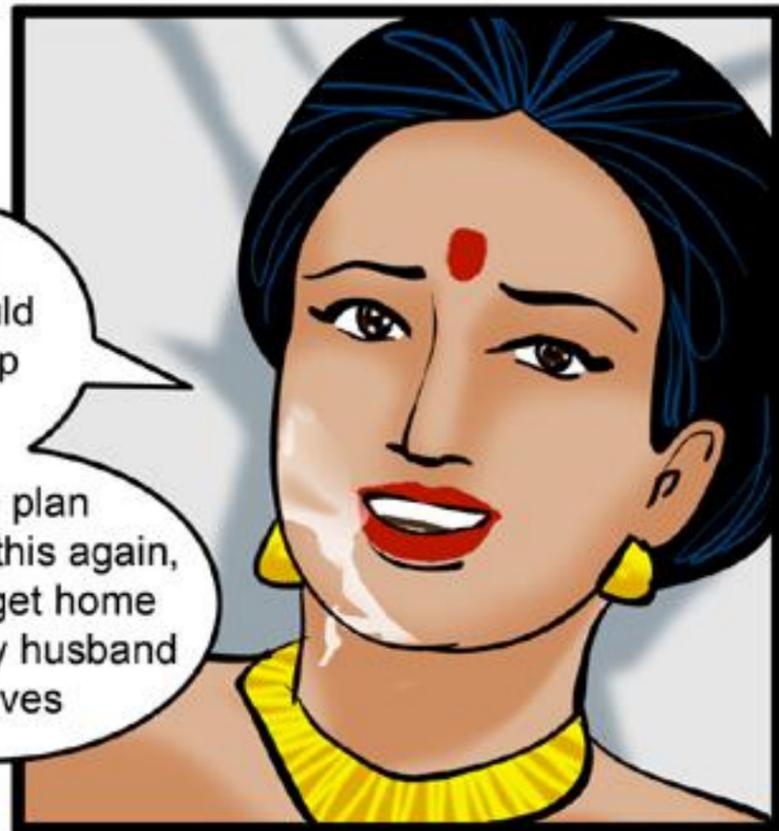

My cock feels so good in your pussy. I can feel it sliding against your juices

Come up to me Vipin

Let me masturbate your cock so you can cum all over my face and body

I think we should clean up now

If we plan on doing this again, I better get home before my husband arrives

Wow, Velamma has really changed

Looks like this **IS** going to be a new beginning!

THE END
