AFTER SOMETIME

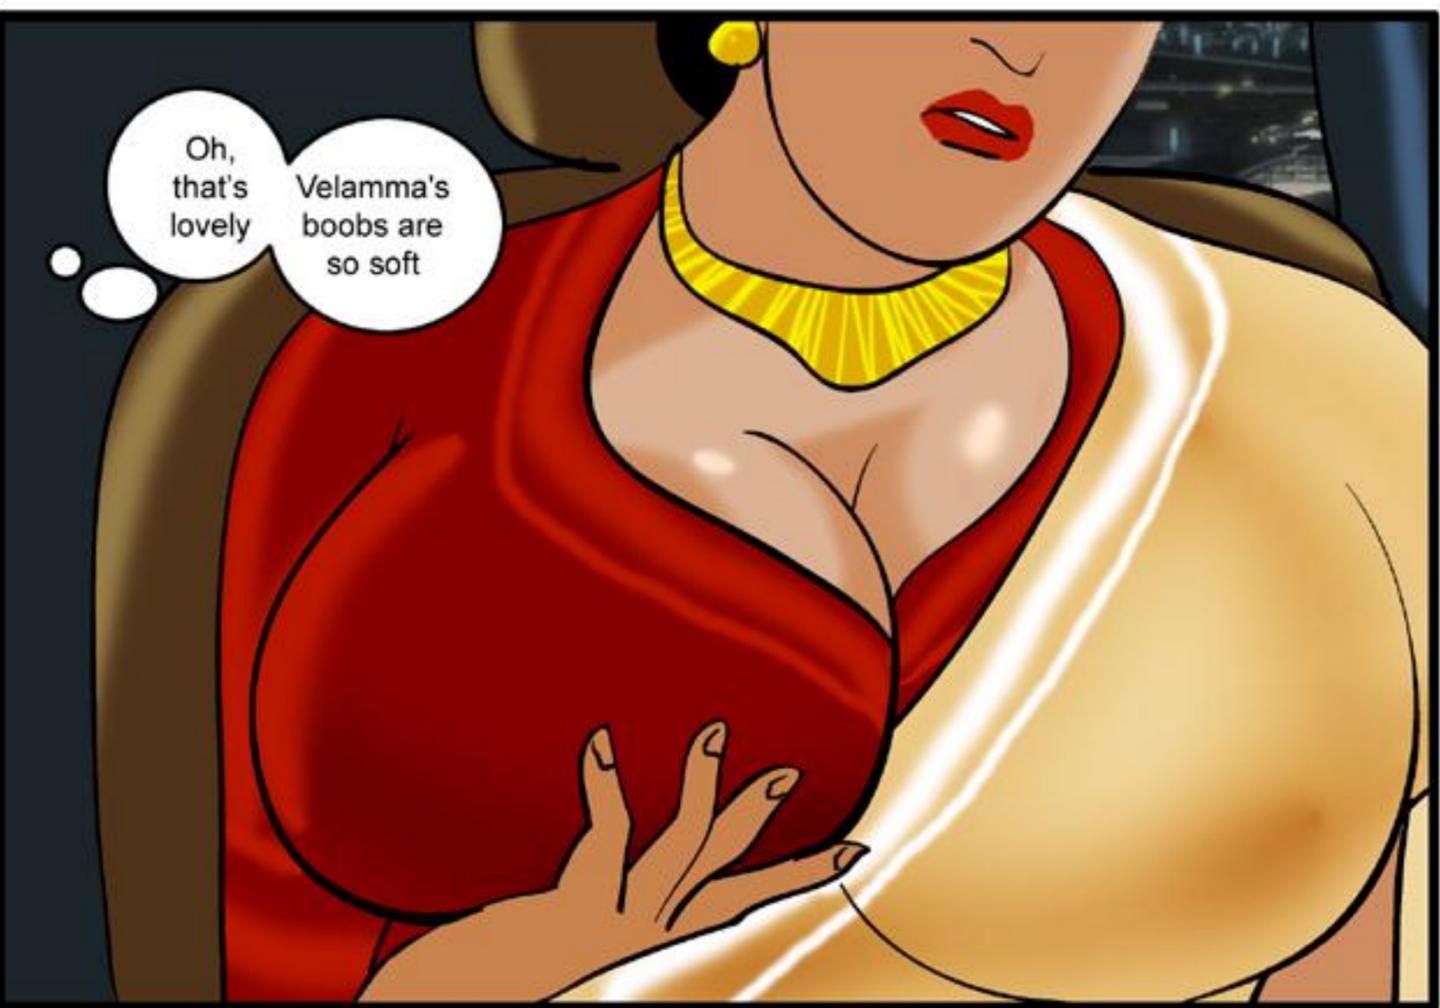

I think, I can really touch those boobs and get away unnoticed

Let me have some fun while Ramesh and Veena are asleep

Have to make sure I don't wake her up

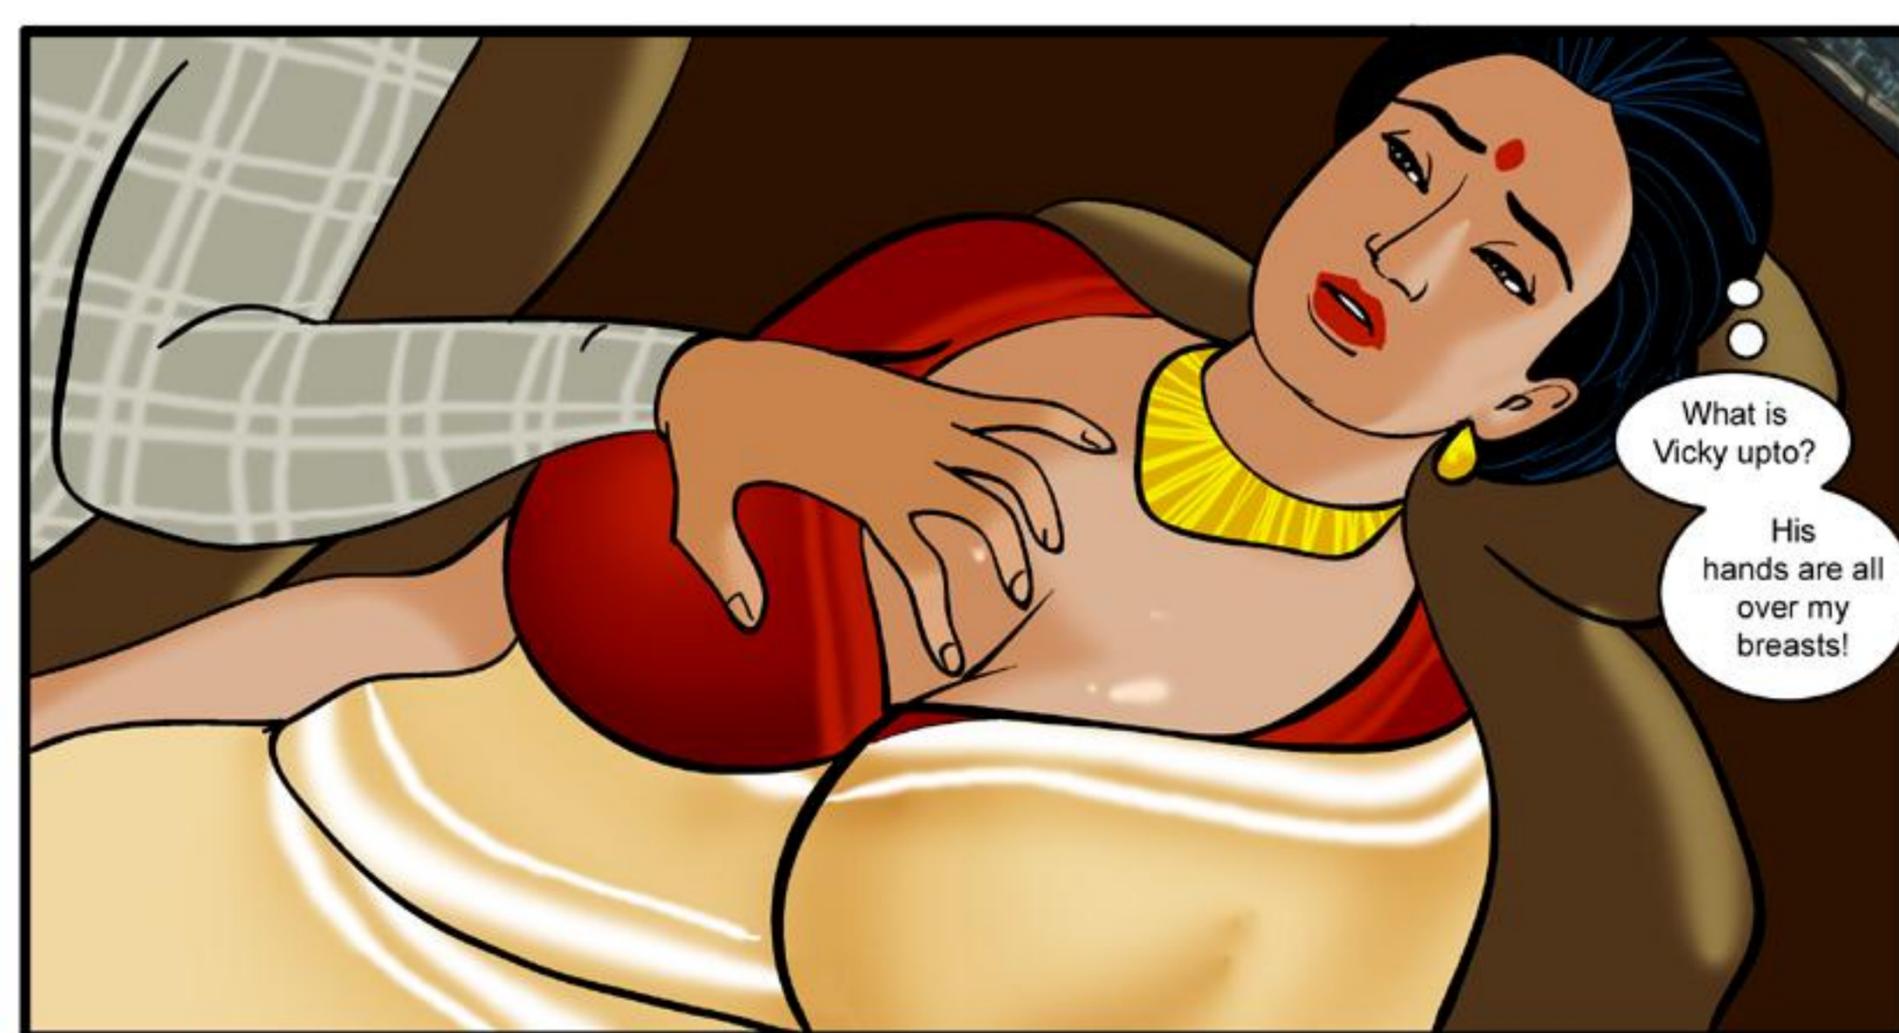

Oh, that's lovely
Velamma's boobs are so soft

Feeling her breasts is making my cock hard

What is Vicky upto?

His hands are all over my breasts!

Should I shout at him and make him stop?

Oh! My pallu must have fallen off when I was asleep. The whole top part of my boobs are exposed

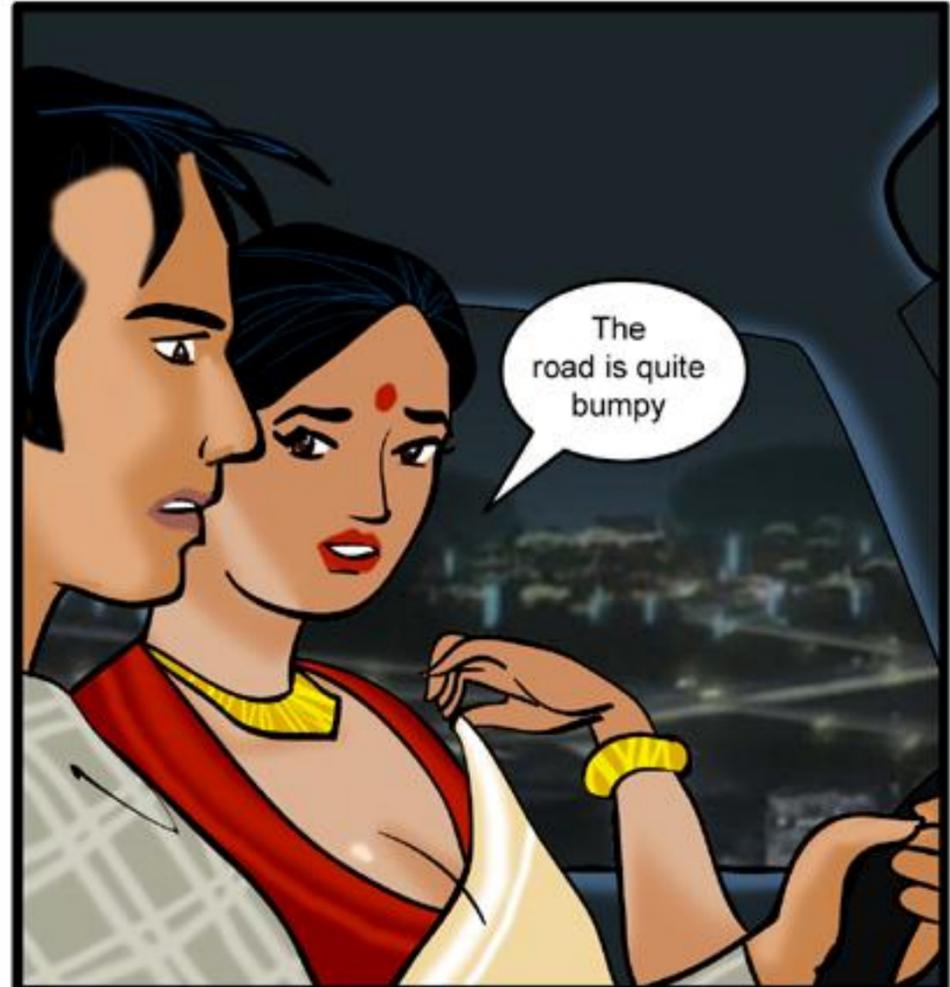

Maybe that's what got him excited

I'll pretend I just got up and did not feel him touch my boobs

Oh no! she's awake...

Yawn

The road is quite bumpy

Yes, it is
It's tough to drive under these conditions...

Poor guy, he's got a hard-on already

Damn, that was close! I need to be more careful next time

AFTER SOMETIME

Hey Vicky,
I need to use the
washroom...

Can you
find a restroom
in the village
here?

Okay

I'll be
right back

Okay,
take your
time

I'll
take a short
nap till
then

This
place looks
pretty run
down

Well, not
much of a choice
here in the middle
of nowhere

Vicky,
you have a
pretty nice
tool...

Better
than Ramesh's...

Poor Vicky, he was really turned on back there. I wonder...

..how his cock would have felt

She was awake! I can't leave this opportunity

Vicky!

What are you doing Vicky?
We should not be...

It's ok Velamma. I heard what you were saying before

It's your boobs that got me hard

So now its time for you to really find out how my cock feels

No! What if Ramesh finds out?

He won't

I'm not going to tell him, and neither are you!

I can't resist the feeling to fuck you right now

Here, take my cock in your hand and see how it feels

Its so risky doing this in a public place

But I guess I do not have any choice

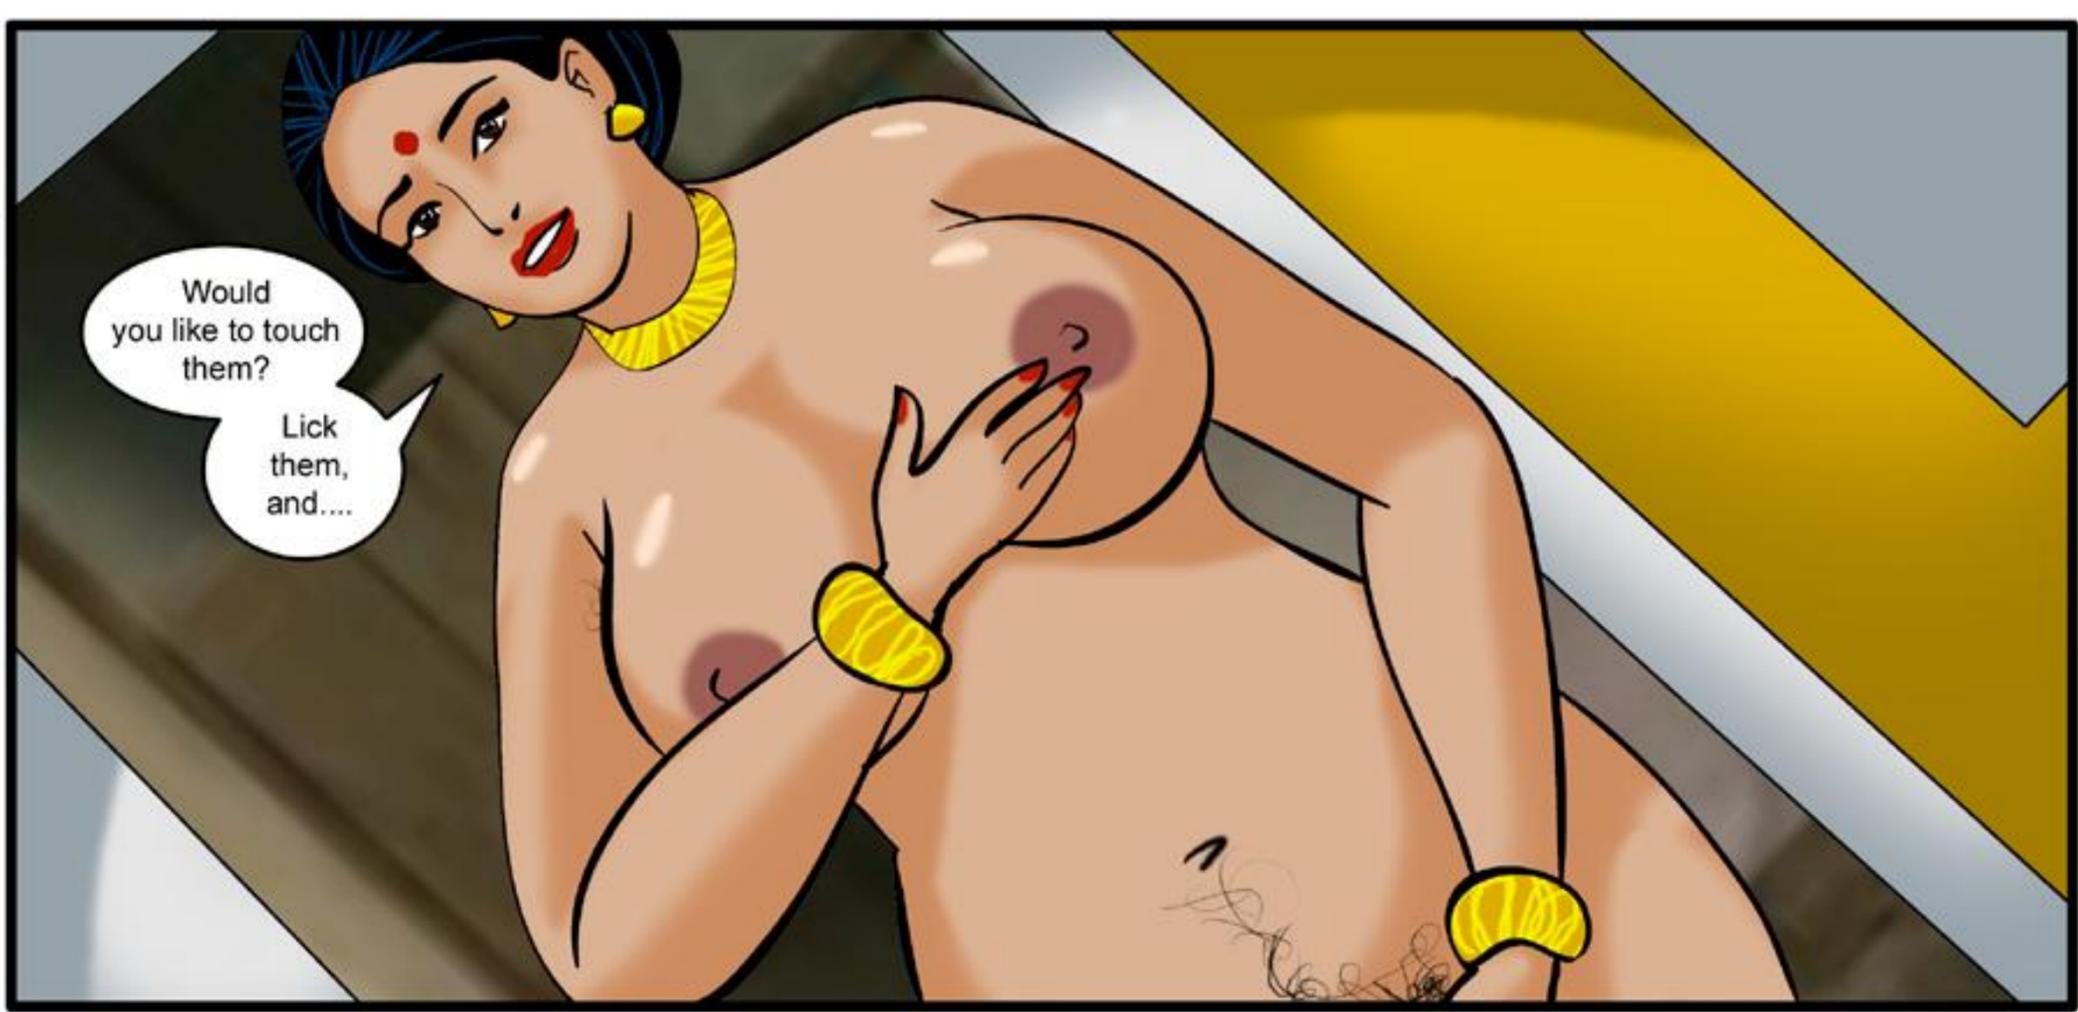

Oh Velamma, your hands feel amazing on my cock

Take off your clothes. Those amazing boobs should not be hidden behind them

Was it just my boobs that got you so excited!

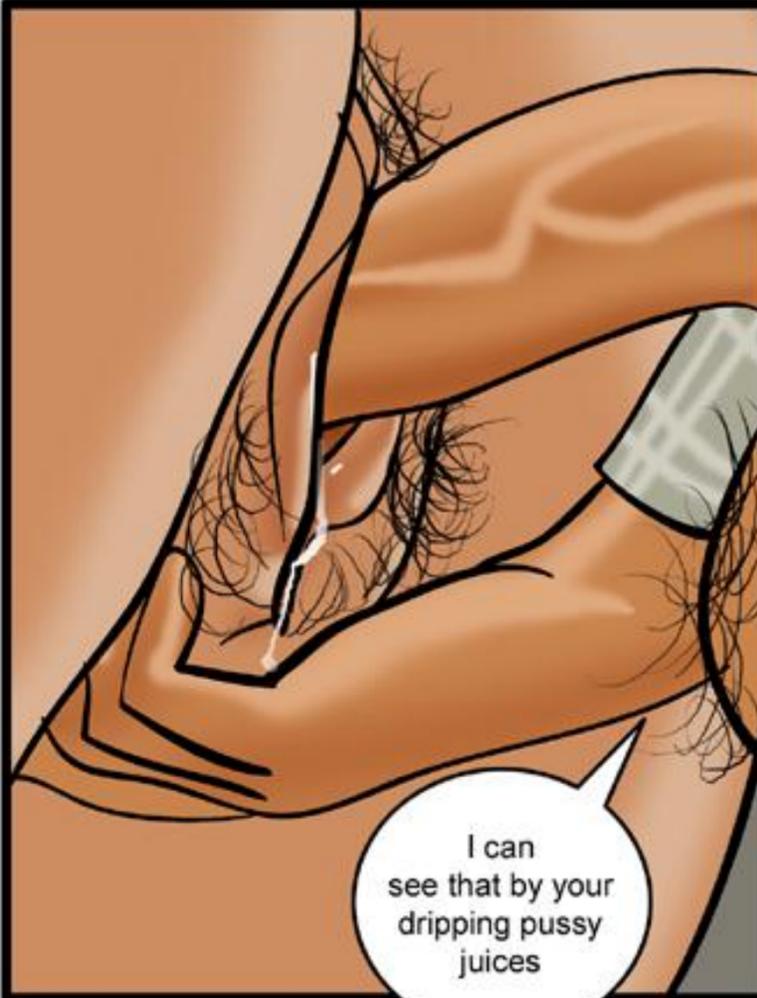

Ok Vicky,
my pussy is
waiting for your
hard cock

You
don't need to
tell me that
Velamma

I can
see that by your
dripping pussy
juices

I did not
expect your
pussy to be so
wet!

I haven't
even done anything
yet

Doesn't Ramesh satisfy your desires?

He does, but...

...never in the middle of a journey

I'm very excited right now

I can't wait to feel you...

...inside me...

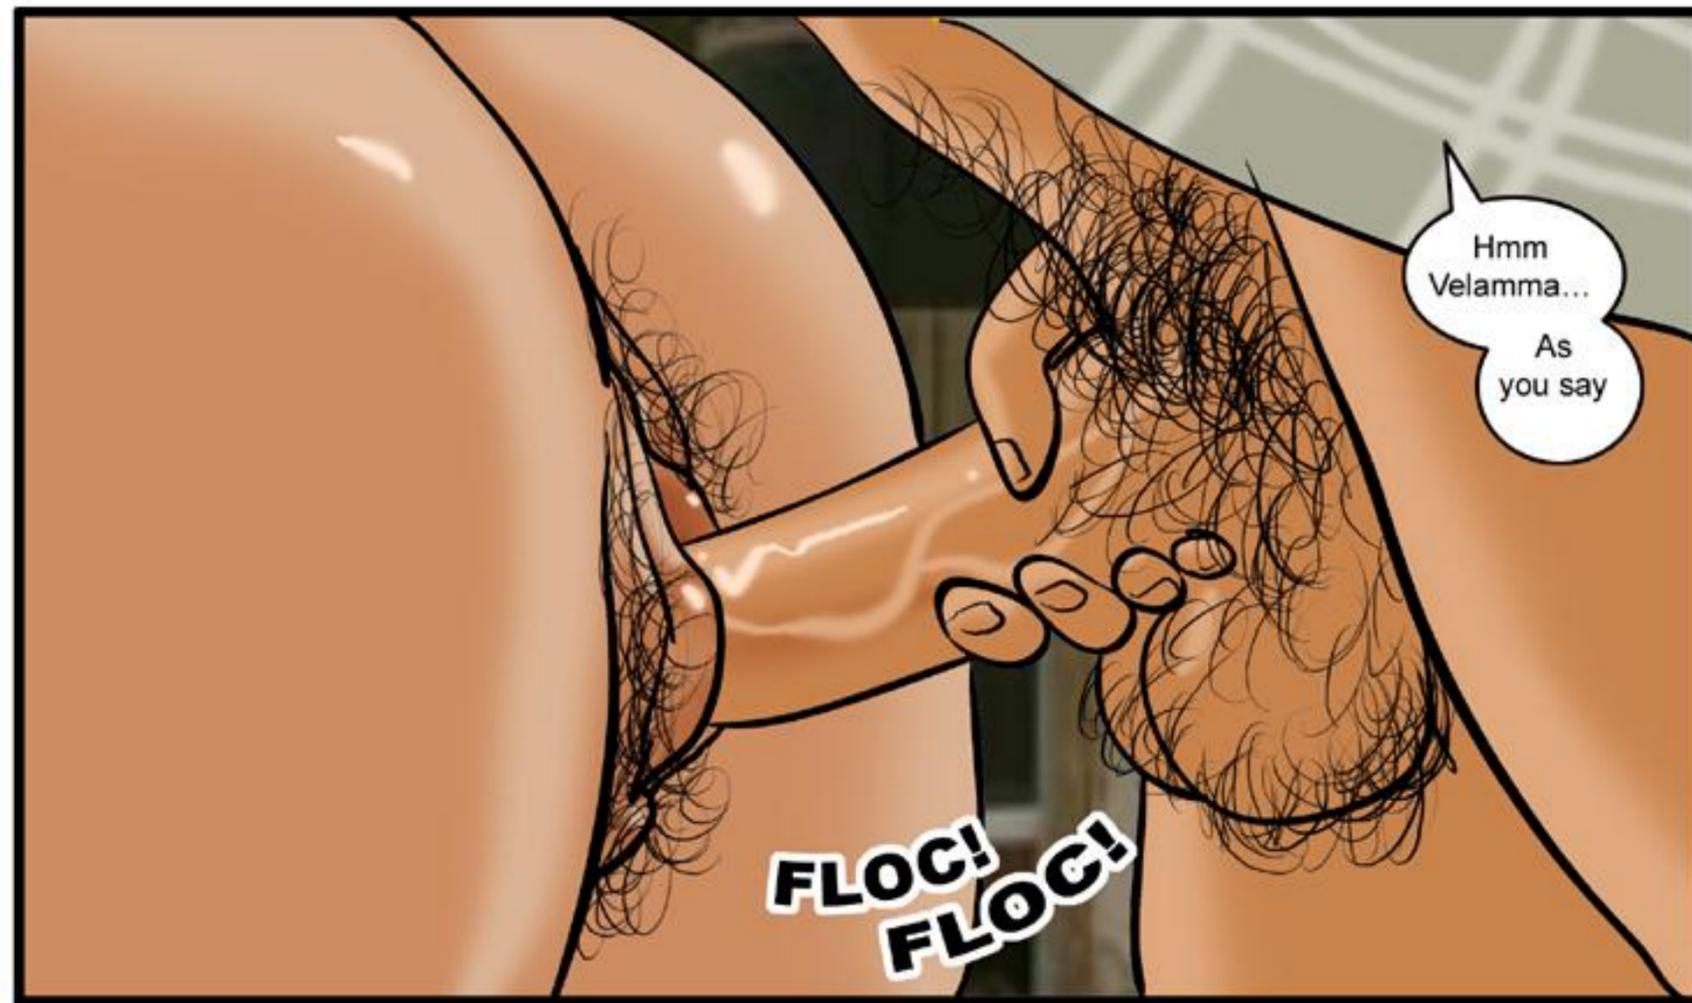

GUSHH!

Ahh... that feels so good

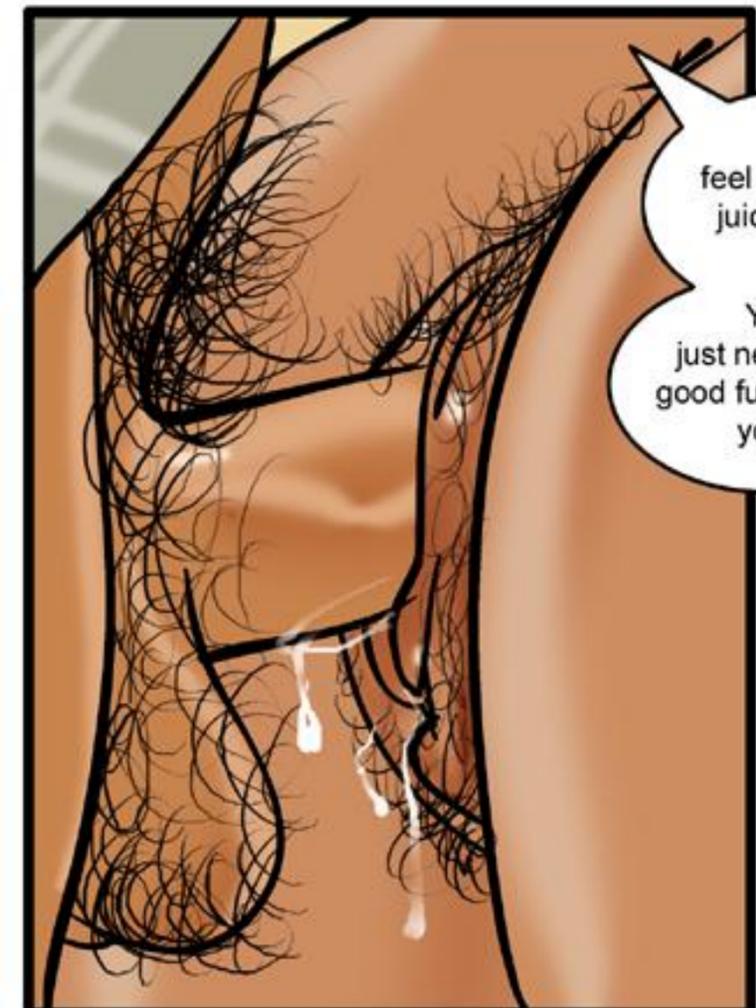

Your pussy is so warm and slippery...

Vicky, ahh... slow down a bit

I can't control myself

I can feel my juices making their way out already

I can feel your warm juices on my dick

You just needed a good fuck, didn't you?

Yes, a good fucking from your cock is just what I needed

This is even better than my dreams

It smells so strong

I can smell my pussy on it

C'mon Velamma, suck it up so I can fuck your boobs next

Am I dreaming or is this all really happening!

This has to be the best day of my life

Mmmmm

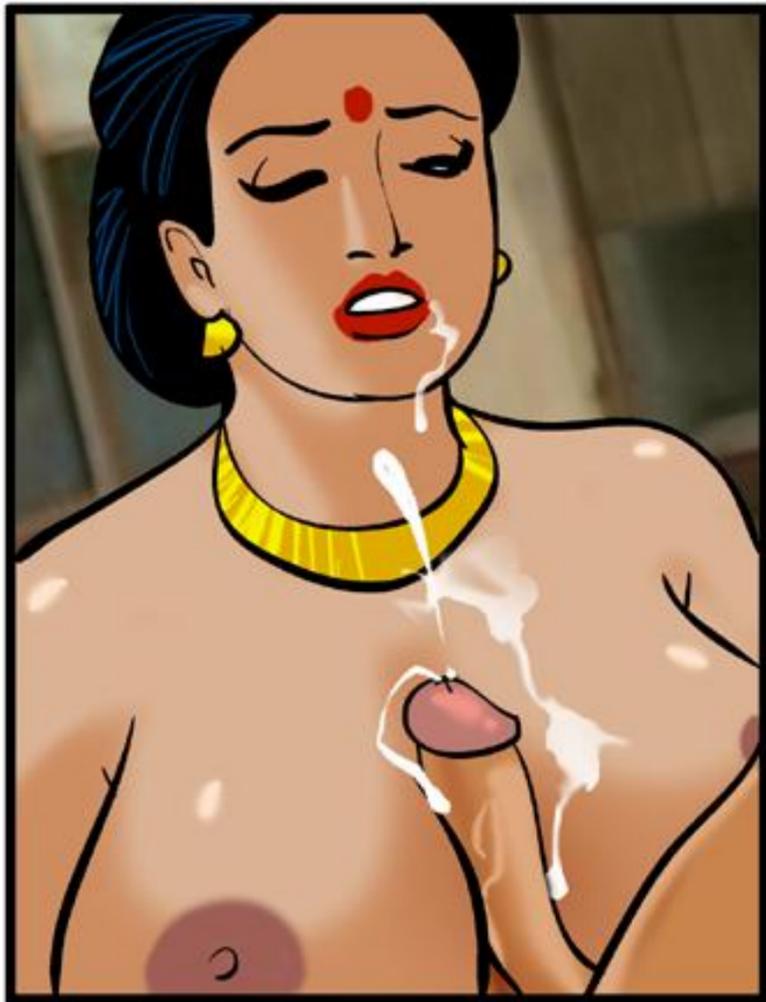

The taste of his cock mixed with my juices is so pungent

Ahh, your mouth on my cock feel amazing

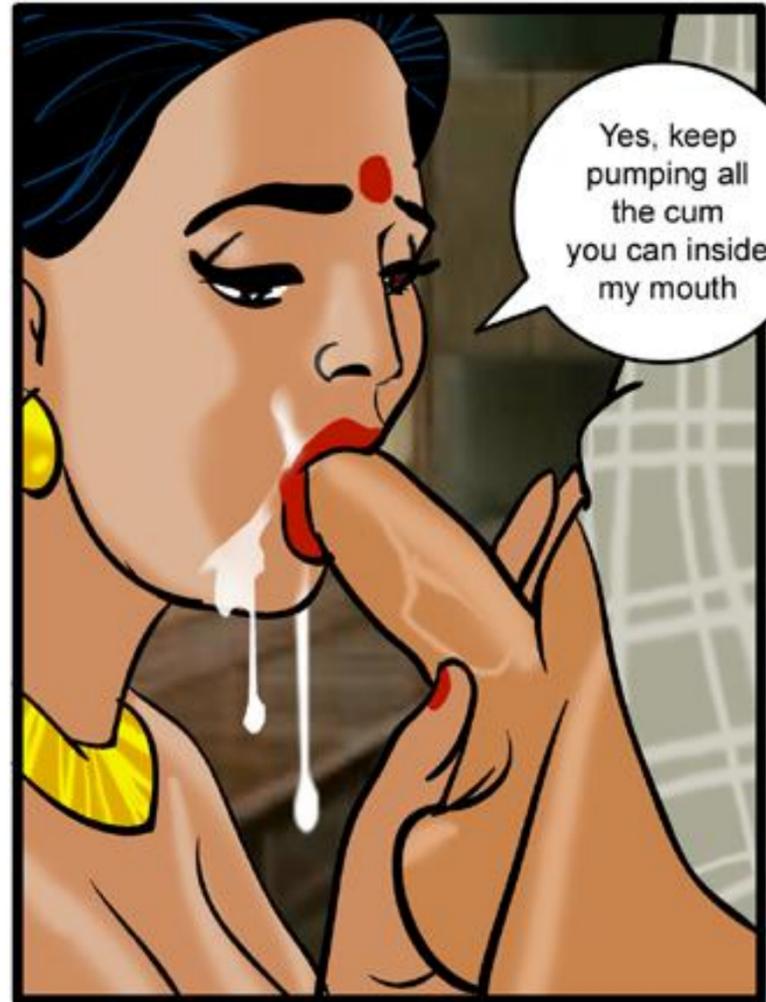

That was the best fuck I have ever had in my life

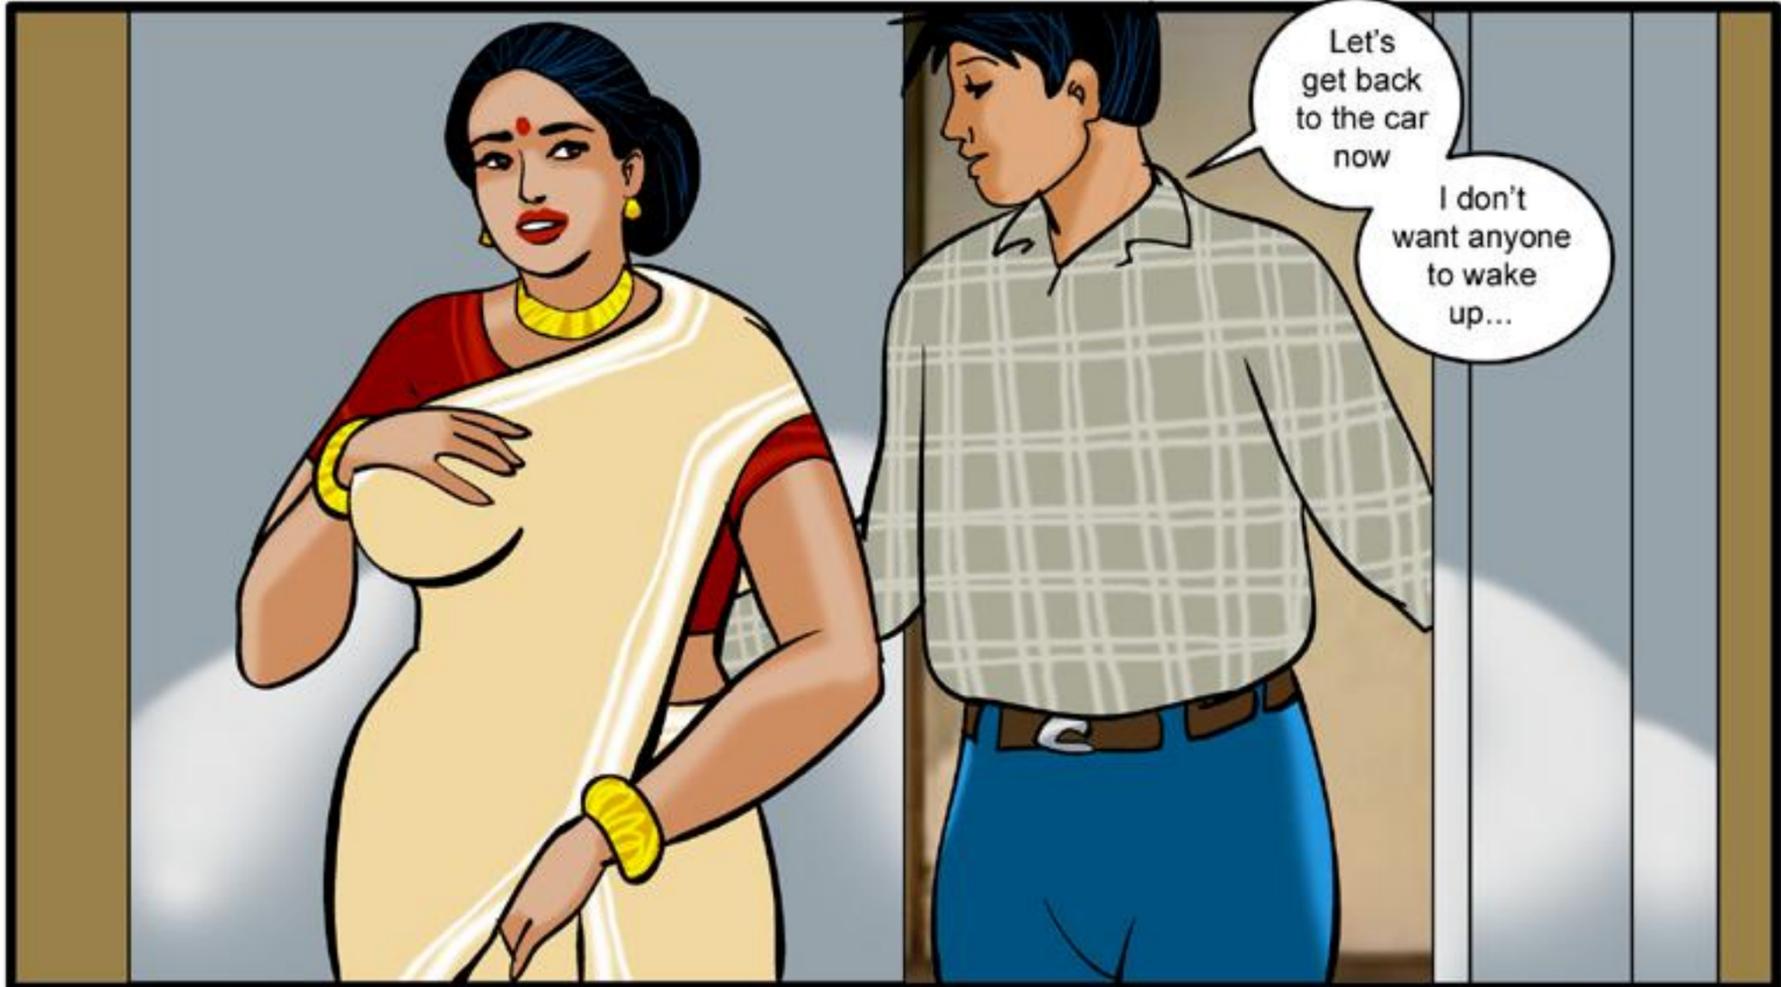

Yes, keep pumping all the cum you can inside my mouth

Thanks...
I hope our encounter does not reach the ears of anyone else Vicky

Phew!
Good to see
that they are still
fast asleep

I'm
going to sleep for
a while again

I hope
we don't have
any more 'bumpy
roads'

Don't worry Velamma, we've
had enough bumpy roads for
one night!

Ahhh
Velamma, I have
seen enough
now

The next
time there is a cock in
your pussy, it will
be mine!

THE END
